The whole session as the recording and the Foundry chat log have it: every speaker's track transcribed by machine and merged on the clock, with the table's rolls and chat cards in between. Verbatim and unedited — the stumbles, the cross-talk and the mis-hearings are the real thing.

 a roll  a chat card (an item, a feature, the party stash)  a whisper or a blind roll the players did not see

00:00:01	DM	hmm we'll try and take it too easy a little easy on you um do you feel caught up to speed
00:00:06	Thomas A. Invictus	uh where is it andrew oh yeah yes that's exactly right we're right next to the tower
00:00:09	Jetten Elisedil	If you go to the macros, like the fourth macro down says actors, and then you click that, and it's PC, and then there's, again, the fourth one down, there's a tab for the party. You click that, and then it has inventory, members, biography, summary. Oh, that's interesting.
00:00:35	Jetten Elisedil	Cool.
00:00:43	Jetten Elisedil	So the letter, to answer your question, Tom, it didn't say much, right? Right. So, right, we're not today going to Daggerford, right?
00:00:48	Gren Greenmantle	Right. To someone, addressed to someone in Daggerford. But we're not going to Daggerford. We're going to Greenrest. Okay. And then there's a Temple of Shar, a Hag Coven, Lost Shrine, and a Green Dragon. Right. And then we're... Oh, right. So if you pull up the map of Greenrest, I think we're up near the Tower on the Hill, which is number four, the Mayor's Tower. Is that... All right. I'm terribly jet-lagged, so I'm going to be a little out of it tonight.
00:01:10	Jetten Elisedil	Right. Those are the possible locations for one of each of the shards.
00:01:38	Jetten Elisedil	Right, because we were supposed to go to Green Rest first to kind of supply up and decide where to head out to.
00:01:56	Gren Greenmantle	Right. I got in at four yesterday morning. So, yeah. Yeah. I got up at four this morning after going back to sleep when I woke up at two.
00:01:57	Jetten Elisedil	Did you just get back?
00:02:03	Jetten Elisedil	God bless you. I'm still getting over my Japan jet lag. I mean, I've been waking up at, like, four or five in the morning every day. Yeah.
00:02:19	Jetten Elisedil	Great.

00:02:19	Gren Greenmantle	I was happy to make it till four. Yeah. So we had the choice to go in down into town or go explore that tower a little bit. I'm good with that.
00:02:32	DM	any questions yes so yeah i'll uh um you came out as i told you last time uh as soon as you hit your view of green rest uh the fog is clear um it seems like it's just a perfectly sunny sky there's a well-structured well-appointed village below the only thing that seems maybe a little out of place from the distance is a dead tree in the middle of the town um and then to the right with a path leading down to the town but also accessible to you is a tower um and there was like a little metadata it is the mayor's tower oh but um so you just pop out of
00:02:34	Thomas A. Invictus	i'm ready any chance we could just go straight downhill men what do you think that's where the
00:02:35	Jetten Elisedil	I think we better, yeah, hustle up.
00:03:35	DM	the woods and as you do i would like those proficient in survival to roll a check and um if you yeah okay uh well morgash you see some footprints that seem to have been circling or about the path from the woods that leads to what you presume to be green rest you're not sure what it is
00:03:55	Jetten Elisedil	I'm going to roll. So, survival.
00:04:03		Morgash the Gravemaker — Wisdom (Survival) Check: $1d20 + 1 + 2 = 12$
00:04:20		Jetten Elisedil — Wisdom (Survival) Check: $1d20 + 3 + 2 = 10$
00:04:22		Thomas A. Invictus — Wisdom (Survival) Check: $1d20 + 0 + 1 = 2$
00:04:47	DM	it looks like at least a couple animals but based on the way they step it's it's strange it's like they could have two legs they could have four they could have six they could have eight you're just not sure by the pattern of the steps jetton you are completely befuddled and just see steps but you can't discern anymore it's up to you is that what you like to do yeah you've you've exited the forest
00:05:12	Morgash the Gravemaker	Guys, I see some pattern here. There is some animals or something circling around, going in direction of the forest, probably the same path that we're going to take. So we will need to be careful just in case.
00:05:49	Jetten Elisedil	Can we see where we are?
00:05:53	Jetten Elisedil	Because I... Uh-huh.
00:05:55	DM	and you're staring down at a a well-made village um there's a tower to your right and then there's a path leading down to the village the paths stop at the edge of the surf at the edge of the forest they don't seem to go down for any further into the path and and the path and the foot and the footprints lead back into the forest so whatever it is it doesn't want to go towards the town correct okay all right the path is about um a 15 minute 20 minute walk uh drops out of the misted tree line into the town

00:05:56		Gren Greenmantle: Mage Armor 1st Level • Abjuration You touch a willing creature who isn't wearing armor. Until the spell ends, the target's base AC becomes 13 plus its Dexterity modifier. The spell ends early if the t ...
00:06:09	Jetten Elisedil	Thomas, why don't you want us to take the path?
00:06:13	Thomas A. Invictus	footprints are right oh i see okay another idea my i think my yeah that would be my suggestion too
00:06:34	Jetten Elisedil	So it's the opposite direction of where we're headed for now, right? Then I say we just, we take the path down into the town, then. That would be my suggestion.
00:06:48	Thomas A. Invictus	thank you for the warm welcome we need rest and resupply are there any uh i'm thomas invictus
00:06:52	Gren Greenmantle	And Grand Greenmantle from the Misty Forest. Is that Pip right here? Great things come in small packages.
00:06:53	Morgash the Gravemaker	Let's go to the path and mortgage.
00:07:10	DM	below again some possibly green um you can see now that there's orchards of trees uh everything looks incredibly healthy uh farming fields completely flourished with crop and harvest you can see wood smoke curls from the little tiny roofs um you all came from dagerford it's a relatively prosperous city but this place looks really quite prosperous um from what you could tell so far looks like a good place to be uh continue down okay all right right as you walk down you're quite visible because you're going down a hill uh into just a small little valley and um the town is situated between you and the lake beyond uh and by the time you reach the square there's a small crowd and they're already gathering because they've seen you and a silver-haired bear man in a in a chain um
00:07:54	Jetten Elisedil	Well, let's do it.
00:08:21	DM	breaks out from the crowd spreads his arm wide smiles at you like as if your family coming home and says welcome welcome welcome to green rest friends well you've come to the right place our town is welcome to you and anyone uh don't do anything wrong and we'll take care of you and i'm sure you'll take care of us my name is oswin applewhite i'm the mayor what are your names your tall one and your short one hello oh so where are you from what brings you here you know what better yet um let me give you a quick tour of the town and you can you can catch
00:09:00	Thomas A. Invictus	ambrose what do you have i'll have a glass of a a mug of ale um point of order i have a question
00:09:12	Jetten Elisedil	And I'm jetting a less, too.

00:09:30	DM	us up with what you're doing here and and how you want to stay at the inn and uh we'll pick it up from there so um he gives you sort of a tour of the town it points out various things uh there's a lot of apple orchards uh uh farms bearing fruit uh bales of hay everything is lush and green and wonderful um give me one second i'm trying to pull up something for you the village of green rest i'm going to share this for you and ultimately um what i'm sharing with you you just sort of get a big overview of the town the main inn he calls the long rest um there's a smithy there's a church of the earth mother there's his tower he points up the one that you came past
00:09:41	Morgash the Gravemaker	That sounds good.
00:10:39	DM	that's where i live he says there's the town square um there's a brew house an apothecary he points you down to the dock sides by the lake there's a general store which has everything you could probably want called the full larder and then we have a garrison called the east watch uh why don't you head to the long rest and we'll talk some more okay you want to go there and the map is in your player handouts anytime you want to review it and if you don't see it let me know okay yes um you asked him that question his hue is leading you around and essentially the mayor always lives up at the top of the hill it's tradition he says and you find yourself
00:11:08	Morgash the Gravemaker	Very nice place that you guys have here. So the tower that we encounter was basically the mayor's towers. Okay.
00:11:51	DM	at the long rest oswald opens the door and says come on in welcome oh hello you're smaller than i am i thought that was impossible goodbye and there's a little halfling child that waves to you from the porch grant he was talking to you yes yes hi that's what i say too okay so oswald invites you to sit at a table um he points to the bar and he says this is ambrose anything you would like to drink
00:12:49	DM	it's on the house he looks at you asking if you would like anything ales barleys any kind of beer you name it uh we have a stock of wine we really don't carry hard liquor though it's just not our style all right he slaps a nail on the table and he says on the house of course we love guests oh you know we get traders and travelers uh they come by every couple every couple weeks adventurers like yourself maybe every several months uh but we're happy to have anybody we're very prosperous and we're willing
00:13:28	Gren Greenmantle	Do you get many guests here, Ambrose? Just some water for me, please, Ambrose.

00:13:48	DM	to share ambrose says well i mean you could cast a spell uh sometimes some people can cast spells in ways that i can't see but uh what are you trying to do but yes that's the rule there's most spells if have either verbal somatic or material components which means you're speaking in weird languages or you're waving your hands with spell motions um so usually they can tell if you're casting a spell gren i think has an ability to cast spells subtly which makes it as if he can cast magic and he would be perfectly still and no one would know he's casting the spell and as when as when apple apple white sort of looks the rest of the group and says just one of you's drinking
00:13:53	Thomas A. Invictus	if i cast the spell in here are they going to notice they don't i do we um i i dm i'm asking
00:15:00	DM	all right another one gets slammed on the table for jetting very well we've got the best water fresh from the dockside and purified and filtrated for the for the tiny pellets like yourself here you go and he slams it down i would expected you for an ale man sir but here you go and he slaps another water down this time he go he gives you a very big tall glass morgash not like the little glass he gave grun big glass for a big guy oh oswin sort of kind of looks at you and smiles and says adventures yes
00:15:03	Jetten Elisedil	I'll have an ale as well. Good fellow.
00:15:33	Morgash the Gravemaker	Also water for me, please.
00:15:50	Morgash the Gravemaker	I think that... Thanks. It's not time to potty yet. Once we have one of our adventures, then I will drink.
00:16:08	DM	now tell me your story pieces pieces of not really you seek peace there's plenty of peace here we're a great town we're very wealthy we have abundant farmlands there's nothing but happiness i think your story said you had developed a sign language but between the two of yourself so
00:16:14	Morgash the Gravemaker	Well, we came here sticking the pieces. Do you know what I'm talking about?
00:16:31	Morgash the Gravemaker	Probably their direction is a good starting point for us, too.
00:16:49	Thomas A. Invictus	a question i don't remember but i thought that jetton and i know sign language i can't remember if we do but i thought we did do we know sign language so i'm i want to communicate with
00:17:07	DM	that's we'll say you have it that's fine oswin looks at you are you casting magic sir oh okay uh odd but you do look like a a learned warrior a paladin of some sort so i defer to you uh on the road well we are in the misty forest this is sort of feyland i'm sure you know um odd is kind of the middle name around these parts there's etter caps and will-o'-wisps haunting the woods and and fairies that pop in and out but uh nothing comes here to bother us everything is good here

00:17:12	Thomas A. Invictus	sign language with jetton no no it's just a twitch i have okay yeah it's a tip um i'm searching for
00:17:15	Jetten Elisedil	Okay.
00:17:15	Jetten Elisedil	Well, we should find a merchant and some accommodations, fellows.
00:17:37	Gren Greenmantle	Tell me, Oswin, have you heard of any strange happenings on the road?
00:18:10	DM	hmm the broken heart uh i think that's like uh a relic or something like that there are some adventures that came several months ago they were looking for a broken heart too sadly they never came back i don't know they just said they had to look for four different ruins and they thought it was in one of the four but they weren't sure which and they were gonna go and and see which one it was at right you know they asked me a couple directions i pointed different ways and it's been a while that's all i know not in green rest sir there is no crying here
00:18:17	Gren Greenmantle	Tell me, have you heard of the Broken Heart? Do you know where they were off, where they ventured?
00:18:42	Gren Greenmantle	The Hobgoblins. The Hobgoblins. Well, the Blights. They were Blights and Ettercaps.
00:19:09	Thomas A. Invictus	a band of thieves do you know of any criminal activity in these parts we did run into a few monsters on our way through the forest seemed unusual we came in from from the road that leads to daggerford and on the way in we encountered we had several on the way in off the tradeway
00:19:20	DM	we have a well-fortified garrison for outside threats but here there is no crime nobody is wanton everyone's belly is full everyone is educated and no one wants for anything hmm
00:19:43	DM	monsters where what were they and then all sudden another person comes up oh i'm constable warrenholt what monsters are you talking about i run the garrison here and all of the protections of this town there's something we need to know on on the trade way hmm okay bandits probably all right
00:20:17	Thomas A. Invictus	once we were off the tradeway well first on the tradeway actually we ran into uh what were the uh i can't remember who they who we fought in there but there was like that cave by the bridge
00:20:35	Thomas A. Invictus	the hobgoblins and then we went to the forest and battled some strange tree uh plant like magic creatures and then we found a cave not far from town full of uh all sorts of creepy things that we had to fight how is it that you get goods that you do so much trade with the outside world no one seems to have heard of this town outside of uh in daggerford no one knows much about this town
00:20:37	DM	oh well i mean well we have our select sort of trading partners we don't advertise honestly we really have no need most people come here for the syrups from our from our fruits um but i'm kind of surprised because we do trade with people not many we really don't need to we have everything we want here

00:21:10	Thomas A. Invictus	thank you mayor one more question for you what what roads do you have or pads that lead in and out of
00:21:36	DM	what were these creatures that are you talking about the bandits are of no concern of mine i don't care about the trade way lights well that's just a problem of the misty forest bay energy gone bad that happens better caps well they love to feed on the fae and he looks at you gran you should know they like to feed on fae and the will-o-wisps well i've heard of a couple they like to lure people into dangerous areas and feed off of their corpse maybe that was it i don't know we would never let a will-o-wisp into this town and we wouldn't be stupid enough to follow one you followed one that's warren holtz you're talking to um oh okay yeah okay well everybody makes mistakes i'm and then he kind of whispers to you i think i know the mistakes that those
00:21:46	Gren Greenmantle	And the Will-O-Wisp, too. And they never come into town.
00:22:26	Gren Greenmantle	And, uh, well, I'm going to take the fifth on that one, Oswin.
00:22:37	Gren Greenmantle	You know, Warren Holt, Constable.
00:22:44	Gren Greenmantle	We did.
00:22:44	Gren Greenmantle	Oh, we've seen signs and snippets of information from various sources about a relic called the Broken Heart.
00:22:50	DM	adventurers made before come to the barracks and i'll tell you i don't want to bother oswin of such things and he says so yes i have to get going i'll see you later goodbye and he walks out as one says whoa yes there's plenty of merchants there's um selma the apothecary do you need potions uh you can go to the full larder they've got a full larder of supplies and you're welcome to stay at this inn and in the upstairs for as long as you like no charge we love our guests you don't have to worry about a penny here good sir well one of them is the road that we saw you come uh let me think that's usually
00:23:12	Jetten Elisedil	If we're here to stock up, Selma has the apothecary.
00:23:45	Thomas A. Invictus	this town that you use to trade for people to come in and out but as far as you know that that road
00:23:57	DM	the main road there's other paths uh outside the the town north south east west ish about um um but they're not really well traveled you know it's more for you know if you want to leave the town and go foraging or if the garrison folks scout a little bit but you took the main trail i think i don't know i've lived here all my life never left no desire to this place is perfect yes but that's how you got here right that's how all the others get here what's this thing that you're looking for again
00:24:28	Thomas A. Invictus	connects up to the tradeway eventually all right well i say let's go uh to the store did you ever see

00:24:50	DM	i've yes yes we helped them and we hosted them too they were looking for the same thing uh yeah we pointed them to um some caves i think we don't we don't want to go there really but we showed them the what we we gave them directions we did our best gave them a full supply of goods i don't uh the lady of night no sir they would not be welcome here not by a long shot if they did they would be killed
00:25:08	Gren Greenmantle	Rumors that it is from somewhere around here. Like you said, there was previous adventurers who were looking for it. Yeah. Have you had any encounters with priests of the Temple of Shar?
00:25:56	Gren Greenmantle	Yeah. But none have ever tried to enter?
00:26:04	DM	if they did and we didn't know about it what can i say sadly no either they got what they were looking for or they didn't quite get what they were looking for it could be hey you know i i don't know what you know and i didn't know what they know the constable helped people out with that i i'm here to keep the peace in the town um i have heard of this this relic i heard rumors that there's four of them i've heard rumors that there's one of them maybe it's all the same thing i'm not sure uh a couple years ago someone came looking for the same thing and we never saw them again either quite frankly life is
00:26:10	Thomas A. Invictus	those adventures again but we appreciate your hospitality i think we'll go search look explore
00:26:31	Morgash the Gravemaker	And then we check what happened with them.
00:26:32	Gren Greenmantle	Oswin.
00:27:07	DM	good here they can do what they need to as long as everything is a status quo i'm happy okay well um just so you know up here you can find your rooms to sleep in there's some stairs upstairs like ambrose edge you're very welcome to stay here for as long as you want we have plenty of food plenty of supplies i'm sure that the full larder will ask for some money and so will selma but other than that you're our very happy guests anything else i can do for you i have to go back to the tower and sign some documents i grew up here oh what am i 40 something now my human years uh 15 years something like that
00:27:20	Thomas A. Invictus	the town now for ourselves of course not at the barracks you know i think let's stop this
00:27:55	Gren Greenmantle	That sounds wonderful, Oswin. How long have you been mayor here?
00:28:09	DM	we don't really have elections the town just sort of votes who wants to do all the bureaucracy everybody's happy what they do here there's no need for any other work off i go if you want me i'm in the tower oh sorry what was that bye me too you oh hey what's up well it's funny you ask that i i think it's from all of the apples that i eat here um and he is kind of chubby as you look at him uh but honestly i'm just a child and even though i'm a halfling um i'm taller than you buddy so
00:28:23	Gren Greenmantle	Bye, Oswin.

00:28:28	Gren Greenmantle	He said bye. Wonderful meeting you.
00:28:35	Gren Greenmantle	Um, I'm Gren, by the way. I'm talking to Pep right now. Hey, are you... You seem awfully big. So, Pep, I make... I'm going to cast a minor illusion of a green dragon. And say, have you seen anything that looks like this? Have you heard of anything?
00:29:06	DM	yeah okay cool oh sure go ahead and you do so oh i see it so yes grand you wiggle your arms and give a little twitches with your finger and the image of what you believe to be a green dragon appears in front of you pip looks at it with his big halfling eyes wide and says oh my god that looks ferocious but i've never seen anything like that and i hope i never do
00:29:15		Gren Greenmantle: Minor Illusion Illusion You create a sound or an image of an object within range that lasts for the duration. See the descriptions below for the effects of each. The illusion ends if you cast this spe ...

00:29:28	Gren Greenmantle	Yeah, I did so. Are you friends with the mayor, Pep?
00:29:58	DM	i mean everybody is um you know it's it's a good place he's a nice guy why well everybody's friendly here there's no reason not to be um but you know i have to ask you like the adults don't say it as much but but did the black cats follow you too uh well they sort of followed the other adventures that came well they had like too many legs or something and it was weird and they kind of circled around the town until they left and it was strange but i didn't tell anybody because i don't want to bother them oh well maybe you should tell somebody about it because i don't want the bear to get killed he's a
00:30:08	Gren Greenmantle	Just curious. He seems like an awfully friendly man.
00:30:33	Gren Greenmantle	What do you mean, black cats?
00:30:53	Gren Greenmantle	Oh, well, we saw some strange tracks up near the mayor's place. Yeah. Hey, Morgash, what do those tracks look like?
00:31:06	DM	really good mayor that i know yeah like big black cats with with six legs something like that yeah that's what i saw they were sort of looking in the forest and then you guys came out and they scattered i don't know maybe like an hour ago uh there like like imagine you laying down and then another you on top of that they're like that that big i think yeah i like to wander um i saw them with the first adventurers and i just caught a glimpse of them with you guys uh sure come on outside
00:31:10	Morgash the Gravemaker	Yeah, they look like probably an animal with multiple legs. I think it's very well your description.
00:31:27	Morgash the Gravemaker	Probably. Do you know... How big do you saw them? How big do you think they are?
00:31:36	Gren Greenmantle	When was this, Pep?

00:31:43	Gren Greenmantle	Hmm.
00:32:04	Morgash the Gravemaker	And you saw them from the town?
00:32:04	Gren Greenmantle	Is it?
00:32:14	Gren Greenmantle	You think you could show us where you saw them?
00:32:19	DM	you you want to follow me okay all right so he leads you along the exact same trail that you entered in he points up the hill to where forest broke out into the clear town and he said right up there sirs um what are you guys here for by the way a broken heart i heard people talk about it but they don't they don't they don't like to talk about it when i'm around so i just don't ask questions
00:32:22	Gren Greenmantle	Yeah.
00:32:39	Morgash the Gravemaker	Okay.
00:32:43	Gren Greenmantle	Oh, we're looking for shards of a broken heart. Have you heard of anything like that?
00:33:02	Gren Greenmantle	Hmm. Well, if you hear anything... I flip him a gold piece. Well, thanks.
00:33:08	DM	i honestly don't need gold i have everything i need here sir have it back but if there's anything i can do i kind of like adventure i'm here to help i mean i don't want to be a gossip but i heard the mayor talk about it i heard the constable talk about it um selma talks about it uh selma doesn't shut up sometimes usually i'm kind of like hiding behind the walls and stealing her grapes but i overhear that stuff um she's at the apothecary yeah that's right um yeah that's right uh your name was jetton yeah
00:33:14	Morgash the Gravemaker	Thank you. So... Later, when we see you, if you could point or show us the people that you heard talking about it, that will be very great. And will be very helpful for us.

00:33:52	Gren Greenmantle	Where's Selma?
00:33:57	Jetten Elisedil	Well, if you want to continue asking questions, guys, we can go over to see Selma, or we can go to the larder and start to stock up on supplies before we head out.
00:34:02	DM	cool um yeah okay all right um cool don't tell anybody i'm gossiping okay okay all right i'm gonna hang out on this little bench here and finish my root beer thank you okay uh yeah i forget how you got
00:34:09	Gren Greenmantle	All right, Pep. Well, nice to meet you.
00:34:19	Gren Greenmantle	Oh, that's not gossip. That's just providing us useful information. Thank you very much.

00:34:43	Gren Greenmantle	Okay. Also, the constable said to meet him and ask him about what really happened to those adventures. So, should we head off to the larder? See what they have for us here.
00:34:50	Jetten Elisedil	Exactly. Yeah, I would say, let's see what's in the larder first.
00:34:53	Morgash the Gravemaker	Yeah, we should go on and check.
00:34:54	Thomas A. Invictus	self first a pleasure how do we sell stuff back stuff in our inventory to her yeah i'm trying to figure
00:35:08	Gren Greenmantle	We have a lot of gold. I got 314 gold somehow. Is that right, Matt?
00:35:16	DM	it but you do have it um all right off and off to the full larder he said lay morgash down and then lay another one down and they're that long right so um you go to the full larder and you stand outside the door and an old lady already sees you and she says come on in come at it i heard all about you you're jetton you're thomas you're morgash and glenn this town is small and we love to talk i've got anything you could possibly want let me show you what i've got and you can go over click on
00:35:18	Gren Greenmantle	Yeah.
00:35:26	Jetten Elisedil	And I wanted to tell the rest of the party, I said, I think we should be careful of these cats. They sound like some creatures that I've encountered before in my travels that prey on adventurers. So we'll have to deal with them when we head out.
00:35:44	Morgash the Gravemaker	They're huge. They're since we were big. The way that the kid described them, she was that they're very big.
00:35:49	Gren Greenmantle	Was he saying one of Morgash on the ground or one of Gren on the ground?
00:35:58	Jetten Elisedil	Morgash. Yeah.
00:36:02	Gren Greenmantle	Ooh, that's big.
00:36:30	DM	her and she is a merchant yes we we stock up uh adventurers trade with us and we usually give them the finest of jams jellies apples syrups honeysuckle you name it if it speaks of prosperous
00:37:00	Jetten Elisedil	She's got quite a bit of supplies, gentlemen.
00:37:05	Gren Greenmantle	Yeah, she's got some nice stuff.
00:37:06	Gren Greenmantle	I'm going to try and sell the pouch of cut gems from the party thing.
00:37:27	DM	farming we've got it sir yes you can drag your stuff and she will offer to buy i'm gonna go get
00:37:36		Loot Shelf: Morgash the Gravemaker bought 1 × Pike from Mother Wend for 5 gp.
00:37:49	DM	a drink of water while you guys shop okay i'm back on top of the merchant screen so when you

00:37:53	Jetten Elisedil	Good idea.
00:37:58	Jetten Elisedil	Well, I definitely need to buy some arrows and things like that. So let me see.
00:38:08	Thomas A. Invictus	out how to i want to sell a few things back to her first you said drag it in anybody think and then
00:38:09		Loot Shelf: Morgash the Gravemaker bought 1 × Greataxe from Mother Wend for 30 gp.
00:38:26	Gren Greenmantle	Let's see how that works. It didn't work.
00:38:43	Jetten Elisedil	So I think that those are displacer beasts, the beasts they're describing, guys. That's what it sounds like to me. So if we encounter them, that's going to be a big fight.
00:38:44		The Party: Pouch of Cut Gems Gemstone A twist of cloth holding three small polished stones — a bloodstone, a piece of banded agate, and a smoky citrine. About 90 gp the lot.
00:38:44		The Party: Pouch of Cut Gems Gemstone A twist of cloth holding three small polished stones — a bloodstone, a piece of banded agate, and a smoky citrine. About 90 gp the lot.
00:38:47	Gren Greenmantle	Ooh. So, we drag something from our inventory on top of her?
00:39:01	DM	double click her you see your inventory you can drag it and she'll make an offer yeah yes it even says
00:39:03	Gren Greenmantle	Oh, okay. Okay, got it. Okay, got it. All right. So, she does half.
00:39:07	Thomas A. Invictus	yeah that's where i am okay good i did it i just bought more than one javelin and i'm wondering
00:39:12	DM	buys back at 50 percent so your um your weapon masteries are on you know anthony just you know
00:39:14	Gren Greenmantle	Okay.
00:39:16	Jetten Elisedil	Yep. Sells back. Buys back.
00:39:18	Jetten Elisedil	Did we sell the gems or did we sell?
00:39:26	Gren Greenmantle	I'm going to...
00:39:38		Loot Shelf: Thomas A. Invictus sold 1 × Longsword to Mother Wend for 7 gp 5 sp.
00:39:38	Gren Greenmantle	A lot of javelins.
00:39:58		Loot Shelf: Morgash the Gravemaker sold 1 × Battleaxe to Mother Wend for 5 gp.

00:40:28	DM	and i don't honestly like if you got the weapon just apply the mastery i'm not going to track you've trained it that day or not it's just kind of tedium if you if you're able to do weapon mastery and you're wielding the weapon use whatever the mastery is i do have a couple magic items uh sometimes people bring them and they buy extra bushels otherwise they trade things like uh the swords
00:40:39	Morgash the Gravemaker	Okay.
00:40:40	Morgash the Gravemaker	Right now, I shall be 18.
00:41:05	DM	you just gave me mr invictus you just let me know what you want and i'll try and find it um there's a on your inventory screen there's a quantity and oh not for the weapons though yeah you have 21 javelins
00:41:19		Loot Shelf: Thomas A. Invictus bought 15 × Javelin from Mother Wend for 7 gp 5 sp.
00:41:44		Thomas A. Invictus: Javelin Simple Melee • Slow Attack Damage Action Instantaneous 30/120 ft reach 5 ft Equipped Proficient
00:41:50	Thomas A. Invictus	how do i see that in my inventory i can't tell that i have more than one excellent cheap oh they have
00:42:08	DM	right now yeah uh but no we don't sir if that's there we don't like to sell those we're just a small little town if it's in my inventory somewhere it's not for sale uh sadly we just sold out
00:42:30	Thomas A. Invictus	muskets okay i'll take i'll take a musket uh here we go heavy armor already okay i'm in the party inventory
00:42:32		Loot Shelf: Jetten Elisedil bought 10 × Caltrops from Mother Wend for 10 gp.
00:42:39		Loot Shelf: Jetten Elisedil bought 1 × Bullseye Lantern from Mother Wend for 10 gp.
00:42:58	DM	that was a mistake yeah it was yeah their pistol too yeah you can always pull your money together uh there's something you want to buy something for one person or you know you can always come back to yeah i mean uh she's not going to give me any better deals and you're probably not going to be able to sell them anywhere else so i'll just give you that hint
00:42:59		Loot Shelf: Jetten Elisedil bought 20 × Arrows from Mother Wend for 20 gp.
00:43:00	Gren Greenmantle	A musket and a pistol. Yeah.
00:43:11	Gren Greenmantle	All right. Well, I'm a little shy to buy what I would want. So, yeah.
00:43:31	Gren Greenmantle	I didn't, but I can. It's 45 gold, so that's like 11.
00:43:44	Jetten Elisedil	I mean, that's not really going to move the needle.
00:43:52	Gren Greenmantle	Yeah.

00:44:08	Gren Greenmantle	And then I can transfer 45 gold to the party inventory. Or I can just add it, and then I'll take away from me. I'll add a 34. You guys can each take 11 from there. 34.
00:44:08		Loot Shelf: Gren Greenmantle sold 1 × Pouch of Cut Gems to Mother Wend for 45 gp.
00:44:17		Loot Shelf: Jetten Elisedil sold 1 × Quiver to Mother Wend for 5 sp.
00:44:27	DM	yep yeah if you if you sell something it should give the offer to put the gold in the party inventory not i'll add that okay i'll take that as a note technically it gives them a plus one i think no it
00:44:47	Gren Greenmantle	So, I don't think it did that. But it's fine. So, 325. All right.
00:45:05	Gren Greenmantle	All right.
00:45:11	Gren Greenmantle	Anthony, what's your strength?
00:45:16	Gren Greenmantle	More gash. So, 19 doesn't change anything for you.
00:45:17	Jetten Elisedil	Morgash. Yeah, I was looking at that. Let's see. I think I'm trying to see.
00:45:22	Morgash the Gravemaker	Let me verify.
00:45:28	Morgash the Gravemaker	Yeah.
00:45:33	DM	doesn't care no yeah yeah thomas is currently attuned to three items so if you attune to the
00:45:34	Morgash the Gravemaker	Mm-hmm.
00:45:34	Gren Greenmantle	No, not 18 to 19.
00:45:42		Loot Shelf: Thomas A. Invictus sold 1 × Bolt of Fine Cloth to Mother Wend for 12 gp 5 sp.
00:45:48	Gren Greenmantle	Maybe I should get a short bow and bracers of archery.
00:45:49		Loot Shelf: Thomas A. Invictus sold 1 × Small Cask of Southern Wine to Mother Wend for 9 gp.
00:45:54	Gren Greenmantle	The sentinel shield's really good.
00:46:05	Gren Greenmantle	Anyways, I'd be glad to... Wait. I'd be glad to... Everybody should take 11 gold from the party inventory. If anybody wants to borrow money to buy something, I've got money. I'd want the Pearl of Power, but it's not that big of a deal. I can wait.
00:46:31	Jetten Elisedil	Well, so you have to click on the gold and then there's a function to transfer and you have to click 11 gold pieces and you have to click your character and then you have to click transfer. Thomas, what's your strength?
00:46:34	Thomas A. Invictus	now what do i do if you want me to hang on a sec um 16 no i didn't get to that yet there's a lot of

00:46:39	Gren Greenmantle	Just decrement it by 11 and add 11 tiers, I think.
00:47:01	Gren Greenmantle	Oh, we can see their characters. He's strength of 16.
00:47:04	Jetten Elisedil	So the gauntlets might be helpful for Thomas.
00:47:11	Gren Greenmantle	Yeah, they definitely would be. All right.
00:47:17	DM	gauntlets you would have to remove one you are attuned to stone of good luck the cloak of protection and your first light and in dnd you can only attune to three magic items they basically set your strength
00:47:18	Gren Greenmantle	I'll be back in a minute.
00:47:30	Jetten Elisedil	Thomas, did you see the effects of the gauntlets of ogre power? Okay.
00:47:46	DM	to 19. hmm must be away yep yes recall that they mentioned selma was an apothecary yeah so if you
00:47:58	Thomas A. Invictus	stuff in here okay where's these i'm scrolling to them now hang on i don't have that much let me see
00:48:12		Loot Shelf: Thomas A. Invictus bought 6 × Torch from Mother Wend for 6 cp.
00:48:27	Gren Greenmantle	Yeah, we can sort of pool gold.
00:48:36		Jetten Elisedil: Longbow Martial Ranged • Slow Attack Damage Action Instantaneous 150/600 ft Equipped Proficient
00:49:01	Jetten Elisedil	Anthony, do you have whatever supplies you need?
00:49:20	Morgash the Gravemaker	Sorry. Can you hear me now? Okay. Yeah, yeah. I have everything that I need. I just needed to buy some healing potions, but it's in probably another version, right? Or...
00:49:22	Jetten Elisedil	Yes.
00:49:35	Jetten Elisedil	Right. That's at the apothecary.
00:49:38	Morgash the Gravemaker	Yep. I got the battle... I sold the battle axe, bought a great axe and a pike. That's what I needed.
00:49:47	Jetten Elisedil	Okay.
00:49:53	Jetten Elisedil	Thomas, do you have enough money for the gauntlets?
00:50:05	Jetten Elisedil	They're 400.
00:50:13	DM	click the if you click the party icon you can see everybody has about 300 gold yeah uh cloak of
00:50:18	Thomas A. Invictus	if i if i got that then i would have to take off something too right so let me see what i have on
00:50:23	Jetten Elisedil	Yes.
00:50:29	DM	protection um your first light and a luckstone are what you're attuned to so you can drag that in the
00:50:46	Gren Greenmantle	Local protection.

00:50:49	Gren Greenmantle	And you have a plus one shield. Nice. Dose of... Oh, first light.
00:50:58	Thomas A. Invictus	yeah and i already have splint armor so i noticed that was in that as the lady has that so i'd have to uh let's see the stone of good luck gives me plus one to ability checks and saving throws welcome protection gives me a plus one to armor class and saving throws i'd have to get give i have to stay tuned to first light so i'd have to give away one of those i mean i undo one of them uh yeah okay why don't i do that then let's i'll give that to you and then i need some gold in order to buy this
00:51:32	Gren Greenmantle	I'd be glad to take the stone of good luck. It's good for concentration.
00:51:54	DM	party stash and then and then uh grand can take it you can actually just transfer gold click on the set of coins you can click on uh thomas evictus and you can transfer you know you know
00:52:03	Thomas A. Invictus	thing the stone is the stone supposed to hit now i i'm sorry i'm gonna have to ask for all this stuff
00:52:05	Gren Greenmantle	Yeah, I'll just put some gold in there. Hold on. I have to find my party and my... So, I click on my... I click on my coins.
00:52:17		Loot Shelf: Morgash the Gravemaker bought 1 × Dice from Mother Wend for 1 sp.
00:52:29	Gren Greenmantle	We're in my party inventory?
00:52:32	DM	in your inventory um um sorry i'm if you look where your gold is set uh there's a set of coins next to yes and then you can type in and instead of sending it to the party you can just send some directly to thomas just check him oh um can you transfer it to the party yeah and then he can grab it from there
00:52:33		Thomas A. Invictus: Stone of Good Luck (Luckstone) Wondrous Item Wondrous Item, Uncommon (Requires Attunement) Dice winnings. The man who lost it swore its luck was all used up. Every day since has suggested otherwise. Whi ...
00:52:33	Gren Greenmantle	Yeah.
00:52:38	Gren Greenmantle	I'm there.
00:52:41	Gren Greenmantle	Yeah, I see that.
00:52:46	Gren Greenmantle	Oh, okay. I click on the coins to the left. Okay. Transfer. Oh, it just... I don't see... I don't... He's not listed on there.
00:53:05	Gren Greenmantle	Yep. I'll just... I put 200 into the party inventory.
00:53:07	DM	the dm thing mm-hmm and then there's a tab called inventory yep that made its way so tom you could grab it
00:53:13	Thomas A. Invictus	but the stone of good luck yeah that sounds good and then i'm gonna i'm trying to drag the stone of good luck into the party but when i do that did that work didn't work i have the window open over on the right with the actors and i the party okay so then i'll drag this way yeah got it in okay now

00:53:55	Gren Greenmantle	Yeah. I grabbed it. I'm gonna... Can I just attune it?
00:53:58	DM	and then yep and then thomas yeah um so cost 400 you could just take 100 and you'll have enough so you could collect the little coins to the left there you go perfect and now you could go buy yeah i saw i see it decremented so i'm just gonna oh you got it you have 430 now you're good so now you should
00:54:01	Thomas A. Invictus	and then how do i take them now i need to take 200 that he just gave me and then you also wanted me to take how much like 11 or something i'm sorry how much money do you want me to take out of the
00:54:15	Gren Greenmantle	Yeah.
00:54:34	Gren Greenmantle	We... Nice. That's a plus one to hit and a plus one to damage. That's a big boost.
00:54:39	Thomas A. Invictus	party inventory guys there's 212 in there now i have the gauntlets on are there any other sundries
00:54:44	Jetten Elisedil	100 so that you can take or 111 so that you can buy the gauntlets. So, guys, I could use the bracers if I can take 80 out of that.
00:55:06	DM	just be able to go and buy the gauntlets cool yeah and then i think you also have three attunements old thorn cloak of elven clined oh no you have two you're good all right yes your strength now shows
00:55:30		Loot Shelf: Thomas A. Invictus bought 1 × Gauntlets of Ogre Power from Mother Wend for 400 gp.
00:55:37	Gren Greenmantle	Go for it. Take it. Take it.
00:55:46	Jetten Elisedil	Yep.
00:55:59	Jetten Elisedil	Do you feel stronger?
00:56:02	Gren Greenmantle	Nice. Let's go kill some monsters. I want to talk to the constable, though. I want to find out what happened.
00:56:03	DM	is 19. all right i think to use a wand you have to be able to cast the spell that a wand is charged for
00:56:08	Jetten Elisedil	I better buy this first.
00:56:16	Jetten Elisedil	It's not a Ponzi scheme. All right. Let's see.
00:56:26		Loot Shelf: Jetten Elisedil bought 1 × Bracers of Archery from Mother Wend for 400 gp.
00:56:27	Jetten Elisedil	All right. I'm all set, guys.
00:56:29	Gren Greenmantle	Daylight spell.
00:56:32	Jetten Elisedil	Yeah, let's talk to the constant. There is a Wanda magic missile.
00:56:35	Thomas A. Invictus	that you anybody thinks might be like i noticed there's a wand a magic missile in here is that could that yeah and any and i'm pretty sure anybody can use that it's 400 gold pieces but i i'm pretty sure like anybody could use that you're not you know and then we'd have like multiple magic missile can

00:56:41	Gren Greenmantle	Holy shit. Really? That's amazing.
00:56:49	Gren Greenmantle	Yeah. But it's... It's a really good... It's a great item. I did...
00:56:56	Jetten Elisedil	Yeah, all the magic items seem to be that.
00:57:08	Thomas A. Invictus	use me too magic metal and there's another good item in there if you called pearl of power did you
00:57:15	Gren Greenmantle	Yeah.
00:57:18	Gren Greenmantle	Yeah. I would definitely want that. That... That is very useful, because I have limited spells.
00:57:25	DM	so clicking clicking on the party tab you've got 300 because you put it all in the party stash and you you had no but you bought don't you sold your gems you put yeah no and i don't see you buy anything so i'll just put an extra 100 in the party stash for whatever reason so morgash has 220 not 296 if you wanted to fund your missiles then you could probably afford them you want to do that so you want to hold
00:57:25	Jetten Elisedil	Well, how much do we have left, guys? I have three gold pieces.
00:57:29	Gren Greenmantle	I have... Wait. Why do I only have five gold?
00:57:36	Gren Greenmantle	No. I only put 200 in this party stash.
00:57:39	Jetten Elisedil	Didn't you buy the pearl?
00:57:43	Gren Greenmantle	No. I had like 320... I had over 300.
00:57:56	Jetten Elisedil	You had \$3.50 something.
00:57:58	Gren Greenmantle	Yeah. Minus... Yeah.
00:58:06	Gren Greenmantle	It should be... Yeah. That should be like 120 more.
00:58:21	Morgash the Gravemaker	I'm just saving a little bit of money to buy some healing potions. Everything else, we could use for something else.
00:58:21	Gren Greenmantle	Yeah.
00:58:28	Gren Greenmantle	Yeah.
00:58:30	DM	off there's 221 in the stash gran is five jetton is three morgash has 196 and then victus is 30.
00:58:31	Morgash the Gravemaker	How much do you guys need? How much is needed?
00:58:33	Jetten Elisedil	How much do you need, Grant, a party?
00:58:35	Gren Greenmantle	The 200... 280 total.
00:58:44	Morgash the Gravemaker	Let's... Let me put 100 in the party stash. Just one second.
00:58:49	Morgash the Gravemaker	I have, uh...

00:58:51	Gren Greenmantle	I'll give you my healing potion, too. Hold on. Where's my healing potion? I know I have a healing potion.
00:59:04	Thomas A. Invictus	guys see that one i think that magic that's pretty awesome constable how do you feel about possibly
00:59:05	Gren Greenmantle	Yeah. I mean, it's good. It's nowhere near as good as a wand of magic missiles. Because that recharges every day.
00:59:18	Gren Greenmantle	Anthony, take the potion of healing from... I just... I just put two in... Or I put one or two in there. It says there's two in there. So grab them out.
00:59:47	Gren Greenmantle	Yeah.
01:00:01	Gren Greenmantle	Alright. Do you have enough healing potions, Anthony?
01:00:12	Morgash the Gravemaker	Seems that I have six. Probably is enough, so... Let me put another 100. Oh, you need... Oh, you need another... Okay.
01:00:16	Gren Greenmantle	Yeah.
01:00:20	Gren Greenmantle	Well, I... 180. 179. I'll pay... I'll pay you back. I'm good for it. Awesome. That's a... That's a really good item. I think I have 400 now.
01:00:32	DM	exactly 400 for you yeah i'll fix that oh oh it probably does it to make it more efficient currency wise it'll it'll convert yeah oh yeah because you have 32 platinum so there's that okay so let me fix that
01:00:54	Gren Greenmantle	That didn't transfer it to me. That transfer thing is... I think... Oh, you know what? It's platinum. It turned it into platinum.
01:01:04	Jetten Elisedil	40 platinum.
01:01:07	Gren Greenmantle	Yeah. Okay. A platinum's worth 10 gold? I should have 400 gold. 400 gold. Yeah. But... No. But I took it... There should be five gold left in here. Alright. Anyways. Alright. Okay. Yeah. Alright.
01:01:26	DM	yeah there's something weird but close enough okay so go buy your thing um find it there's the thing that says buy all right excellent all right well mother one says that's it uh i've got pots to clean over here let me know if you need anything else you're welcome good luck with whatever you're searching for
01:01:33	Gren Greenmantle	Doesn't even require attunement. How do I buy it?
01:01:48	Jetten Elisedil	Click on her.
01:01:51	Gren Greenmantle	I have the inventory and I'm like clicking on it.
01:02:01	Gren Greenmantle	Alright.
01:02:03		Loot Shelf: Gren Greenmantle bought 1 × Wand of Magic Missiles from Mother Wend for 400 gp.
01:02:20	Jetten Elisedil	Thank you.
01:02:21	Morgash the Gravemaker	Thank you.

01:02:24	Jetten Elisedil	Are we going to go see the con? Are we going to go see the constable now, fellas? All right.
01:02:25	DM	uh the broken heart i think that's like a relic or something i've heard people asking for it um but i know it's like spread around in the forest hi so where are you headed to countable garrison okay
01:02:29	Gren Greenmantle	Yeah. Let's do that.
01:02:32	Morgash the Gravemaker	Oh, before we leave, do you... have... to know anything about the... broken heart?
01:02:56	Morgash the Gravemaker	Okay. Thanks.
01:02:59	Morgash the Gravemaker	I could be the mate.
01:03:08	Jetten Elisedil	Constable.
01:03:08	Gren Greenmantle	The constable.
01:03:32	DM	uh there's sort of like a little castle-like structure in front of you and inside you can see number of people training right um yeah here's a picture of the garrison if you'd like to see it which is now added to your journal as well as the where have you been the long rest you've been there there's tower okay um the constable yes uh you see a bunch of people training but you do not see the constable
01:03:48	Gren Greenmantle	I've seen this map before.
01:03:57	Gren Greenmantle	I don't see the constable though.
01:03:58	Gren Greenmantle	No. I was sort of...
01:04:41	DM	yet they all kind of look at you and then they begin your their exercises again some warriors are sparring another warrior wizard girls little fire bolts at a target dummy and um a door opens and constable warrenholt comes out says oh you came that was fast i think i do i didn't i just don't want to bug the mayor with this um but my scouts have told me that there's some displacer beasts that are lurking around here have you heard of them like what they are not the specific ones okay uh you tell me what
01:05:12	Jetten Elisedil	Thomas.
01:05:13	Gren Greenmantle	Go on.
01:05:15	Jetten Elisedil	No, I was going to suggest. Well, actually, Grant, why don't you, since you're the one that spoke to him, why don't you find out what's up?
01:05:22	Gren Greenmantle	Yeah. Um... I was curious constable. You mentioned that you might have known what happened to the previous adventures. Though you were a little hesitant to talk about it in front of the mayor.
01:05:35	Gren Greenmantle	How do you suggest hunting them down?
01:05:50	Jetten Elisedil	I have.

01:05:54	DM	you know and i'll tell you what i know that's that's pretty good uh there's a little bit more information than that um let me tell you what i know and what i think happened so you scroll down your bestiary the displacer beast says they're large cat-like creatures they are uh from the fey wild or they hunt fey they have large tentacles for appendages and and six legs and here's what i think happened um um what i think happened was they were basically stalking the party and when they got to the town they dare not come in here and they probably followed them to wherever they were going
01:05:56	Jetten Elisedil	Well, I know there are very dangerous creatures that prey in the Feywilds. They inhabit the forest in the east as well as here.
01:06:46	Jetten Elisedil	I'm wearing my displacement beast shirt, guys.
01:06:52	Jetten Elisedil	Yeah, but, Thomas, these creatures are hunters.
01:07:04	DM	waited for a week time when they were weak and killed them my scout said that they attacked the other adventurers they called themselves the kestrel company um you guys don't have an adventuring name do you never mind but um yes they my scout said they they killed them in an old temple uh as far as i know these things will follow their prey till the end of time until they kill it they've latched on to you like they did the others they'll wait for you when you're at your weakest they'll jump you and you'll kill you my recommendation kill them first before you try anything else because you come home wounded they're gonna jump you when you're wounded i don't know what else to tell you i don't think they're that quite stupid uh i'm happy to help you if you happen to make that work but everything i know
01:07:56	Thomas A. Invictus	having us lure them closer to the town and then you and your men could assist with uh trying to kill them and maybe there's a maybe there's a way to lie and wait for them and shoot and shoot them from you know ranged weapons or something like that and then draw them closer to to you guys
01:08:16	DM	is they're not gonna attack unless they think they have the advantage you're very welcome i i wish i could help more but wait actually i can um and he walks you outside and he points out into the woods a little bit to the north and he says i think they headed out that way and that's where i never saw them again
01:08:43	Jetten Elisedil	So I think that they're going to be the ones stalking us. I mean, think about giant, magical cats. It's going to be hard to sneak up on them.
01:08:58	Jetten Elisedil	But, Constable, thank you. That information was good to keep us forewarned. And, Constable, how many of these creatures did you see?
01:09:09	Thomas A. Invictus	how about if we have some of your men i hope a little bit off in the distance with

01:09:25	DM	um and that's where my scout said that they found evidence of a battle they were a little bit nervous about looking around um they did see their their stash of uh items that they bought from the larder uh that might be a good place to start uh well i only see and poke through the woods um from occasion um two three maybe four i have no idea i just know they hunted backs well let's think about it they're predators uh they love the hunt they don't care about food they just want to kill um the best thing you could do is probably sit down and lure them to you and and uh make them think you're wounded or something and then have them attack and attack them at full strength that's how i do it
01:10:09	Gren Greenmantle	Do you have any tips?
01:10:43	Gren Greenmantle	Okay.
01:10:47	Thomas A. Invictus	ranged weapons ready when we do this who wants to be the bait there goes yeah yeah let's head back
01:10:50	DM	my men are for defining the town i am more than happy to help you in the confines of this town sir but quite frankly we don't leave the town and they don't come in here they're not our problem yeah
01:11:10	Jetten Elisedil	Thank you, Constable. Well, I think we should follow the Constable's advice, fellas, and let's go out. And unless we need more supplies, we should probably go out and try to find these beasts before we head out to explore the caves or the temples or whatever we decide. But it was towards the path that we came in on, going towards the north on the map. Well, it should be you or Morgash, one of the bigger guys. Well, or me.
01:11:12	DM	yeah you're very welcome yeah a part of you dies inside thinking such cruel thoughts
01:11:28	Gren Greenmantle	Yeah. Let's hunt them down. We know where their tracks were. Is that where he was pointing? Towards where the mayor's... Yeah. And that's where Morgash saw the tracks. So, uh... Should we... Like, uh... I can cast them in the least confusion. I don't think humans are that good though.
01:12:14	Gren Greenmantle	Let's get Pip to be the bait.
01:12:15	Jetten Elisedil	Yeah, I don't think there's anything else we need in this town unless you want to ask more questions.
01:12:20	Gren Greenmantle	Hey, Pip.
01:12:27	Gren Greenmantle	Should we buy a goat?
01:12:31	Gren Greenmantle	A sacrificial lamb? I haven't seen any goats.
01:12:31	DM	i haven't seen any goats in the village yet
01:12:36	DM	no uh based on everything you've seen everything is fruits vegetables and um bountiful grain
01:12:39	Gren Greenmantle	Oops. Um... Um... Well, I might be good bait. Uh... Matt, I cast a mage armor on myself, but it didn't... It didn't work.

01:12:51	Morgash the Gravemaker	I don't mind.
01:13:01	DM	did you target yourself any grass yeah or you can just yeah i don't see oh you have to you have to use the arrow to point the effect look on your card yeah look on your card the card in the chat window you cast it and it's targeted arrow to push effect i will say it's getting late in the day though you might want to rest and just spend the night okay there you go it's late afternoon is there anything
01:13:01	Gren Greenmantle	I did it earlier. I did. I can try it again. But it doesn't give me the AC.
01:13:09		Gren Greenmantle: Mage Armor 1st Level • Abjuration You touch a willing creature who isn't wearing armor. Until the spell ends, the target's base AC becomes 13 plus its Dexterity modifier. The spell ends early if the t ...
01:13:18	Gren Greenmantle	The arrow?
01:13:23	Gren Greenmantle	Oh. Oh, okay. That's... I didn't have the... Yeah, let's go. Let's rest. But, um... No, I don't get that arrow to do the effect thing. All right. So, let's... So, let's... Let's... Let's take a room for the night and then go hunting for Displacer Beasts. Sound good?
01:13:48	Thomas A. Invictus	to the end yeah let's go have another yeah i'll have another ale and then go to go to bed just on
01:13:54	DM	else you'd like to do before you head back to the inn and take your room okay okay maybe you head back to the long rest um ambrose says oh back ready have some mails take them up to your room if you want they're up here go upstairs yeah of course he snaps his fingers and um several hour an hour later someone brings out a big stack of vegetables a chicken and you eat well sorry uh which person oh call oh oh hello
01:14:12	Gren Greenmantle	Yeah.
01:14:12	Jetten Elisedil	Well, I don't sleep.
01:14:16	Gren Greenmantle	Yeah. I'm pretty sure that, uh... Orwin is, uh... A devil in disguise. Okay.
01:14:35	Gren Greenmantle	Yeah. How about some dinner, Ambrose? Any stew? Thanks.
01:14:52	Gren Greenmantle	Awesome. All right.
01:14:54	Thomas A. Invictus	my way up to the room i'm just going to say hello to this hello right here call c-o-l hi sir i'm thomas invictus how are you oh we've been talking to some people on the town about this broken heart relic
01:15:07	DM	how are you sir i'm good uh my name's call what can i do for you uh i know of there's that there's relics uh around the town um i never heard them called broken heart before um but i know that there was a party here called the kestrel company several months back and something just honestly he looks around and he whispers it hasn't been right since i just i just something seems wrong they were i feel like they were onto something i don't know all my life sir my parents live in the cottage uh to the south oh i i mean

01:15:19	Thomas A. Invictus	that we're looking for have you heard of it how long have you lived here i just i just find it odd that
01:16:13	Thomas A. Invictus	the town is so wealthy but has very little in the way of trade with other places when you say something doesn't feel right ever since you saw those adventures what what do you mean by that
01:16:22	DM	honestly we don't need it everything that we could possibly ever want grows here if people want to come and trade with us and give us gold and magic items we're happy to we have more food in abundance than we could ever manage well they they said they didn't sleep well and i remember when i was a kid i didn't sleep well either um and you know after a while after selma helped me out the bad dreams went away and everything's fine but i don't know when they had the bad dreams it just made me think of when i was a kid and scared and lonely and i felt like everything was gone but that was so long ago i i just don't know oh uh well she has she has a potion that helps us sleep i think it's better that way we sleep
01:16:42	Thomas A. Invictus	the way guys in my inventory i have the green rest tonic it says you won't have any dreams for seven
01:17:15	Gren Greenmantle	How did... How did Selma... How did Selma help you out?
01:17:26	Gren Greenmantle	Does everyone... Does everyone drink this potion?
01:17:26	DM	peacefully everyone's happy honestly pretty much yeah i'm sorry i can't tell you more i i just i don't know
01:17:43	Thomas A. Invictus	nights that's probably the same thing i have one dose yeah let's yeah it can post guard and that's for
01:17:52	Jetten Elisedil	And I'm going to sit out here in a comfortable spot. I'll take a trance.
01:17:55	Gren Greenmantle	All right. Well, let's... Let's go spend the night without drinking the tonic.
01:18:02	Gren Greenmantle	Something's fishy about this town.
01:18:06	Thomas A. Invictus	sure well nice talking to you i appreciate you talking to us i was right to be suspicious of
01:18:13	DM	it's just maybe i'm crazy you'll be fine you're welcome sir okay all right is everybody gonna do a long rest then all right okay so um it's a very peaceful night the temperature is about perfect you you don't even have to open a window if you don't want to um you all fall to sleep except for jedin who goes into his elven trance thomas invictus you have a dream hold on yeah i'm gonna tell you a second
01:18:18	Gren Greenmantle	That's probably it, Carl. I think you're crazy. All right. I'm getting this room right here.
01:18:33	Gren Greenmantle	I'm gonna tuck myself in. Um... Yeah.
01:18:41	Morgash the Gravemaker	Listen... Did we got... Did we got a dream or something?
01:18:55	Jetten Elisedil	Sure.

01:19:00		Jetten Elisedil: Jetten Elisedil takes a long rest.
01:19:03		Gren Greenmantle: Gren Greenmantle takes a long rest.
01:19:12		Morgash the Gravemaker: Morgash the Gravemaker takes a long rest.
01:19:13		Thomas A. Invictus: Thomas A. Invictus takes a long rest.
01:19:16		Jetten Elisedil: Jetten Elisedil takes a long rest.
01:19:29	Morgash the Gravemaker	Yep.
01:19:29	Morgash the Gravemaker	We'll tell that I had a dream,
01:19:29	DM	thomas invictus oh hold on a second i know your story though yeah um anyways thomas invictus uh you have a dream um you're standing on a hill and you see what looks like a beautiful pale woman uh except her hair is made out of leaves of a beautiful white tree um you can see her cry and she's incredibly sad and whatever emotion she's having and for whatever reason she's having it it transfers a little bit to you and it reminds you of your own family the murder of your wife and your children and you can't help but
01:19:40	Thomas A. Invictus	this town they're giving us away all this free stuff there's got to be something strange here
01:20:36	DM	think how lonely you are and how sad that they're gone and you can never get them back and they're gone from this mortal world forever and despite the fact that you took an oath of vengeance you can't help but have nothing but grief gortash or morgash i'm sorry um you too dream uh you think back to your days in balder's gate when you had the romance with lazel the fiery warrior and you remember that day that you pledged your love to her and she looked at you and she said i cannot love someone in this world i must go fight and destroy my queen and she said to you goodbye my morgash i will remember you and she jumps on a red dragon and flies away and who you thought was the love
01:21:43	DM	of your life uh disappeared into the dark sky the sky goes hazy and you find yourself on a hill and you see a tree-like shaped woman uh the tree is white and instead of hair she has branches flowing through her head and you feel nothing but sadness and loneliness for the person that you loved has left you gren you too have a dream and you see a tree shaped like a woman with the leaves of hair white and glowing but she is sad and you feel the sadness with her and you feel the same kind of sadness that it looks like she has you think of the village that you lived in in the misty forest and how the elders asked you to leave and despite the fact that they

01:22:51	DM	asked you to go and explore the world you can't help but wonder did they not want you because you had the spell fire inside of you and you were different but you felt cast out unwanted unloved and you loved your town so very much and you feel nothing but loneliness and regret for the way that they basically asked you to leave um jetton you too dream i actually despite the fact that you are in a trance you also can dream um but your eyes are also open and you see the necklace that you wear glow a bright green and you too see a white woman with a head of leaves and she cries and you feel sad too you feel a loss of your sister from so long ago and how cruel it is to be to live a mortal life and that you have to live so long and hers was
01:24:03	DM	cut short and here you are left to live the life of a long-lived elf and there is your sister who can't have this long life that you had and those are your four dreams and eventually you all see morning
01:24:31	Thomas A. Invictus	the first thing i do is i get up and i tell everyone about my dream me too uh you grin does anyone know does anyone recognize that sort of creature uh i'll definitely do it can i roll that one at an
01:24:40	Jetten Elisedil	I, too, had a dream of a white woman and sadness. And then I tell everyone about my dream.
01:24:56	Morgash the Gravemaker	but I won't tell anything about it. Just that... I also saw the woman, but I won't give details about... my broken heart or anything.
01:25:15	Gren Greenmantle	Yeah. I also dreamed of her. And I was sad.
01:25:17	Morgash the Gravemaker	This is weird.
01:25:28	Gren Greenmantle	I don't know, but... I got a natural 20 on my religion check.
01:25:31	DM	you could make a nature check or a religion check whichever is whichever is your best okay and morgash nothing okay um gren and gren and thomas you both uh gren uh this is a natural one for you uh especially coming from misty forest and being so connected to the fae and thomas because you're so well studied um you're fairly certain the creature that you saw in your dream was what's
01:25:41	Thomas A. Invictus	advantage i can't remember that's one of my skills that i'm proficient in that okay well i suggest that
01:25:43		Gren Greenmantle — Intelligence (Religion) Check: $1d20 - 1 + 2 + 1 = 22$
01:25:54		Jetten Elisedil — Intelligence (Nature) Check: $1d20 - 1 + 2 = 2$
01:26:02		Thomas A. Invictus — Intelligence (Religion) Check: $1d20 + 2 + 2 = 20$
01:26:13	Morgash the Gravemaker	I'm not proficient in anything.
01:26:18	Morgash the Gravemaker	Yes.

01:26:35	DM	known as a dryad um a female uh creature uh very connected to the fae wild who lives an immortal life and she um rotates her life between being an elf and being a tree okay is that where you want to go
01:27:01	Thomas A. Invictus	before we head out we should go take a look at that dead looking tree in the middle of town because she might have something to do with that she looks like a tree she's probably bound to it in somewhere or something don't check out the truth yeah i switched them out with the rest and i'll take a nice protein
01:27:12	Jetten Elisedil	That's an excellent idea.
01:27:19	Gren Greenmantle	Good call. Forgot about that.
01:27:31	Gren Greenmantle	Are they, uh... Yeah, let's go. Um... I still have them.
01:27:31	Jetten Elisedil	Well, since we're arrested, there's no time like the present.
01:27:44	Jetten Elisedil	It would be. Yeah.
01:27:46	DM	it's the fresh morning um you should uh since you're thinking of attacking displacer beasts you also might want to look at your prepared spells if you have them what might be useful look over your abilities uh make sure you commit to yourselves what you want to commit to for the day uh yeah every day or i'm sorry every week why pretty much yeah um honestly we all take it when we're kids as soon as we're old enough to dream and uh life is good it doesn't seem to do anything wrong
01:27:47	Morgash the Gravemaker	Once we...
01:28:02		Gren Greenmantle: Mage Armor 1st Level • Abjuration You touch a willing creature who isn't wearing armor. Until the spell ends, the target's base AC becomes 13 plus its Dexterity modifier. The spell ends early if the t ...
01:28:07	Thomas A. Invictus	filled rich breakfast yeah i switched around my spells when we did the long rest so now i'm in just between us so that pib can't hear but it seems like in my travel man my studies i remember reading
01:28:22	Gren Greenmantle	Hey, Pip, do you take the potion that makes it so you don't dream? I was just curious. Does everyone take it?
01:28:46	DM	to us that's for sure not for me uh i feel the best i've ever felt every day everyone else too nothing but the best food the best sleep couldn't tell you all i know is my mommy takes my medicine
01:28:52	Gren Greenmantle	Wonderful.
01:29:02	Thomas A. Invictus	somewhere that if you don't dream it have serious health effects it's had to be great right and have
01:29:25	Gren Greenmantle	What can you tell... Nice. Uh, should we go visit the, uh... Tree?
01:29:27	DM	every day for every week okay yes morgash take an inspiration point uh yes so you walk into um town square and uh there's small miner shops around you some apartments there's a nice crowd of people people you can see some of the guards keeping the watch um and in the middle of uh this little area

01:29:37	Jetten Elisedil	Yes.
01:29:41	Gren Greenmantle	Though we do have to make sure that we have time to kill these displacer beasts before we call it a night.
01:29:43	Morgash the Gravemaker	Before we continue, I approach everybody in the party and tell them, this is impossible that... something is so perfect here. Life is not perfect.
01:30:06	Thomas A. Invictus	the grass around the tree dead as well i don't think we're going to figure out this mystery net right
01:30:11	Morgash the Gravemaker	Oh.
01:30:16	Morgash the Gravemaker	These people around the tree.
01:30:41	DM	of green is a single gray withered tree um do you want to take a look at it okay uh do a nature check all right uh so thomas and jetton inspect the tree jetton you feel like i've seen dead trees and this is a dead tree thomas you look at the tree
01:30:53	Jetten Elisedil	And we tell what's wrong with the tree?
01:30:59	Jetten Elisedil	Yes.
01:31:05	Jetten Elisedil	Nature.
01:31:08		Jetten Elisedil — Intelligence (Nature) Check: $1d20 - 1 + 2 = 2$
01:31:10	Jetten Elisedil	Wow.
01:31:12		Thomas A. Invictus — Intelligence (Nature) Check: $1d20 + 2 = 15$
01:31:29	Gren Greenmantle	Jettlin thinks it's still alive.
01:31:32	DM	jet or thomas um being the learned man you are you do recall some horticulture books that you've read um especially volo's guide to the arboretum which uh talks about how certain trees uh if they're not properly cared for they can get sick and die and it looks like this one is not quite dead but it's not a happy tree yes sir mm-hmm we keep the peace sir yes well we always have watched this tree it's something that we constantly try and revive and nothing seems to work uh it's almost like a symbol of our town the one thing that doesn't flourish i don't know what else to tell you i just follow orders don't let anybody
01:32:04	Morgash the Gravemaker	I'm going to approach the guard. I give this guy here. and... what you guys doing here.
01:32:17	Morgash the Gravemaker	Okay, but... Four guards on the same place to keep the peace.
01:32:26	Morgash the Gravemaker	Don't... add up.
01:32:46	DM	destroy the tree don't let anybody chip the bark and keep an eye if anything ever happens to the tree

01:32:55	Gren Greenmantle	And whose orders... Do you know... Was this tree ever alive?
01:32:55	Morgash the Gravemaker	For that, you need... Yeah. Who gives the orders?
01:32:57	DM	well the constable of course and the mayor we follow their orders sir have you seen our garrison we have an army of 50 people what's for but you're welcome to relax here enjoy the sights grab some apples anything you want no idea sir i was born here and this tree has always been like this uh i don't think so but what do i know this is my job i watch the tree no the grass is actually quite
01:33:05	Morgash the Gravemaker	You need four people to do... to wash... a nearly dead tree.
01:33:18	Morgash the Gravemaker	Okay.
01:33:27	Morgash the Gravemaker	Thank you.
01:33:40	Gren Greenmantle	Really? Are there any pictures, maybe, of the tree? From the past? In the library or in the... Yeah, it might be her tree. Yeah, I think we talked to the apothecary after. Because she's drugging the whole town.
01:33:57	DM	vibrant um all right so you prepare yourselves to try and somehow lure the trip displacer beasts so you
01:34:07	Thomas A. Invictus	now but there's nothing that i can see that connects this to the dryad although i suspect there may be some connection of certainly i'll tell you what i just have a very slight suspicion that someone in the town is behind these displacer beasts as well so i maybe we should hunt them down and destroy them and
01:34:17	Morgash the Gravemaker	Something has to be happening with this tree. Hey, there's four guards. Guard in the tree. Again, things don't add up. There's something happening here.
01:34:31	Jetten Elisedil	Yeah, there are deeper mysteries here.
01:34:36	Jetten Elisedil	Some. I think there's no time like the present. Yes.
01:34:36	Morgash the Gravemaker	Someone... Yep. She should know... She should know something that... will be important for us to know.
01:34:45	Gren Greenmantle	But let's, uh... Let's... That sounds like a good... Good plan. Yeah. Yeah, let's... Let's head up to where the displacer beasts are.
01:35:07	Thomas A. Invictus	let them know that we're not to be trifled with and i'm definitely interested in finding the pile of stuff that the last adventurers uh died with because i think someone mentioned that they saw that didn't
01:35:12	Morgash the Gravemaker	Yeah.
01:35:19	Jetten Elisedil	Shall we?

01:35:21	Morgash the Gravemaker	Yes. Into the campsite.
01:35:32	DM	can attempt to kill them uh let's look at the information that corwin or uh the constable gave you one last time let's see you learned that they do not just feed they just enjoy killing when they stalk their prey they cannot be deterred until their quarry is slain they come and inhabit dense forests they pursue their cunning the predator uses oh yeah you do remember the constable told you he uses innate magic to displace light so it appears to be several feet
01:35:45	Morgash the Gravemaker	So, sure.
01:36:02	Jetten Elisedil	That would be probably where they have their lair.
01:36:12	Thomas A. Invictus	there's something somebody i thought someone we talked to they saw the pilot's loot where the people
01:36:22	Thomas A. Invictus	the lesson yeah oh now i'm ready that chest has got to be from the uh past venturing party right that's
01:36:37	DM	away from its actual location okay all right anything you wish to do before you head to the misty forest
01:36:56	DM	all right okay all right great so you exit the forest everyone gives you a hearty goodbye and wishes you all of the the best um the trail that the council pointed to is fairly clear and obvious and um uh ahead of you you see what looks to be like a large ruined temple um and the road ends there so let me put your little
01:36:58	Jetten Elisedil	Let's go.
01:37:43	DM	characters into position let me put you into position um okay what are you trying to do morgash okay um so first of all as you look into the courtyard of the temple you see what looks like to be in the distance um a fireplace uh looks like a couple corpses see a pile of debris you see a chest um okay anyone else
01:37:54	Morgash the Gravemaker	I do... a... survival check. Try to... try to see any traps... or anything... before we venture... inside the building.
01:37:58		Morgash the Gravemaker — Wisdom (Survival) Check: $1d20 + 1 + 2 = 9$
01:38:40	DM	want to do a check besides morgash uh okay morgash you check for prince um you don't find anything okay it's foggy and uh so you're fighting against that you do not find any traps but you are on the lookout
01:38:50	Thomas A. Invictus	told of all their gear is there is there anything that we see around here by the way
01:39:10	Morgash the Gravemaker	I do a perception... to check if... I see... any traps... or anything.
01:39:23		Morgash the Gravemaker — Wisdom (Perception) Check: $1d20 + 1 + 2 = 17$
01:39:30	Jetten Elisedil	I'll try to take a look as well.

01:39:31	Morgash the Gravemaker	Oh, wait.
01:39:33		Jetten Elisedil — Wisdom (Perception) Check: $1d20 + 3 + 2 = 25$
01:39:38	DM	okay jetton distantly in the fog you see prowling about with its beady eyes staring at you
01:39:54	DM	come on a large cat-like creature with tentacles and it sits there waiting at you looking at you waiting for you to make a move okay so let's take a look at how far away this is you are 135 feet away hold on a second i have to reload and it's foggy here so it's going to have partial cover the longbow has a range of 150 okay yes so it's going to have a quarter cover due to the fog which
01:40:09	Jetten Elisedil	Will I take out my bow and draw on that fletching arrow to strike it? Short range, 150. And the long range is 600. Yeah.

02:38:40	DM	disengage as an action yeah unless you're a thief uh no you were never knocked prone so you have 30 feet of movement oh you were knocked prone i'm sorry yes you'd have to spend 15 to get up which i'm

02:41:52	Jetten Elisedil	Yeah.
02:42:02	Thomas A. Invictus	right here right in front of jet in there oh i see i could move to right here okay now what am i allowed to do next i mean i'd really like to what i really want to do is cast me i think i'm in range
02:42:35	Thomas A. Invictus	and hit all three of them with bane right now yeah the only bonus action i know of this lay on
02:42:40	DM	magic abilities to or your magic action to use the lantern right okay yeah so as soon as you pull out the lantern of revealing the displacer beasts sort of shriek and rage and whatever fuzzy illusion that was covering them um fades away and now you can see them completely and wholly you have a bonus action and a little bit of movement left so at your range you could lay on hands on jetton uh gren would be out
02:43:52	DM	of reach let me see what else you got for bonus actions which would be great you could channel divinity against one as bonus action you could then have the next minute with your oath of vengeance vow of enmity to have advantage on attack against one creature but you can still use your bonus action to you know invoke the effect have another bonus action next round to lay on hands or you could swap
02:43:58	Thomas A. Invictus	the only other one i see is channel divinity yeah that's i mean i definitely want to do a vow of enmity against one of them next time when i make an attack but i can't do that right now right because i can't
02:44:34	Thomas A. Invictus	okay yeah all right i'll do that okay i'm going to consume one of my divine channel divinity actions for the vow of enmity the one just to the north of me oh wait i need to target i will have ended
02:44:37	DM	the order it's up to you okay which one do you target okay i'll just give him like a little ghost face effect so that marks him i don't have one so i just put fear on him for now it's fine yep okay so that's

02:45:18	Gren Greenmantle	You did... You did... You did this one, right?

02:45:27	Gren Greenmantle	Yeah.

02:45:27	Thomas A. Invictus	yeah that's one yeah that's i mean i think it's a good strategy
02:45:30	DM	pretty much all your actions and that goes to jetton okay okay correct yep nice okay and what does nick do

02:46:01	Gren Greenmantle	Oh, you hit. You get critical on that too.
02:46:07	Jetten Elisedil	And since he's marked, I'm going to get a plus six, right?
02:46:11		Jetten Elisedil — Goldthorn - Damage Roll: $1d6 + 4 + 1 = 11$

02:46:31	Jetten Elisedil	So, instead of having to use a bonus action, I can just attack with the light weapon as part of my attack. So, I get basically two attacks as part of the attack. Like, it's like dual wielding kind of, yeah.
02:46:46		Jetten Elisedil — +1 Dagger - Attack Roll: $1d20 + 4 + 2 + 1 + 1d4 = 31$
02:46:50	Jetten Elisedil	Ooh. Critical. And then damage, I roll as a critical.
02:46:57		Jetten Elisedil — +1 Dagger - Damage Roll: $2d4 + 4 + 1 = 9$

02:47:22	Jetten Elisedil	Was I prone?
02:47:30	Jetten Elisedil	Okay, well, yes. Then I'd like to stand up and use half my movement.
02:47:31	DM	stay yeah yeah yeah okay oh and that's the displacer beasts again oh who is it this guy oh he will attack thomas invictus he's not happy with oh actually hmm he's gonna disengage as his action and move out here just outside just outside the radius of your 30 foot light and this one will too disengaging

02:49:50	Gren Greenmantle	Well, see if they can't... Multiple people can't attack us through here. If we're over here... That's why we... Talked about staying there from the beginning.

03:01:05	Morgash the Gravemaker	Okay.
03:01:08	DM	And I think that's all your actions.
03:01:13	Morgash the Gravemaker	I... I can... It doesn't... Yeah, that's it. That's it.
03:01:21	DM	Mm-hmm.
03:01:26	DM	Okay, Thomas.
03:01:30	Thomas A. Invictus	i'm going to attack but if i i can do one of those other spells after i hit him right but
03:01:46	Thomas A. Invictus	i roll it at an advantage now because i have the light and the spell on him is that right i forgot
03:01:47	DM	Correct. You could divine smite him if you wanted.

03:01:58	DM	Let me think about that. I'll let that happen. Normally when advantages cancel and disc cancel each other out, it's always just a normal roll. But I like the... Yeah. Once something gets canceled out, then it just stays that way. Otherwise, it's too confusing with how many advantages are stacked against disadvantages. So it's a straight roll.
03:02:20		Thomas A. Invictus — First Light - Attack Roll: $1d20 + 4 + 2 + 1 = 24$
03:02:24	DM	Not that it matters.
03:02:36	DM	So what I would do first is roll the damage, see how he is, and then decide what you want to do with your bonus action.
03:02:48	Thomas A. Invictus	how to roll for damage this is my first yeah i got it okay okay well yeah well i think there's another
03:02:50	DM	Just click the card that says damage above it.
03:03:02	DM	So in the chat window, it says 24 is green above it.
03:03:11		Thomas A. Invictus — First Light - Damage Roll: $1d8 + 4 + 1 = 6$
03:03:12	DM	There you go. And then as a bonus action, you could add a divine smite if you'd like.
03:03:26	DM	Paladins. Yeah.
03:03:31	Thomas A. Invictus	one i want to add a thunderous might i'm going to do that one i'm sorry i have two concentration checks

03:03:34	DM	Okay. You want to do that one, Seth?
03:03:45	Jetten Elisedil	And, Thomas, the Alpha is coming around to the other door, so we needed somebody to protect that door.
03:03:45		Thomas A. Invictus: Thunderous Smite 1st Level • Evocation Your strike rings with thunder that is audible within 300 feet of you, and the target takes an extra 2d6 Thunder damage from the attack. Additionally, if the tar ...
03:03:50	Gren Greenmantle	I've got it taken care of. Just go attack.
03:03:52		Thomas A. Invictus — Thunderous Smite - Damage Roll: $2d6 = 10$
03:03:55	DM	Okay. Thomas hits it in an extremely loud thunder blast.
03:04:06	DM	This is interesting. An extremely loud thunder blast just resonates with the entire area. He has to make a con save? A strength save, or be pushed back 10 feet.
03:04:24		Displacer Beast — Strength Ability Check: $1d20 + 4 = 6$
03:04:25	DM	Which he fails. He's pushed back 10 feet, which also gives you, interestingly, you and Morgash both attacks of opportunity.
03:04:35	Jetten Elisedil	Nice. Oh, boys.
03:04:38	DM	So both of you can swing against the displacer beast, if you wish, as a reaction.

03:04:52		Thomas A. Invictus — First Light - Attack Roll: $1d20 + 4 + 2 + 1 = 19$
03:04:54	DM	All right. Morgash, you hit.
03:04:59	DM	Thomas, you both hit. So both roll for damage.
03:05:07		Morgash the Gravemaker — Ember-Touched Greatsword - Damage Roll: $2d6min3 + 4 = 12, 1 = 1$
03:05:09	Morgash the Gravemaker	Yes.
03:05:09	Morgash the Gravemaker	I'm going to target Thomas to give him a potion.

03:05:11	DM	Yeah. As it flies back, before Thomas could even react, Morgash thrusts his sword and kills the displacer beast as it flies backwards from the thunderous smite. Excellently played. And that's all your actions, Thomas. So it's Chetan's turn.
03:05:30	Jetten Elisedil	So, I can transfer my Hunter's Mark now that that one's dead. All right. And I can see the Alpha now, right? Okay. So... Okay. So, the Alpha is here on the right, so I'm going to target him. And then I'm going to transfer the Hunter's Mark. Well, that's not my character.
03:05:35	DM	Yes.
03:05:40	DM	Yep. You can actually see both of them. So yeah, whichever wish.
03:05:48	DM	Okay.
03:05:57	Gren Greenmantle	I can block this door.
03:05:59	Jetten Elisedil	Yep. I'm going to transfer the Hunter's Mark to him. And then I'm going to attack him with my Longbow. And we're at disadvantage because he's not in the light area, correct? And then I roll for damage.
03:06:00	DM	And I think... Yeah. Okay.
03:06:06		Jetten Elisedil: Longbow Martial Ranged • Slow Attack Damage Action Instantaneous 150/600 ft Equipped Proficient
03:06:11	DM	Correct. Yep.
03:06:14		Jetten Elisedil — Longbow - Attack Roll (Disadvantage): $2d20_{dis} + 4 + 2 + 1d4 + 2 = 21$
03:06:17	DM	But that still hits. Yes.
03:06:21		Jetten Elisedil — Longbow - Damage Roll: $1d8 + 2 + 4 = 9$
03:06:24	Jetten Elisedil	And then I roll for...
03:06:26		Jetten — roll: $1d6 = 6$
03:06:30	DM	For your nice hunter's mark. There you go. And that's everything. Well, move it. Yeah. You have movement.
03:06:33	Jetten Elisedil	Okay. So, then... Yep. But... I have... Well, did I have... I didn't use my bonus action because I was transferring... Right. Oh, that counts as a bonus, too?
03:06:42	DM	Transferring your hunter's mark is a bonus action. Yeah. Yeah. If a target drops to zero before its spell ends, you can take a bonus action to move to a new creature.
03:06:52	Jetten Elisedil	Okay. Okay. So, I just have the movement, then. Right? Right. So, I'm going to try to move where I can have a vantage point for both of these guys, perhaps. And then that's it. I'll turn.
03:06:55	Gren Greenmantle	Don't move to the door. I'm going to block it next turn. Alright. You're still alive.
03:07:08	DM	Here you go. Okay. Displacer beast.

03:07:14	DM	I think at this point, he's in a frenzy and he doesn't really care if he has advantage or disadvantage. He will attack Thomas, Invictus, striking Thomas, knocking him prone and hitting him for a good amount of damage. Thomas, you have to roll a DC of 10 concentration because you're holding on to bless.

03:07:58		Thomas A. Invictus: DC 10 Concentration Concentration
03:07:58	DM	Ooh. Oh, yeah. Yeah. Still alive with three hit points. We have two concentration checks to make.
03:08:10	Thomas A. Invictus	but do i still have to roll the second one and author all the time of never getting hit and now
03:08:10	DM	Yep.

03:08:16	DM	And the first one fails and the bless drops from your allies.

03:09:23	DM	He's not ensnared in your web, but it is difficult terrain for him.
03:09:37	DM	The first time creature enters the web or starts his turn there, it must succeed at dexterity saving throw or be restrained, so it will do another dexterity saving throw. It is not restrained, so it is going to start to make its way in. And it has 40-foot movement, which takes it to here. So he will dash to come out, and he will hang out in this corner using his action. That means it's the end of his turn. Morgash.
03:09:37	Gren Greenmantle	But... Jeez. He's still in.
03:09:49		Alpha Displacer Beast — Dexterity Saving Throw: $1d20 + 2 + 0 = 18$

03:22:16	Jetten Elisedil	You don't need to move. You're right next to him.
03:22:17	Gren Greenmantle	You don't need to move just to... Attack him.
03:22:21	Morgash the Gravemaker	My mouse is not working. I can not... Out of batteries. I think so. Let... Let me see.

03:22:56	DM	Do you have any left? I think you got... Yeah. You want to use a try precision attack? Yeah.
03:23:03	Morgash the Gravemaker	Try it. What?

03:26:23	DM	That's the power of dual wielding with Hunter's Mark.
03:26:27	Jetten Elisedil	And then I think I can use my... I think I can use Goldthorn one more time as a bonus action.
03:26:34	DM	Hmm.
03:26:37	Jetten Elisedil	Isn't that correct? Let me see.
03:26:42	Gren Greenmantle	I doubt it.
03:26:43	DM	I don't think so.
03:26:49	Jetten Elisedil	Because it's a light weapon. Well, we can deal with it another turn. But... Because normally you can attack with light weapons, two finesse weapons. Which the scimitar and the dagger are both finesse. So, you get one as an attack and one as a bonus. But since I'm using Nick and I'm getting two with the attack, I think I should still get the one finesse for my bonus. But that's obviously up to you, DM.
03:27:05	DM	Yeah.
03:27:20	DM	Um, there's actually something I was going to deal with later, but it's getting late, but you're using it in the wrong order, so it's the dagger that triggers Nick. Goldthorn is actually, has weapon mastery. Oh, does that have weapon mastery for Nick as well?
03:27:29	Jetten Elisedil	Right.
03:27:35	Jetten Elisedil	Yeah. I mean, they're both light finesse weapons. That's what... Yeah.
03:27:37	DM	Yeah. See, the Nick mastery moves, the extra attack out of your bonus. So, no, what it does is it frees up a bonus action, giving you a free extra attack. So, yes. All right. You already made the second attack. So, what it did is it freed up your bonus action to do other stuff.
03:27:47	Jetten Elisedil	Okay. All right. So, then I'll use Goldthorn.
03:27:54	Jetten Elisedil	But I can't use the bonus as a second attack?
03:27:58	DM	No, because it basically transfers the bonus action attack to the main attack, but you still get just the two attacks. But what it does allow you is you have another bonus action. So, like, you could cast healing word.
03:28:08	Jetten Elisedil	Okay. All right. All right. Yeah. Then I'll do that. Oh, wait. Sorry. I'm trying... I wasn't trying to end my turn, but... All right. So... Who... Is Gren next to me? Is this Gren?
03:28:16	DM	Yeah, I'll take it back.
03:28:19	DM	Yeah.
03:28:27	DM	Yep. But healing word, you can cast that range. You could do it on anybody.
03:28:33	Jetten Elisedil	Well, I'm going to... I am still going to cast it on Gren.

First light stabs through the alpha displacer beast's chest and the light of Lathander explodes out of it, giving one great shining light and then it dims as it falls to the ground. Meanwhile, not having a leader, the other displacer beast starts to flee. And before anyone can do about it, he disappears, ever to be seen again.

03:35:10	DM	That's why it was dragging everybody around. Um, I would say you see a brush pile. It looks like a collection of weapons and items and you see crate stamped the full larder and you can double click on them and see what you have.
03:35:24	Jetten Elisedil	Well, let's take a look.
03:35:28	Gren Greenmantle	Guys, I'm gonna... I gotta get to sleep. So... Alright.
03:35:31	DM	Yeah. I would say just look at this. The only thing I need to know from you is which of the four areas do you want to do next? So I can prep it. Okay. Sounds like the natural thing to do. Okay. I'll prep for that. Um, um, there should be just like a take. And then if it's, I would put it in the party stash. So y'all can look at it. Yeah.

03:36:04	Gren Greenmantle	Yeah. Just put it in Party Stash. I'll check it out this week. Alright. The brush? What? Oh. I want to see that. Oh my god. A lot of nice stuff.
03:36:07	Jetten Elisedil	And we'll figure it out later.
03:36:08	DM	Yeah. You might want to look at the brush because that's got your magic items. Just saying. There's a brush pile up here and then you can go to go to bed happy with your loot.
03:36:26	Jetten Elisedil	The brush pile is this thing?

03:37:04	Jetten Elisedil	Yeah. There's definitely something suspicious.
03:37:06	Thomas A. Invictus	i think the journal is um confirming that suspicion and don't forget about the goal everything got put

03:37:16	Morgash the Gravemaker	No, we could take everything and put it on the... On the party loop. Yeah, but... There is a button to take everything or it's one at a time?
03:37:21	DM	Yeah. Put it in the party loot and then read the journals or whatever. Uh, next time.

03:37:33	DM	Uh, if you, it's one at a time, if you click it, there's an option then to say, take my, for myself or put it in the party stash. I think. Yeah. There you go.
