The whole session as the recording and the Foundry chat log have it: every speaker's track transcribed by machine and merged on the clock, with the table's rolls and chat cards in between. Verbatim and unedited — the stumbles, the cross-talk and the mis-hearings are the real thing.

	 a roll	 a chat card (an item, a feature, the party stash)	 a whisper or a blind roll the players did not see
00:00:00	Jetten Elisedil	Right, as far as offensive capabilities.	
00:00:02	Gren Greenmantle	Yeah. And that's it. Yeah. So I have a new spell called hypnotic. What is it called? Hypnotic something or other hypnotic pattern. And so what it does is it it incapacitates the enemies. But if they take any damage at all, they're they're back up and alive and kicking.	
00:00:05	Thomas A. Invictus	I've played, during my life, I've played so many, like, Final Fantasy games and all that kind of stuff. That's a good strategy in those games, too.	
00:00:05	Jetten Elisedil	And do you know, I see. So if they're in the hypnotic pattern, don't attack them.	
00:00:10	DM	what is hypnotic pattern hypnotic pattern	
00:00:27	DM	nope because he's a half caster	
00:00:40	Gren Greenmantle	So if if so, we don't want to basically damage anybody who's hurt until, you know, we want to leave them on undamaged until we're right. Don't attack them unless, you know, there's nobody else to attack. And then we focus fire on one at a time and leave the rest incapacitated. Yeah. And that's yeah, it's a really powerful spell. Right. Right. Yeah.	
00:01:00	Jetten Elisedil	Right.	
00:01:05	Thomas A. Invictus	Oh, I'm looking at it right now in the rule book. It's pretty cool.	
00:01:12	Thomas A. Invictus	Each creature in the area who can see the pattern must succeed on a wisdom saving throw or have the charmed condition for the duration. The creature is incapacitated while charmed and has a speed of zero. So, the spell ends if the creature takes any damage, or if someone uses an action to shake the creature out of its stupor. That's pretty interesting.	
00:01:37	Jetten Elisedil	And Rob, don't you have some spells at level five now too?	

00:01:38	Gren Greenmantle	So we're on the way to the hags already. Yeah. Just can we take a long rest since we leveled up here with with a D&D? I can't tell you how many times my cousin was a DM and he wouldn't like we'd have a fighter with one hit point.
00:01:44	Thomas A. Invictus	Yeah, so in the rule book, I should have all the paladin level two spells now, at least according to the rule book.
00:01:46	DM	he should have a level 2 oh yeah I'll have it add him to you for you for you to choose from for your prepared list no it's a hassle it's better just run the script
00:01:58	Jetten Elisedil	Misty Step is a pretty good one.
00:02:00	Thomas A. Invictus	Yeah, so I have that one, and I got the Oath of Vengeance spells, and I got the Fine Steed. But I was going to ask Matt if I should have, like, all those other spell level twos from the paladin.
00:02:22	Thomas A. Invictus	Sorry, I was trying to do that myself. I wasn't sure if I even could.
00:02:28	DM	okay sounds good to me yeah
00:02:28	Jetten Elisedil	And then you have like Bless and Shield of Faith. So you have a few buff spells, right? So Bless helps with saving throws and attacks. Yes, Shield of Faith is like armor class.
00:02:38	Thomas A. Invictus	Do I have? Yeah. Yeah. But I, so far, I haven't ever prepared Shield of Faith, but I have prepared Bless and used it.
00:02:57	Jetten Elisedil	Okay.
00:03:02	Jetten Elisedil	And Matt, I swapped out one spell when I leveled up.
00:03:02	Thomas A. Invictus	But I'm definitely, I'm definitely, I'm definitely going to cast Fine Steed the second we start. Or Faithful Steed or whatever.
00:03:10	Jetten Elisedil	You should get a ward or something. Get a wolf steed. Or like a bullet. Did we decide where we're going next, guys? Was it the Hag's Coven? Okay. And Matt, I'm still doing the, you know, the standard hit point, you know, like whatever it is. Yeah. Okay.
00:03:32	Thomas A. Invictus	Okay, it looks like I've got them all now.
00:03:37	DM	was there anything else um sure yeah yes yeah yeah that's the default because no one wants to roll a one that's bullshit yeah yeah I lost track of how many wizards I had with one hit point and I was just like oh I tripped down the stairs re-roll
00:03:58		Jetten Elisedil: Jetten Elisedil takes a long rest.
00:03:59		Gren Greenmantle: Gren Greenmantle takes a long rest.
00:04:10	Jetten Elisedil	Yeah.
00:04:10		Morgash the Gravemaker: Morgash the Gravemaker takes a long rest.
00:04:14	Jetten Elisedil	Wow.

00:04:25	Gren Greenmantle	And it was just and and this was there was no I can't even I don't even think there was unconscious.
00:04:32	Gren Greenmantle	You just died. You know, it was so absurd. Yeah.
00:04:35	Jetten Elisedil	Yeah.
00:04:40	DM	yeah yeah we played we played this one game um we were all players and like like normally you do standard roll or if you roll like you roll at the game so people can see and this one DM was like oh just like you know roll offline and bring your scores so like everybody comes with like three 18s this one guy like records his rolls he's like look I really did it and I'm like yeah after like your you know 15th cut of you know recording but it was pretty bullshit I like I think I did the statistics it was like a 0.03% chance of that ever happening for anybody but he's like all right yeah yeah up to 0-0 I remember that that was first edition
00:04:47	Jetten Elisedil	The crazy thing was when you rolled for your ability stats, you know, and then some people would show up. It's like everything 18, you know? You're like, come on, man.
00:04:54		Thomas A. Invictus: Thomas A. Invictus takes a long rest.
00:05:42	Jetten Elisedil	When did they get rid of the... Do you guys remember they had... If you had an 18 for strength, then you had to roll a percentile die so you could be like 18... Yeah. When did they get rid of that?
00:05:54	DM	they got rid of it in second yeah yeah yeah yeah there is so much tedium in first edition but it was good you know it was good that go chance to hit AC 0 so backwards yeah negative 2 AC was awesome I remember that right yeah okay um what is going on
00:05:55	Jetten Elisedil	Yeah. I mean, I told you I'm a first edition guy. But yeah, that's funny. Because then you could have 19, but so what's the point of all that weird stuff with 18, right?
00:06:08	Jetten Elisedil	Hmm. Well, it was Thacko, right? That was the really weird thing.
00:06:20	Jetten Elisedil	Oh, yeah. Amazing.
00:06:24	Gren Greenmantle	18 dexterity and plate and shield the green night. I don't know if I've ever seen it. Oh, really? Oh, nice. I gotta. Yeah.
00:06:39	DM	um Anthony let me make sure you're good on your attunement let's see you are attuned to the ball of momentum you are attuned you are are you gonna attune to the grave heart Anthony okay and then I think the periapt also so I'm
00:06:43	Jetten Elisedil	I re-watched The Green Knight last night. That's like very D&D. That's a great movie. Oh, yeah.
00:06:53	Jetten Elisedil	Oh, it's a new movie. It came out a couple years ago. It's A24. It's unbelievable. It's about Sir Gawain and The Green Knight, but it's an amazing interpretation. Costuming and everything. Yeah. It's trippy. It's trippy, though. Just warning you.

00:07:14	Gren Greenmantle	What's it streaming on? Do you know?
00:07:17	Jetten Elisedil	I think I got it on Amazon. I'm pretty sure.
00:07:27	Gren Greenmantle	Hmm. Yeah, it's on prime.
00:07:48	Morgash the Gravemaker	I should have all three now.
00:07:53	DM	I'm clicking them for you uh there I clicked them now you're attuned to three items periapt of wound closure the grave heart and the mall of momentum and then um let's see and the thomas should have spells now to choose from yes you have all of the second level spells for you to choose from to prepare so if you want to swap something out here or there go for it yeah yeah but you only can swap one out per day but I don't care just do whatever you want for your lineup and then let me check my maps good good okay
00:08:17	Thomas A. Invictus	Yeah, I see it, man. Yeah, I'm allowed to have, I'm allowed to have a six prepared menu, but I have four and two spell slots. So I can choose the six from, that can be made up of the first and or second, right?
00:09:08	DM	it's a very good spell oh so um let's say you had uh let me look at your spells uh uh let's say you wanted to cast uh fog cloud upcast so click it top one says scaling cast that level and then you can upcast it you get a drop down that's your upcast so now you have the option to choose second level you never had it before because you so certain spells have a higher effect so like like what tom was saying if you cast healing word at second level um what does it give you
00:09:11	Gren Greenmantle	Holy crap. Cure wounds goes up by two diet for every level that you raise it up. Oh, my God.
00:09:21	Jetten Elisedil	Oh, actually, Matt, I did have a question, which is... And maybe, Tom, you know the answer to this, too. But for Thomas and I, how do we upcast if we want to upcast? How does that work? Oh, let's see. So I'm clicking it on the... Let me see. Do I have it on the bottom? Yeah. Where?
00:10:04	Jetten Elisedil	Okay. It says cash at level. Okay.
00:10:10	Jetten Elisedil	And what's the benefit?
00:10:18	Jetten Elisedil	Mm-hmm.
00:10:23	DM	it'll say in the description uh the ceiling increases by 2d4 for each level slot above one and everyone's going to be different yeah generally either affects more people does more damage or an enhanced effect of whatever special effect it has mm-hmm no problem they do but they're basically they add to your repertoire yes
00:10:25	Gren Greenmantle	Yeah. So. So.
00:10:25	Jetten Elisedil	I see.
00:10:30	Jetten Elisedil	Okay. Right.

00:10:31	Gren Greenmantle	Yeah. So. But the main ones are more targets like for bless for every level that you upcast it, you get another target. target. So the key for our party for bless is casting at second level, because then you can get all four people. And then a lot of the spells, the spells that do damage. If you upcast it a level, it'll do more damage. Sometimes you have to upcast it two levels to do more damage. But so if that's generally what what they do.
00:10:37	Jetten Elisedil	Right.
00:10:42	Jetten Elisedil	I see.
00:10:47	Jetten Elisedil	I see.
00:11:10	Gren Greenmantle	Right. Yeah. Yeah.
00:11:15	Jetten Elisedil	Thank you, guys. I think so.
00:11:18	Thomas A. Invictus	Can you remind me, my Oath of Vengeance spells, do they use up a spell slot or not? Like the ones that are, they do, I thought. So, but the Fine Steed, though, does not use a spell slot I was reading, but that does not.
00:11:37	DM	the description I believe says you can cast it once per day without um having to use a spell slot the first time anything else all good all right I have to get myself caught up I was late because there's a grandnephew who's eight years old at the house and I had to finish his puzzle and we were so close I know but he only had six pieces that I had to get him to the finish finish line so anyways so I'm all discombobulated um but the nice thing is we went out for pizza uh okay so yeah you
00:11:44	Thomas A. Invictus	Okay, all right. That makes sense.
00:12:13	Gren Greenmantle	How do you spell it? Danny's.
00:12:27	Jetten Elisedil	You're the DM. You can't be late. Oh, nice. Oh, hey, guys, I heard... I just heard that, I mean, you know, everyone has their favorite, but this is for you, Matt and Tom. Allegedly, the best pizza in New York from a friend of mine is Danny's in Forest Hills. So I'm going to check it out next time I'm over that way. But, well, this is true. I mean, unless you're, like, really on a pizza, on a pizza thing, you know? Danny's. Danny's.
00:12:43	DM	but who's gonna go to forest hills I mean really yeah right and you live downtown what like do you even have trains that go to forest hills I don't know oh god yeah I mean you gotta do it it's just like a time-honored tradition so um I could go on and on how about like I don't really watch tv I just like flip through like whatever shit youtube throws on me and
00:13:13	Gren Greenmantle	Oh, D.A. Danny. Huh. Yeah. I can't even get to Brooklyn to eat pizza. So. Yeah. Yeah.
00:13:17	Jetten Elisedil	I mean, look, I'm... Wow. That's, wow, that's some bridge and tunnel hate right there. Wow.
00:13:33	Gren Greenmantle	Yeah. Well, I. I. I joke with my butchers that Chelsea is in the Bronx. So.

00:13:36	Jetten Elisedil	My favorite used to be a place out in Queens, and then they sold it, and then they changed the recipe. And I was like, well, what the hell? Why would you do that? But now, that's why I was looking for a new one.
00:13:48	Gren Greenmantle	Yeah.
00:13:57	DM	the most recent one was this dude that lives in New York and he goes back he's like comparing the best New York pizzas to pizza joints in Naples so um anyways right yeah um yeah and I don't know anyways yes it is it is either slim pickings or very expensive pickings pizza al fresco is my favorite but yeah um all right anyways on to the world of dungeons and trickings um all right so you take a rest at the ruins where you fought the long shadow um according to your map you probably got another several hour march it is now sort of early late morning you took some time to swing your swords and learn some new spells um and unless there's anything else to talk about you can move out
00:14:09	Gren Greenmantle	I don't like Neapolitan style.
00:14:27	Jetten Elisedil	Because it's Slim Pickens down here, as you know.
00:14:37	Jetten Elisedil	Okay.
00:14:43	Gren Greenmantle	Yeah.
00:15:12	DM	okay uh so you can click the link and just do there's a there's a button that says consume resource uncheck it awesome what would like your speed to be your steed to be a what okay all right yeah so thomas almost go ahead okay got it any reason why you chose fey
00:15:13	Thomas A. Invictus	I would like to cast the Faithful Steed this time.
00:15:34	Thomas A. Invictus	Summon Steed free casting, right? Well, this one is going to be a Fade Steed. So it's going to look like, it's going to look like a horse, but it's going to be kind of like earthy with like leaves and its mane, that kind of stuff, you know. Kind of like a part plant, part horse looking kind of thing, since it's Fade. Well, the next time I do it, I'm probably going to do a Celestial, but I want to try out the, I like the Teleport. You can do that Teleport with the Fade Steed. I'm interested in messing around with it.
00:15:45		Thomas A. Invictus: Find Steed 2nd Level • Conjuraton You summon an otherworldly being that appears as a loyal steed in an unoccupied space of your choice within range. This creature uses the Otherworldly Steed stat blo ...
00:16:20	DM	where does it say that oh the other worldly steed based up okay all right well we're gonna have to wing anything that happens in combat um any other buffs that we're gonna deal with here yep yes yes you now have a leafy and planty fey steed um and i presume you mount it and you have a much easier march than everybody else
00:16:37	Thomas A. Invictus	Page 273 of the Player's Guide.

00:16:46	Thomas A. Invictus	So I think it says I can pick a large Celestial, Fae, or Fiend. So I'm never going to do Fee. So he's supposed to stay alive until he, he just stays around until he either dies or I die, or I cast it again after the next rest.
00:16:54		Gren Greenmantle: Mage Armor 1st Level • Abjuration You touch a willing creature who isn't wearing armor. Until the spell ends, the target's base AC becomes 13 plus its Dexterity modifier. The spell ends early if the t ...
00:17:00	Gren Greenmantle	I just did mage armor.
00:17:23	Thomas A. Invictus	Well, I wanted to ask about that because I was wondering, I wasn't sure from the rules, but for combat, if I'm on the Steed, that gives me some advantages, but also the Steed cannot attack if I'm riding it. Is that how it works? Yeah, okay, I'll get on, I'll, I'll mount it.
00:17:25	DM	it doesn't attack if you're riding it and your biggest advantage is you get a couple you get like 10 extra movement or you take the movement of the steed that's kind of like the sum of it controlled mount um basically for purposes of combat it's just gonna give you a faster speed okay all right um all right so everybody ready finally all right uh yeah you you march for a while uh several hours in fact off on your way to what the map says is um the hag layer of some sort and as you progress through the misty forest the ground gets softer um
00:18:06	Thomas A. Invictus	Okay, so I'll mount the Steed.
00:18:14	Jetten Elisedil	Yep.
00:18:38	DM	the smell of muck becomes more prevalent and you eventually find yourself in sort of swampy territory um off in the distance at some point you finally see uh a water a waterlogged area with trees standing up above the fog and little huts um kind of mounted on top of the trees i think i might have a picture for you yes i do show players it looks a little bit like that oh well fine how about that
00:19:42	Gren Greenmantle	I don't see anything.
00:19:44	Jetten Elisedil	The Widow Finn. But it is black.
00:19:48	Gren Greenmantle	Yeah. I only see the title.
00:19:51	DM	okay yeah there's you guys um so as you stare into the fog that is between you and surrounding the houses i need you to make a perception check while i make opposed roll perception yep you do have the option to increase your perception morgash but you can let that pass as well honestly probably not worth it oh okay so now you get a 13 um give me one sec
00:19:52	Jetten Elisedil	There it is. Oh, look, look, it's... And there's our guys. A normal?
00:19:53	Thomas A. Invictus	Oh, okay.
00:19:53	Gren Greenmantle	How far away are they?
00:19:58	Morgash the Gravemaker	Nice.

00:20:20	Morgash the Gravemaker	Everyone?

00:21:47	Morgash the Gravemaker	Oh, yeah. I relay the information to the party.
00:22:20	DM	which are fae born half man half frog creatures with your 20 in survival you can notice that there's sort of like a purplish red glow to their eyes that doesn't seem that's natural to a normal bully wug you know that they're generally speaking they keep to themselves in their own society but there's a spellbound look to these and they don't look happy it's not going to be long before they notice you though you're pretty sure
00:23:01	Morgash the Gravemaker	Oh, these are... This guy looks weird. Their eyes. There is something in their eyes. Like, their eyes are not supposed to look like that. They don't look happy.
00:23:18	Morgash the Gravemaker	Something is weird.
00:23:19	Thomas A. Invictus	And we don't spell cast by the Hags.

00:23:23	Thomas A. Invictus	That's corrupt, that's a good rule.
00:23:34	DM	oops I didn't pull you to the map my bad you can tell okay that will initiate combat oh go ahead I'll give you one one chance all right since you're doing a surprising move that means you get advantage on initiative all
00:23:35	Morgash the Gravemaker	I haven't noticed those.
00:23:48	Jetten Elisedil	Morgash, are these usually friendly creatures, or... Well, I think I'm going to notch an arrow in my bow and target one of these Bollywogs.
00:23:54	Morgash the Gravemaker	Not that hostile, but they look very hostile now. So, it's something weird. They should not be like that. Something is happening here.
00:24:08	Morgash the Gravemaker	And with my roll, can I guess how deep is the water?
00:24:24	Gren Greenmantle	Yeah. Wait. Wait. Before you.
00:24:30	Gren Greenmantle	All right. Nothing. I was going to cast blast before we get into combat. But it's fine.
00:24:47	Jetten Elisedil	All right. So, if you click it under your token...

00:25:02	Gren Greenmantle	Yeah.
00:25:05	Gren Greenmantle	Yeah. Yeah. I'll reroll. Give me a sec.
00:25:17	Thomas A. Invictus	Beware, man, beware, we might have to fight the Hags.
00:25:19	Gren Greenmantle	That not work?
00:25:20	Gren Greenmantle	I like being right next to this guy.

00:42:59	Jetten Elisedil	Oh, should I have rolled that at advantage? Because he's prone? It doesn't matter. Okay.
00:43:02	Morgash the Gravemaker	Yes.
00:43:06		Jetten Elisedil — Goldthorn - Damage Roll: $1d6 + 4 + 1 = 8$
00:43:19	Jetten Elisedil	Grand.
00:43:30		Gren Greenmantle — Intelligence (Arcana) Check: $1d20 - 1 + 1 = 6$
00:43:43	DM	um
00:43:47	Jetten Elisedil	Grand, don't you have... Don't you have, like, anything that would help with that?
00:43:47	Gren Greenmantle	Yeah. I see.
00:43:52	Gren Greenmantle	Not that I'm aware of. I would dispel magic. I don't know if that would work or not.
00:44:06	Jetten Elisedil	And then Restoration doesn't work because that's poison, not acid, right?
00:44:10	Gren Greenmantle	Yeah.
00:44:17	Gren Greenmantle	I'm going to. I'm going to use my one charge on my wand of magic missiles.

00:44:58	Jetten Elisedil	We don't need to re-roll Dexterity, but the acid's already on us, right?
00:45:02	Morgash the Gravemaker	Will I know that based on the 20 that I got before?
00:45:08	DM	yeah there's no known fear of bully bugs to fire uh the wand is a standard action it's a magic action so yeah you can use it i have i'll stick with that rolling for now i'd have to look i'm pretty sure it says if you i'm pretty sure it's like if you use it it's a magic action but you're also casting a spell so i couldn't tell you just uh consider it a magic action for now so you can cast misty stuff it could be a wall in the way those roots

00:45:18	Gren Greenmantle	Misty steps bonus action. I'm going to use my fey touched misty step.
00:45:24	Gren Greenmantle	Oh. Can I do that? Even though I used a wand this turn. It doesn't count as casting a spell.

00:46:21	Gren Greenmantle	Right. All right. All right. Then I'm going to go. It's not letting me go anywhere. My path is blocked everywhere. Inside the rock.
00:46:50	Gren Greenmantle	And I'll. I'll end my turn.

So when you do the short rest that pops up and it has the hit dice and has a little die next to it. Like, I'm going to do mine now and then and then you get whatever it is, plus your. Whatever you roll, plus your dexterity.

01:04:57		Morgash the Gravemaker — Roll Hit Dice: $\max(1, 1d10 + 3) = 8$
01:05:06	Thomas A. Invictus	I don't really understand how that part of it works.
01:05:22	Thomas A. Invictus	So, that doesn't automatically happen. When I hit the rest button, that's different than rolling the hit dice. So, that's what I'm doing. Okay.
01:05:32		Morgash the Gravemaker — Roll Hit Dice: $\max(1, 1d10 + 3) = 4$
01:05:33		Gren Greenmantle — Roll Hit Dice: $\max(1, 1d6 + 2) = 4$
01:05:36		Thomas A. Invictus — Roll Hit Dice: $\max(1, 1d10 + 1) = 4$
01:05:40		Thomas A. Invictus — Roll Hit Dice: $\max(1, 1d10 + 1) = 5$
01:05:44		Thomas A. Invictus — Roll Hit Dice: $\max(1, 1d10 + 1) = 10$
01:05:46		Thomas A. Invictus: Thomas A. Invictus takes a short rest spending 3 hit dice to recover 19 hit points.

01:05:47		Gren Greenmantle — Roll Hit Dice: $\max(1, 1d6 + 2) = 5$
01:05:50		Gren Greenmantle — Roll Hit Dice: $\max(1, 1d6 + 2) = 5$
01:05:52	DM	feat too you better take a look at that for a healing feat Thomas you have what does that do so hold on so Thomas has this feat called healer so read that and if it applies to you or if you feel like you can use it you probably should make use of it if you have the healer's kit you can use it and tend to a creature that creature can expend one of its hit dice and roll that die they gain
01:05:55		Gren Greenmantle — Roll Hit Dice: $\max(1, 1d6 + 2) = 3$
01:05:55	Jetten Elisedil	Dexterity?
01:05:57	Gren Greenmantle	Jeez. A one, two, one and a three. And a four. All right.
01:05:59		Gren Greenmantle — Roll Hit Dice: $\max(1, 1d6 + 2) = 6$
01:06:06	Gren Greenmantle	I use all my head dice.
01:06:09	Jetten Elisedil	Grand, why is it dexterity?
01:06:12	Gren Greenmantle	It's not. It's. What? Why is what dexterity? It's your constitution. Oh, so. Yeah.
01:06:14	Jetten Elisedil	Okay. Okay. You said, yeah, but you said, no big deal. No big deal.
01:06:34		Thomas A. Invictus: Healer Origin Feat You gain the following benefits. Battle Medic. If you have a Healer's Kit, you can expend one use of it and tend to a creature within 5 feet of yourself as a Utilize action. That cre ...
01:06:48		Morgash the Gravemaker — Roll Hit Dice: $\max(1, 1d10 + 3) = 10$
01:06:54	Gren Greenmantle	So that only applies to him, though, right?
01:06:58	Thomas A. Invictus	It says, if I have a, it says, all right, if I have a healer's kit, I can use it once tender creature. The creature can't expend one hit dice. But if they do a short rest, they can expend, comment all of their hit dice during the short rest.
01:06:59		Morgash the Gravemaker: Morgash the Gravemaker takes a short rest spending 4 hit dice to recover 26 hit points.
01:06:59	Jetten Elisedil	He can use it on someone else.
01:07:07	DM	hit points equal to your proficiency bonus I mean I would say he should use that and when you're resting you're getting his proficiency bonus to heal why not you're spending your hit dice anyways and then whenever you do roll a die determine the hit points you restore with this feat you can re-roll a die if it rolls a one so presumably if you rolled presumably if you all rolled hit dice do give yourself an extra three hit points per hit die you rolled yeah I mean that's kind of what it says for yeah I mean let's just I would assume that Thomas is using this healer's kit to heal you guys so like for example Thomas you did it three times so give yourself nine more
01:07:45	Jetten Elisedil	Yeah, but you get the plus three for each one of those, the times you use it, which is your proficiency bonus. That's the point. You get plus three. So that's why, that's the benefit.

01:08:06	Gren Greenmantle	We can do that for the whole for the whole party. We can do it. OK.
01:08:19	Gren Greenmantle	So I'm going to I'm going to put myself up to full and give myself a hit die then, because that's how that. Oh, no. My last one was six.
01:08:19	Thomas A. Invictus	Did every, just out of curiosity, everybody use their hit, all their hit dice? No.
01:08:22	DM	hit points yes which I think is pretty decent just add just do it manually so you rolled three so you should have nine more hit points yeah it's a bad spell I don't I don't understand why they gave them blue sages that spell but monster manual did yeah didn't help and he rolled really high okay don't even know I'd have to scroll up the stats
01:08:34	Gren Greenmantle	All right. I'm up to full. But so we get plus three for every hit die is basically it. I'm still up. That's really good. Yeah, man, that acid spell. Womped.
01:08:48	Jetten Elisedil	Yeah.
01:08:49	Thomas A. Invictus	Does that, I'm sorry, does that mean we can go back to the hit dice we already rolled? Add more?
01:09:04	Thomas A. Invictus	Okay, yeah, understood. Yeah.
01:09:12	Jetten Elisedil	Nasty. Nasty.
01:09:19	Jetten Elisedil	And everybody failed their dexterity roll, too. Even me. And Thomas, you still have two hit dice that you can roll.
01:09:22	Gren Greenmantle	Yeah. What was the D.C. on that?
01:09:34	Gren Greenmantle	Yeah.
01:09:36	Thomas A. Invictus	Yeah, that was just, I was afraid that was going to be the end of us.
01:09:37	DM	will tell us later but that was close it's a DC 13 only you all failed
01:09:48	Gren Greenmantle	All right. Are we all done with our short rest? I see Thomas and Morgash are not up to full yet.
01:09:57	Morgash the Gravemaker	My rolls weren't really bad.
01:10:00	Gren Greenmantle	Did you add three?
01:10:00	Thomas A. Invictus	I mean, I suppose, I suppose I can do that.
01:10:08	DM	you're currently in the extra mental extra dimensional portal right now you're ready to come out yeah
01:10:10	Gren Greenmantle	I roll I and I roll twice and I have a bonus. Anthony, did you add three to every to each of your rolls? So. So do that.
01:10:14	Thomas A. Invictus	So, I can roll. Yep.
01:10:20	Morgash the Gravemaker	I'm no. I need to add 12 to this.

01:10:23	Thomas A. Invictus	Yeah, Ed, you rolled four or so. Well, right. So, I'll roll. Can I do another hit dice? All right, I did it. I just rolled my last two, so I'm full now. Out of hit dice.
01:10:26	Gren Greenmantle	So that.
01:10:30		Thomas A. Invictus — Roll Hit Dice: $\max(1, 1d10 + 1) = 4$
01:10:32	Gren Greenmantle	Yeah. So you're at 50.
01:10:36		Thomas A. Invictus — Roll Hit Dice: $\max(1, 1d10 + 1) = 7$
01:10:44	Thomas A. Invictus	I mean, based on the beating we just took from those guys, I loathe to get any closer to those
01:10:45	Morgash the Gravemaker	Oh, if it's like that, then I will roll the last die.
01:10:49	Gren Greenmantle	Yeah. Go for it.
01:10:51	Morgash the Gravemaker	Yeah. I'm full. I helped him.
01:10:52		Morgash the Gravemaker — Roll Hit Dice: $\max(1, 1d10 + 3) = 11$
01:10:53	Jetten Elisedil	All right. Can we see anything around now that the Bullywugs are gone? Anything that we look around and do we notice anything in the swamp near us?
01:11:12	Jetten Elisedil	Oh, right. That's right. You guys, if we're done, if we're done the short rest, can we lower the rope and go down then?
01:11:16	DM	yeah yeah it's very convenient yeah you all sort of shimmy down the rope you look around the water is black there's little islets that are retangled and the mist moves through the wind yes sure let me see what he's carrying oh can you okay that's good still thank you
01:11:19	Gren Greenmantle	Yeah. Let's do it. I mean, our short rest ends exactly when it ends. So we have to. Yeah.
01:11:24	Jetten Elisedil	Yep.
01:11:45	Gren Greenmantle	Do I see the sage's body in here anywhere?
01:11:51	Gren Greenmantle	Can I grab it and search it? Hey, Morgash, will you help me lug this guy? Up onto shore so I can. I'm not sure if he's through the rope trick portal.
01:12:02	Jetten Elisedil	And Matt, just, we can see through the portal just for the future, by the way.
01:12:03	Morgash the Gravemaker	Are we checking all the...
01:12:11	Jetten Elisedil	It doesn't, it doesn't matter. It's, it's, we're already. Yeah.
01:12:15	DM	yes there's I put the bog staff that he was carrying um yeah but yeah as you look there's there's an elevator a stair here and over here there's another stair leading up so you could pick which tree you want to climb okay okay so cast spell

01:12:17	Gren Greenmantle	Well, they must have figured out that all their patrols are gone by now.
01:12:29	Thomas A. Invictus	heads. I mean, is there some way we can sneak up on them or something so we don't just go full frontal on them?
01:12:32	Jetten Elisedil	Well, are we still proceeding to the, to the hag coven or? Or look, I can try to sneak up. If you guys want me to, I can try to sneak up. I have pass without trace.
01:12:41	Gren Greenmantle	So there's little houses on top of each one of these trees. I'm going to, I'm going to take that for, for me, the bog staff. I don't think anybody else.
01:12:54	Thomas A. Invictus	Yeah. I mean, yes. Is that better than my sword?
01:13:06	Jetten Elisedil	Do you want me to go and do a reconnaissance? Okay.
01:13:10		Loot Shelf: Gren Greenmantle took 1 × Bog Staff from Bog Staff. Bog Staff was picked clean and is gone.
01:13:14	Jetten Elisedil	All right. So then Matt, then I'll pass, pass, pass with y'all use a pass without trace.
01:13:24	DM	yeah there's nothing conflicting with thomas's oath on it okay let me give me a second um what do you see from here yes as you're sneaking around you see off into the distance what looks to be just a soul bully warrior and some of a couple huts and some of the rope bridges
01:13:26		Jetten Elisedil: Pass without Trace 2nd Level • Abjuration You radiate a concealing aura in a 30-foot Emanation for the duration. While in the aura, you and each creature you choose have a +10 bonus to Dexterity (Stea ...
01:13:27	Gren Greenmantle	Holy shit. Maybe somebody else should use this bog staff. It's an awesome weapon. Look in my inventory. I'll give it to you, to a melee person. It does three, three die six poison damage when it hits. And it's plus two to hit. No, it's not plus two to hit. It does one die eight plus two damage plus three die six poison damage. Perfect for a paladin.
01:13:29	Jetten Elisedil	What's wrong?
01:13:32	Jetten Elisedil	Oh, wow. What is it?
01:13:56	Jetten Elisedil	Can paladins use poison?
01:13:58	Gren Greenmantle	Well, yeah.
01:14:07	Thomas A. Invictus	Is that?
01:14:09	Jetten Elisedil	I'm, I'm, I'm just, I'm just going up and running up on this one over here. I can see a Bullywug warrior. All right. Then I'm going to go sneak back down then.
01:14:09	Morgash the Gravemaker	The guys?
01:14:12	Morgash the Gravemaker	These guys jump about 30 feet, so...

01:14:38	DM	that connect them great yeah um roll it this one seems to be pretty close and you're standing right behind him jetton roll a stealth check you get plus 10 it's an ability score yep well you're you're plus 10
01:14:45	Thomas A. Invictus	I mean, this is a, yeah.
01:14:45	Jetten Elisedil	So then I go and report, listen, there are more of these Bullywugs up in this hut. I haven't checked the other ones, but, um, over here on the left, on the bottom left. Yep. And then this, if, you know, I, the spell lasts a little while longer, I can go check the other ones if you want me to. Yep.
01:14:55	Gren Greenmantle	Highlight the hut you're talking about. Sorry, I missed it over here. This one. Okay.
01:15:07	Gren Greenmantle	The pass without a trace. Yeah, go for it.
01:15:08	Thomas A. Invictus	Okay, Jettin question. Question. Jettin question.
01:15:13	Jetten Elisedil	So I'm going over to this big one right here in the center.
01:15:17	Gren Greenmantle	Everybody can use it. It's you and each creature you choose.
01:15:24	Jetten Elisedil	Yep.
01:15:29	Jetten Elisedil	Okay. And I get plus 10. Right. And so where am I rolling stealth is? Let me see. Hold on. Let me scroll down. Yep. There it is right there. I got it.
01:15:40		Enthralled Bullywug Warrior — Wisdom Ability Check: $1d20 + 0 = 3$
01:15:43		Jetten Elisedil — Dexterity (Stealth) Check: $1d20 + 4 + 6 = 12$
01:15:45	Jetten Elisedil	And that, but I get plus 10 and I get plus 10 for the spell too. So, so it's right now, but, but I'm plus 10. 10 for my proficiency and my modifiers, which is the 12. And then it's, and then, and then it's, so it's really 22.
01:15:52	DM	because of the spell so but you yeah that counted right here yeah yeah so he doesn't see you but he's gosh darn it he's only 15 feet away okay jetton you you pop your head up the ladder you see him and then you scurry right back down i believe that's the same one you saw before just move out move back in
01:16:08	Jetten Elisedil	Yep. All right. So then I quick and scurry back down the ladder.
01:16:23	Jetten Elisedil	Well, let me get down. I'm still, how do I get back down? I'm sorry. There it is. I got it. So listen, guys, it looks like to me that these huts, first of all, they're all, they all seem to be connected, um, at elevation. Well, they're connect, they're all connected by rope ladders that are above our heads. So I look up and I try to see if I can see the, the rope ladders or any of the structures up above our, our heads through the fog.
01:16:30	DM	here i'll
01:16:42	Gren Greenmantle	What do you mean connected?
01:16:59	Thomas A. Invictus	Jettin, do you think? I don't seem to, why don't we, can we try to just take these huts and bridges down and just destroy them from down here and make them fall down and crash?

01:17:01	Jetten Elisedil	Yep.
01:17:01	Gren Greenmantle	Oh, I see. Okay.
01:17:12	Jetten Elisedil	Okay. How would we do that?
01:17:15	Thomas A. Invictus	Any ideas? Fireball spell? Anybody have a fireball spell? Just set it on fire. Take the bridges down. Cut the bridges. But the hags might be, the hags might be there.
01:17:20	Gren Greenmantle	I think I could knock out one of them with a fireball spell, but not all three.
01:17:27	Jetten Elisedil	Hmm. But those, those bully wolves can jump anyway. So I don't know how far they can jump, but they might be able to jump from hut to hut. But I, I, I do suggest that this big one that I'm at right now, there's a warrior right there in that, at least when I was up there, there was a warrior up there. So I would suggest that we go back over to this. Um, if we're going to go up, we would go back over to this one over here in the lower, uh, the lower corner. I didn't see anybody up there when I went up. If we're going to go up now, I only saw one warrior. Well, those are trees.
01:18:00	Gren Greenmantle	Okay.
01:18:00	Gren Greenmantle	So why don't we go up the one where there's nobody up there and then go from one to the other and try and clear them out?
01:18:02	Thomas A. Invictus	You didn't see, but you don't know that who's inside these huts, right? So, I mean, there could be more monsters. There could be hags in there. Underneath those huts, there are those support beams. There's some way we can take those out and just so the house falls down.
01:18:27	Thomas A. Invictus	The support beams are part of the tree up underneath there at an angle there.
01:18:33	Thomas A. Invictus	I mean, that means that the, well, I don't have it prepared, but I mean, but I mean, there's
01:18:42	Jetten Elisedil	Morgas. Do you have any ideas?
01:18:46	DM	show it to you the huts are essentially embedded in the trees the only thing that's connecting them around are these rope bridges and if you look up they're probably you can see the little rope bridges yourself they're um maybe 30 feet in the air yeah i mean the the red glowing eyes morgash from year 20 that's not natural to them that's some kind of supernatural
01:19:19	Morgash the Gravemaker	So, first... One thing first. Remember, they look like they're on their spell. Can any one of you confirm that? Like, using detect magic or something like that?
01:19:49	Gren Greenmantle	The fact that they're called enthralled bully logs.
01:19:53	Thomas A. Invictus	got to be the hags, especially because he's a gnome, so he can, maybe he can talk to them
01:20:01	DM	occult magic at work
01:20:03	Morgash the Gravemaker	But... Yep.

01:20:04	DM	and um
01:20:05	Gren Greenmantle	Now, the question is, can we get rid of it?
01:20:09	Gren Greenmantle	I don't know. I have a dispel magic, but I don't know if that'll work.
01:20:10	Morgash the Gravemaker	Or know the source. If not, let's go up and build them all.
01:20:16	Gren Greenmantle	We can try. We can try. We can try and capture one of them and we can see if the spell magic works on it and then enlist them as allies because they're being enthralled by something else. Who's probably not, but they're probably intelligent. And if we ally with them, if we suggest they ally with us, they're going to rescue their friends and companions.
01:20:34	Jetten Elisedil	Why would they be our allies?
01:20:41	Jetten Elisedil	Yeah. But I don't think they're not, I don't think they're naturally very nice creatures.
01:21:10	Thomas A. Invictus	and they're kind of animal-like.
01:21:13	Gren Greenmantle	Yeah. I wonder if speak with animals works on them because they're like frog white, but they might. Yeah.
01:21:21	Thomas A. Invictus	Well, look, why, maybe, maybe while we're all here, I'm sometimes so nervous about the next encounter. Maybe I have a new spell called aid, which I had prepared, and that would boost everybody's, that can boost three creatures, five point maximum hit points, and it lasts for eight hours.
01:21:41	Gren Greenmantle	That's a pre-party buff. So you can cast that, cast it on all the fighters and then they get five, just sort of five extra hit points.
01:21:49	Thomas A. Invictus	So, I'll cast on everybody except for Grin. Does that make sense? Okay.
01:21:52	Gren Greenmantle	Yeah. Yeah.
01:21:55	Gren Greenmantle	Because you need a bonus action, but yeah.
01:22:03	Thomas A. Invictus	Oops.
01:22:13	Thomas A. Invictus	That jet, we need to get closer, though.
01:22:14	Jetten Elisedil	Thomas. Oh, I mean, done.
01:22:20	Jetten Elisedil	No, it's the one of the, it's the one in the lower left.
01:22:28		Thomas A. Invictus: Aid 2nd Level • Abjuration Choose up to three creatures within range. Each target's Hit Point maximum and current Hit Points increase by 5 for the duration.Using a Higher-Level Spell Slot. Each target ...
01:22:31		Thomas A. Invictus — Aid - Healing Roll: 5 = 5

01:22:35	DM	thomas evictus just so you know your first smite per day is actually i was free so i'm going to restore that spell slot that you used first level it says that right here in addition you can cast without expending a spell slot but then another long rest where you can do it again yeah it's it's usually the go-to it's not as good as it used to be in different editions but it's pretty good yeah they used to they used to
01:22:44	Thomas A. Invictus	Oh, great.
01:22:51		Thomas A. Invictus: Paladin's Smite Feature You always have the Divine Smite spell prepared. In addition, you can cast it without expending a spell slot, but you must finish a Long Rest before you can cast it in this way ...
01:23:01	Thomas A. Invictus	Yeah, I was just looking. It's like Divine Smite, it seems, in a lot of ways, is better than this Level 2 Shining Smite.
01:23:21	Gren Greenmantle	A lot of times paladins just use all of their spell slots on, on divine smites. Yeah.
01:23:28	DM	maybe like 20 minutes 30 minutes between scouting and debating yes and don't forget you have two heavily armored people
01:23:32	Gren Greenmantle	All right. Should we climb up? What do you guys want to do? Should we climb up this tree and then try and stomp this one?
01:23:32	Thomas A. Invictus	Okay.
01:23:36	Thomas A. Invictus	But that's not the one that didn't have anybody. Which one is the one that doesn't have anybody there? I thought you saw one there.
01:23:49	Thomas A. Invictus	Must be the third one.
01:23:54	Thomas A. Invictus	That's the one that has nobody? Oh, okay. Let's do it.
01:23:54	Gren Greenmantle	Yeah. That's right. So we'll climb up that one.
01:23:55	Jetten Elisedil	Yeah.
01:24:06	Jetten Elisedil	All right.
01:24:11	Gren Greenmantle	How long is your pass without a trace work? Is it an hour long spell? Yeah. So how long has passed since you cast it, Matt? How long has passed? Well, let's try and go up this.
01:24:13	Jetten Elisedil	An hour. It's an hour.
01:24:26	Jetten Elisedil	So we can sneak up. We can sneak up. But obviously once we engage, then we're not passing without a trace anymore.
01:24:35	Gren Greenmantle	Right. And Morgash. Yeah. Morgash and Thomas. Like, yeah.
01:24:38	DM	yeah
01:24:39	Jetten Elisedil	Yep. I'm up.
01:24:47	Gren Greenmantle	All right. So let's climb up. I'm going to, I'm going to go last. Oh, can you, can you move? Can you move? Is there, oh, nice. Now I went back down. Okay. I see.

01:25:01	Jetten Elisedil	So Thomas, don't move. Don't move. Don't move from where you are. Because they can see you. They can see you. Right. I think, I mean, if you, there's a, there's a structure here on the right-hand side that's blocking the line of sight. So let's stay behind it until we decide what we're going to do.
01:25:07	Thomas A. Invictus	I'll move out of range of light. Which, both, you're talking, both of these rope bridges, they could see me?
01:25:23	Thomas A. Invictus	Yeah.
01:25:29	Thomas A. Invictus	Because right now, okay, just so you know, I have no line of sight on the right-hand bridge, but I have full line of sight in the top one. So should I have depth on the wood? Or is that what you're telling me? Okay.
01:25:37	Jetten Elisedil	Right. Right. Yeah, I think you're fine where you are now. I'm just saying, don't start, don't start crawling around. Do we have everybody? Yep.
01:25:47	Morgash the Gravemaker	There is one guy here.
01:25:49	Gren Greenmantle	All right. If we, if we see a sage before it attacks and we, we focus all of our, our fire and as much as we can on trying to kill them. Cause we don't want to eat another acid. And the other thing is we should spread out if we can, because we were all bunch.
01:25:49	DM	and now you should be rolling another stealth check everybody too and thomas and morgash don't forget to run yours at disadvantage yes poor anthony your stealth is now a six yeah um where did my my guys
01:26:00	Jetten Elisedil	Right.
01:26:04	Jetten Elisedil	Are we going to go up or, or to the right? There was, there was definitely a warrior on the right and there's, now there's one definitely up top. So, okay. I'm doing, okay. And Thomas and Morgash, you guys need to go ahead. Because you're in armor.
01:26:11	Gren Greenmantle	Yeah. Let's try and go across this, this bridge and go attack. But you get plus 10 to whatever you roll with the plus 10.
01:26:28	Thomas A. Invictus	I have a stealth check, disadvantage. Okay. Yeah.
01:26:32	Thomas A. Invictus	Oh, that's like the first good initiative roll I've had in the fight.
01:26:32		Morgash the Gravemaker — Dexterity (Stealth) Check (Disadvantage): $2d20_{dis} + 0 = 2$

01:45:35	Gren Greenmantle	That's so nice. All right.
01:45:37	Thomas A. Invictus	So the jar that I have, it's got some weird waxy clear liquid. And it clings to the glass for a moment when I tilt the jar. I don't know if that means anything, but, you know, maybe Gren knows something.
01:45:51	Gren Greenmantle	Drink it.
01:45:56	Gren Greenmantle	Yeah. It looks delicious. You should drink it.
01:46:06	Gren Greenmantle	All right.
01:46:09	Gren Greenmantle	Should we move on? Anthony's cruising on to the next thing. Yeah. Don't get too far ahead, Morgash. He's all the way to the right platform. Let's not split up. Let's go to this.

01:46:38	Gren Greenmantle	Yeah, let's go. Someone take the lead. I'm not taking the lead. Thomas, you go first. You have the best AC. Then Morgash. Then me and Jetten.
01:46:51	Jetten Elisedil	I'm coming. I got to get out the door.
01:46:55	Gren Greenmantle	And if you see a sage, let us know.
01:47:00	Thomas A. Invictus	Split up. And go for him from different angles, though. Yeah, it seems like this is clearly the hags.
01:47:03	Gren Greenmantle	Yeah. I hope he doesn't go first.
01:47:09	Morgash the Gravemaker	There's a door.
01:47:12	Jetten Elisedil	Which one do you want to check out? The one. The top or the bottom?
01:47:18	Gren Greenmantle	Let's do the bottom one first. He went around the corner. This room's empty to the south. There's two rooms. Well, the door's not open.
01:47:18	Jetten Elisedil	Where'd Thomas go?
01:47:20	Morgash the Gravemaker	This room is empty.
01:47:26	Morgash the Gravemaker	It looks empty.
01:47:33	Jetten Elisedil	Yeah. Oh, you can open the door more. Yes.
01:47:38	DM	inside there's another jar in there sitting on a crate
01:47:41	Gren Greenmantle	Ooh, there's teeth. I'm just going to. So there's teeth and a finger.

01:47:55	Thomas A. Invictus	I don't see anything yet.
01:48:00	Gren Greenmantle	It's been opened and reset many times. Teeth doesn't. Each one wrapped in a scrap of black cloth the way a jeweler wraps his best stones. I wonder what, like, I'm adding it to the party stash.
01:48:17	Morgash the Gravemaker	Let's take it.
01:48:19		Loot Shelf: The Party took 1 × Jar of Mourner's Teeth from Jar of Mourner's Teeth. Jar of Mourner's Teeth was picked clean and is gone.

01:52:40	Jetten Elisedil	Can you read it? Can you. I just opened it up. Can you guys read it or. Okay. The heart is broken in four. Right. Heart is broken in four. Red. The barrel. Blue. Hours below. Green. Black. Not yet found. So we found the red, which I think is the. Morgash. The. What is it called? The grave's heart. Triad sleeps in the green. Great tree on green rest square. The heart is hers. Hole. It beats four times. One beat. Brings back our sister. The red piece is moving. It is coming here. We need one beat only. They may keep the other three. Propose partnership. Do not fight. So this doesn't sound good guys. This sounds like we're bringing these hags.

01:53:39	Gren Greenmantle	No, they don't know where they are. But one. One beat brings back our sister. I don't like we want to meet their sister. The red piece is moving. That's the red is the barrow. That's where we were. This coming here. We need one beat only. They may keep the other three. Propose a partnership. But we want all four to free the thing.
01:53:50	Jetten Elisedil	No.
01:54:05	Jetten Elisedil	The triad. Yeah.
01:54:07	Gren Greenmantle	Should we propose a partnership and then come back and kill them all once we get the other three? Oh, blue is ours below. Oh, blue is ours below. Oh, ours below.
01:54:14	Jetten Elisedil	Well, what do you think? Do you think we should even meet these hags or.
01:54:20	Thomas A. Invictus	Are you thinking they don't even have any of the pieces? No. I'm at it now. Yeah, it says it's basically an accounting kind of a ledger.

01:54:27	Jetten Elisedil	They have the blue. It sounds like.
01:54:29	Gren Greenmantle	Below. What does below mean, though?

01:54:44	Morgash the Gravemaker	This guy's work with the truth story or something like that.
01:54:46	Gren Greenmantle	Maybe below the swamp?
01:54:50	Gren Greenmantle	Hmm. All right. What is the note in the same cipher?
01:54:52	DM	the ledger the ledger you picked up it doesn't even take a second for you to recognize it on site it's the cipher you copied a hundred times in daggerford prices quantities a drop stone on the moor path you walked past this afternoon the entries just stop do an investigation check we'll find out how thomas does
01:55:01		Loot Shelf: The Party took 1 × The Sisters' Notes from The Sisters' Notes. The Sisters' Notes was picked clean and is gone.
01:55:02		Party Stash: Matt the DM added 1 × The Sisters' Notes to The Party.
01:55:27	Thomas A. Invictus	Goods, prices, dates, page up. Right here. It says it has a recurring mark that might be a standing stone beside a road. To the untrained eye, the rows are noise.
01:55:28	Jetten Elisedil	Where did you pick that up, Thomas?
01:55:43	Thomas A. Invictus	But it's basically like a bill of lading book, you know, with accounting records for things sold and so on and so forth. And, oh, that has to do with my family.

01:55:58	Gren Greenmantle	We can't work out the cipher, right? We just see that it's, yeah. He's good at cipher. What's the, what's the last line in an irritated clawed hand, a note in the same cipher underlined twice?

01:56:35	Gren Greenmantle	What do you think they do with the body parts?
01:56:43	DM	that would be
01:56:45	Jetten Elisedil	And Thomas, what does it have to do with your family?
01:56:45	Thomas A. Invictus	It's been a year and a half since the entry stopped in the book a year and a half. But that, well, because I believe my family was, I uncovered the existence of traffickers and body parts working out of Daggerford. And when I was in the process of uncovering that, the children to make sure I wouldn't, you know, just to let me know that I shouldn't chase after them. But I think this must have something to do with that. This is exactly why I'm on this quest.
01:57:31	Thomas A. Invictus	Well, maybe it's the hags. Maybe they're selling them to the hags for some nefarious, evil hag reason.
01:57:37	Gren Greenmantle	Yeah. Well, what do you think the hags want them for? Or we have all the, what, what, we have these bottles of teeth and whatever, but what is it that would be? Yeah.
01:57:41	Thomas A. Invictus	Probably some kind of potion or something. I don't know.
01:57:55	Thomas A. Invictus	Yeah, those could be my kids' teeth.
01:58:01	DM	sad someone might have them in their stash or something or their own mm-hmm
01:58:05	Thomas A. Invictus	I'm barely holding it together.
01:58:07	Gren Greenmantle	Gwen looks at it and says, these, these are adult teeth. I don't think you have anything to worry about.
01:58:19	Gren Greenmantle	Where, where are the, uh, jar? What, what? I thought I added it all to the inventory, the party inventory. Did I not?
01:58:20	Thomas A. Invictus	But this definitely confirms that what I was on to is real. And it's related to these hags.

01:58:38	Gren Greenmantle	Oh, jar, a mother's little finger. Cipher label is short and under it, someone has drawn, carefully, almost fondly, a tiny flower. The wax on this one has never been broken. The mourners, a squat, drawn filled with gray wax.

01:59:04	Thomas A. Invictus	That's exactly what I suspected. I mean, I thought these hags might have something to do with this body part. Smuggling up fish.
01:59:10	Gren Greenmantle	These, these ciphers, these ciphers, Matt, does, can Thomas make out what they say? Oh, no, but on each of the jars, there's a cipher with a name. It's label written in a crab, in a crab cipher.

02:19:48	Thomas A. Invictus	I see a hag. Beware. I see one of the hags.
02:19:54	Gren Greenmantle	Remember, Lazel looks like a hag, so we don't want to kill her.
02:20:01	DM	yes uh Thomas as you walk in there's candle glow everywhere where it should be pitch dark and again you can smell uh tea and a mix of peat moss there's a wall filled with jars floor to ceiling um and that same cipher that you saw in the other jars there are cages strewn about the area um to a table set for company there's tea steaming with three chairs but they're all empty in the distance you see a little girl in the cage and she cries to you and looks at you and puts her finger over her mouth as if to say shh and she points off to the her left
02:20:04	Morgash the Gravemaker	You're wrong. She's an angel.
02:20:08	Gren Greenmantle	Beauty's in the eye of the beholder.
02:20:14	Jetten Elisedil	What kind of monster would lock a little girl in a cage?
02:20:14	Gren Greenmantle	Ooh.

02:21:47	Morgash the Gravemaker	Nick attacked.
02:21:51	Jetten Elisedil	Okay.
02:21:53	Thomas A. Invictus	Can I move quietly? How does that work? Yeah, I mean, can I get the girl out of the cage? Sneak her out of here.
02:21:56	Jetten Elisedil	Well, you're in plate now. You're in plate armor. Um, yeah, I can try to sneak.
02:22:05	Jetten Elisedil	Let me see.
02:22:12	Jetten Elisedil	Well, I'll walk over to the cage. How about that?
02:22:15	Thomas A. Invictus	Yeah.
02:22:16	Thomas A. Invictus	Yeah, we've got to get her out of here immediately.

02:22:18	Jetten Elisedil	Can I open this?
02:22:23	Jetten Elisedil	I try to open the padlock.

02:22:46	Jetten Elisedil	Okay. Well, I have a dagger. A magical dagger. What should I roll?
02:22:58	Jetten Elisedil	Light of hand?

02:23:21	Jetten Elisedil	Yes. And who are you?
02:23:31	Jetten Elisedil	Well, we need to get this girl to safety.
02:23:35	Gren Greenmantle	Well, there's more cages over here. Are there other captives? Maisie?

02:24:06	Thomas A. Invictus	Can we just pick her up and just leave?
02:24:13	Jetten Elisedil	Where's Morgash?
02:24:16	Morgash the Gravemaker	Guarding the door. The stairway.
02:24:19	Jetten Elisedil	Guarding it from what?
02:24:21	Jetten Elisedil	Oh, boy.
02:24:26	Morgash the Gravemaker	I will move that.
02:24:27	Gren Greenmantle	Do I think that Maisie's a real girl? Can I do a reception? Yeah. Yeah. Guys, there's something suspicious about this girl.
02:24:40		Gren Greenmantle — Wisdom (Insight) Check: 1d20 + 1 + 3 + 1 = 18

02:24:55	DM	is there they said that you were bringing a stone do you have the stone with you oh okay what's your names okay this this way maybe oh she comes up to morgash and she starts smelling morgash kind of strange almost like a pharaoh like smelling oh it's oh it's i smell i smell lazel on you okay you slap her and your hand just flies right through her and you hear a voice off in the distance
02:25:04	Thomas A. Invictus	No. We don't know what you're talking about.
02:25:13	Thomas A. Invictus	We should get you out of here.
02:25:17	Thomas A. Invictus	We don't have time. We need to get you out.
02:25:39	Morgash the Gravemaker	It hit her with the bottom of my... That's it. I'm going to slap this girl.
02:25:48	Jetten Elisedil	I don't think we should deal with these bags.
02:25:49	Thomas A. Invictus	No, what? Why should we give you anything?
02:25:58	Gren Greenmantle	But you need to use up a heart to resurrect your sister.
02:25:59	Morgash the Gravemaker	That's it. Yep.
02:26:10	DM	and it says yes we do smell the lazel on you ah but it looks like not only did she kill our sister but she killed your heart too she is indeed a slayer after all and as mazy disappears two hags up here so you bring us the heart no need for moving anymore two hags against more adventurers it could go either way i suppose we could make a deal you help us collect the heart we'll help you all we want is one resurrection one resurrection for our sister the rest are yours
02:26:58	Morgash the Gravemaker	I have no heart.
02:27:00	Morgash the Gravemaker	I think...
02:27:09	Thomas A. Invictus	What sort of deal? Would you leave us with all four pieces after she's resurrected or not?
02:27:23	DM	we don't care about the heart we just want our sister back once the four pieces are combined resurrection is easy for anyone multiple times give us the heart help us get it give us our ethel back we don't care what you do with the rest resurrect the world for all we care we just need our sister you think we're stupid little gnome why don't you bring the three back and then we can finish the ceremony together you'll need us if you wish to combine it without the dryad
02:27:33	Thomas A. Invictus	What do you know about the tree? Without the dryad. Yeah, what do you know about the dryad and the tree in Greenrest?
02:27:44	Gren Greenmantle	Where, why don't you give us your heart, and we'll get all four, and then we can come back and help you. Where is she trapped?

02:28:38	DM	well let me look at my list and tell you I have to look at my notes the dryad of green rust she broke her heart once it's combined resurrection is possible older than us I think she is trapped through her own grief foolish archivet under the tree of green rust within it part of it now the bargain I don't have time to give you answers for everything
02:28:49	Thomas A. Invictus	Sorry?
02:28:55	Gren Greenmantle	Where is she trapped? No.
02:29:38	Thomas A. Invictus	What do you know about the town?
02:29:44	DM	you're inclined to make a deal excellent a wise decision Thomas A. Invictus I don't care about your family I have nothing I have nothing to do with you but I know who did it the same ones who bring us the body parts well brought us the body parts fool stopped bringing it months ago our delivery service has been disrupted
02:29:47	Thomas A. Invictus	I'm inclined to deal with her at this time.
02:29:48	Gren Greenmantle	What is their name?
02:30:03	Thomas A. Invictus	I mean, why get into a fight at this point against Hades?
02:30:07	Jetten Elisedil	Well, Thomas, these are probably the creatures that are behind the disappearance of your family.
02:30:20	Thomas A. Invictus	I understand that. But there's a bigger picture here to think about.
02:30:39	Thomas A. Invictus	Tell me.
02:30:56	DM	unknown whoever brought us the parts has disappeared but I have their name on our ledgers you can have it search through Daggerford find them matters not to me we want our sister back it's in the ledger I'll tell you when we have a bargain very good well we can't just let you go and leave and hope you come back if you wish to bargain we'll make the unbreakable bond
02:30:59	Thomas A. Invictus	Disrupted by what? Yeah, I'm definitely inclined to deal. Because I want the name.
02:31:46	Thomas A. Invictus	So now what, Hades?
02:32:04	DM	the oath of a vengeance paladin means nothing to me we make the bond if either of us fails you die hmm the hag over here waves her arm and you start to see a couple animated armors start to rumble hmm this doesn't look good for you irrelevant hazel says these aren't going to bargain with us let's kill them sister and be done with this
02:32:06	Thomas A. Invictus	I hope as a paladin should be good enough for you.
02:32:24	Thomas A. Invictus	Jettin, what do you think?
02:32:26	Jetten Elisedil	Oh, I'm not doing a deal. And Morgash. Morgash, what do you think we should do with these creatures?
02:32:29	Thomas A. Invictus	Calm down, men. Look, I need the names. I need to get the names so I can avenge my family.

02:33:03	Gren Greenmantle	Take the ledgers at any time.

03:05:12	Jetten Elisedil	But maybe you should attune to the Tideheart. Who do you think should attune to it, guys? And what does Death Ward do, Gren?
03:05:20	Gren Greenmantle	I mean, we, we don't necessarily need to do it. It gives us death ward once a day. So it, it's like, it's like more gashes thing where if you die, you go to one hit point instead. So it's pretty powerful. It's like,

03:05:35	Jetten Elisedil	Uh-huh. That would be a pretty good one for him to attune to, and it gives you strength saving throws, right?
03:05:42	Thomas A. Invictus	I think I'm attuned to the first light sword, the Cloak of Protection. Am I attuned to that? No. Yeah, it does require attunement. And the Gauntlets of Ogre Power.

03:06:47	Gren Greenmantle	Yeah. All right. Good. Are we playing next Tuesday?
03:06:52	Jetten Elisedil	I'm back. But thank you guys for moving to Monday. I appreciate it. I fly out to Madrid in the morning, and then I'm back, I think, on Sunday. I hope so. Some good restaurants.
