The whole session as the recording and the Foundry chat log have it: every speaker's track transcribed by machine and merged on the clock, with the table's rolls and chat cards in between. Verbatim and unedited — the stumbles, the cross-talk and the mis-hearings are the real thing.

 a roll  a chat card (an item, a feature, the party stash)  a whisper or a blind roll the players did not see

00:00:00	Jetten Elisedil	how about the guy that um got caught with his associate in central park and that's it he's he's out at paul weiss yeah was it paul what no it wasn't paul weiss it was um wachtell i think it was wachtell and he was a partner yeah he was a partner and he was he he was making out with his associate and he was gonna move over to another firm with like a like a you know big practice group and they rescinded the offer and then he also got fired so yeah way to way to lose your like several million dollar a year job you know oh absolutely i mean you know yeah you make a lot of money but like good luck enjoying it right you know i was gonna say that the only person that enjoys it is the significant other because they can spend it they spend it while you're working you know
00:00:02	DM	Right.
00:00:08	DM	Like a law firm dude?
00:00:14	DM	Oh, I don't know that story. Locktell.
00:00:30	DM	Yeah.
00:00:34	DM	Yeah, I just looked it up now. That's pretty recent.
00:00:41	DM	Yeah, I have a friend who's a partner there. Like, what a miserable life.
00:00:55	DM	Yeah. You only had time for like hustlers and prostitutes. Like, you didn't have any like relationships. Pretty sad.
00:01:11	DM	Yeah, exactly.
00:01:15	DM	I have to log in. Yeah, I don't miss the big law firm life. It was pretty bullshit. I was at Alston and Bird for like six years or something.

00:01:18	Jetten Elisedil	yeah yeah no thank you at all what what where were you nice yeah i started out they're not around anymore but kudair brothers and then i was like and then i was a cadwallader and and then i was at waiting case uh tax like like what rob does yeah but you know when everyone's people like oh should i be a lawyer i'm like absolutely not like do is there anything else you like do that like whatever it is oh absolutely absolutely or a plumber you know if you have your own business yeah sorry sorry sorry sorry sorry yeah i'd rather be i'd rather be a ranger or a paladin
00:01:36	DM	Oh, sure. Yeah, yeah.
00:01:40	DM	Oh. Wait, what practice area were you?
00:01:47	DM	Next. Oh, okay. Yeah. I interviewed it.
00:01:57	DM	No.
00:02:01	DM	Yeah. Well, that's why I left. Because I was like, you know, like dollars per hour, I actually made more being a software developer. Like, this is stupid. Mm-hmm. Sorry, sorry. Let's go to the realm of Dungeons and Dragons where everything is much better. Yes, I agree. Wait, what roused you up? Oh, that triggers me. That and people who bring their quote-unquote service animals to the grocery store that clearly says, Yeah. If it's not a... Yeah.
00:02:14	Thomas A. Invictus	You guys, you guys are talking about the two topics that are on my mind constantly, which is like the line, the line cutting thing really riles me up. I hate that. The line cutting thing you're talking about. I just, yeah, there's a guy on my floor who brings his so-called service dog into the office.
00:02:40	Jetten Elisedil	oh yeah oh don't forget don't get rob started don't get rob started no my shit so we have we got everyone tom is tom on where were where we so we did the widow spend last
00:02:54	Thomas A. Invictus	And it's such a joke. Yeah. Yeah. Let's take a look.
00:03:04	Gren Greenmantle	yeah i'm here anthony will you move your mouse it's right over my interface thank you yeah what
00:03:04	DM	Yeah, yeah. Tom's here. Anthony's here. We all good. All right. Yes, you did. And I have a correction to make. When you were looting the Widow's Ledger, at one point I said it stopped half a year ago, then I said by accident a year and a half ago. So, it was half a year, six months ago. So, there was that.
00:03:07	Morgash the Gravemaker	Yeah, me too. Yes.
00:03:11	Jetten Elisedil	time and we've done the crypt right oh that's the widow here it is bill of laden do we do we need to

00:03:47	DM	Yes.

00:03:52	DM	Anyway, so yeah, you left the Widow's Fen. And when we last left off, you were marting your way back to Greenrest. And you arrived at the town line at sundown, where one of the scouts waves you on with a happy face spitting you into the town. And I'll leave it there if you want to get yourselves caught up. And in the journals button, there's, I think, I think I updated the handout, What You Know. So, that's number six now. Do you need a quick refresher? Okay.
00:04:22	Jetten Elisedil	restock guys for supplies or i mean well we should sell some of the stuff that we looted right we i think we got quite a bunch of don't need to care this is so cool i does anybody have any ideas about the ledger it was the wasn't it for body parts and somebody in the town buying and selling yeah or

00:05:11	Gren Greenmantle	was in the ledger again but it wasn't someone in this town was it it was someone in in the other
00:05:17	DM	Yes. Sorry. I'll be correct.
00:05:21	Jetten Elisedil	sell i guess selling the body parts to the widow the witches the hags oh let's see yeah it's in it's in the party inventory because we're in green rest now right but was the ledger for drag drag dagger ford or was it for green rest i mean let's let's just take a look because it's in there
00:05:29	Gren Greenmantle	town no i remember i thought it was daggerford but let's take a look sorry where is it is it
00:05:37	Thomas A. Invictus	Well, what does that last note say? I mean, it says that you stopped about a half a year ago beside the last one, an irritated clawed hand. A note in the same cipher underlined twice. Do we know? What does that note say? I don't know. Did we ask?
00:05:48	DM	Yep. I'm having you on the outside if you wanted to talk before you went into town directly.
00:06:17		The Party: The Widows' Ledger Junk A bill-of-lading book bound in mottled leather, damp-warped but meticulously kept. Every entry is written in the same crabbed cipher — columns of goods, prices, and dates, page ...
00:06:38	Jetten Elisedil	well we don't we we haven't deciphered the cipher right we just know that it's like it's like an accounting right yeah it's in the inventory it says the widow's it's a booking book it's most of the way down most of the way down for right on the inventory can i pull it up yeah i don't know if

00:06:39	Thomas A. Invictus	Oh, okay. I mean, it probably, it might have something to do with the body part sales, you know, the band of thieves or whatever that were stealing body parts from the agrafer, because that has something to do with my backstory. And she also, one of the hags even told us something about it. You guys should have let me make the decision.
00:06:49	Gren Greenmantle	in the inventory or is it in the journal i for some reason i just can't see it where is it
00:07:25	Gren Greenmantle	on the a standing stone beside a road do it does any of us recognize that from anywhere

00:07:44	Jetten Elisedil	yes yeah i think i think the hag said somebody in the town and it was a person and we were she didn't she wouldn't give us the name so i interpreted i interpreted it as green rest guys seems like there's something to do with with green rest and you know where they're getting their their money and their and their supplies and they're doing very well and they're very wealthy and then this journal but if if anyone wants to did we pass one at one point well matt i did i was making a map
00:07:59		The Party: The Widows' Ledger Junk A bill-of-lading book bound in mottled leather, damp-warped but meticulously kept. Every entry is written in the same crabbed cipher — columns of goods, prices, and dates, page ...
00:08:01	Thomas A. Invictus	So you think, you guys think that maybe that band of body parts smugglers is operating out of green rest?
00:08:33	Gren Greenmantle	every entry is written with a recurring mark that might be a standing stone beside a road
00:08:35	Thomas A. Invictus	Which item?
00:08:44	Gren Greenmantle	i don't recall that but maybe yeah and we can confront them i mean basically right now we
00:08:52	Thomas A. Invictus	Yeah. I kind of, I mean, if we're going to do anything, I would say, I want to interrogate Applewhite again. But that's only if you guys want to. Otherwise, I'd say, let's just head out.

00:08:56	Jetten Elisedil	if you recall did i was there anything is that okay okay perfect do you guys want to go into the town and ask any more questions about this ledger or do you want to go on i mean i think we should go in town at least to like sell these paintings and stuff but um while we're doing that does anybody want to go and try to investigate a little bit more with this information or do you just want to get some supplies and head out to the dragon or wherever we're going to go next mm-hmm yeah well you want to do that first well let's go by the tree and let's go to the um the merchant and then we can figure it out
00:08:59	DM	It was a perfect map from the hollow back to the town. You don't remember any standing stones.
00:09:07		The Party: The Widows' Ledger Junk A bill-of-lading book bound in mottled leather, damp-warped but meticulously kept. Every entry is written in the same crabbed cipher — columns of goods, prices, and dates, page ...
00:09:32	Morgash the Gravemaker	At least we should go near the tree to see if there have been more changes.
00:09:38	Morgash the Gravemaker	Yeah, that's what I have been saying.
00:10:05	Jetten Elisedil	from there right maybe we'll run into somebody while we're walking through town yeah well we should
00:10:09	Thomas A. Invictus	Okay. I'd say we go to bed, but bring back my speed again once I sleep.
00:10:11	DM	Okay. All right. So, you head back into town.
00:10:20	DM	Give me one second. I'm reading a note.
00:10:26	DM	All right. Yeah. You're welcome back into the inn. It's night. The shops are closed. There's really not much to do. You can hang out in the bar. Ambrose is there. Pip is off to bedtime. And you're welcome to do whatever you want, or you can go upstairs. I'll take you to the bar.
00:10:56	Jetten Elisedil	also yeah we should get a long rest right yeah i'm i'm down for that either yeah i i agree with i agree
00:11:05	DM	Okay.
00:11:17	Thomas A. Invictus	Oh, what about the, anybody interested in taking the tonic or not?
00:11:26	Thomas A. Invictus	I'm not.
00:11:31	Gren Greenmantle	have all the evidence that there's a dryad basically you know whose whose home is that tree and is sending bad dreams to the town and the town is basically just ignoring it i don't know i mean i would guess not a bad person i mean dryads are sort of neutral but it seems to me maybe it's it's her captivity is related to all the the summer weather and all the prosperity of the town and the town just seems to be ignoring it that's sort of my well wasn't wasn't um wasn't thomas's isn't that in thomas's history a little bit
00:11:46		Jetten Elisedil: Jetten Elisedil takes a long rest.

00:11:51	Thomas A. Invictus	But you don't think the dry, just to make sure we're on the same page, do we all think that the dryad is a victim in all this somehow? Not a bad person? Or what?
00:12:29	Thomas A. Invictus	Yeah.
00:12:30	Jetten Elisedil	with that for sure what do you think more gas wasn't it colin or something like that mm-hmm
00:12:32	Thomas A. Invictus	And what about, what about the body parts smuggling? How do you, how do you, how do you think that relates?
00:12:45	Gren Greenmantle	so it's so it's from daggerford so we don't we don't have a clear connection that they that the
00:12:46	Thomas A. Invictus	Yeah, but I don't know, I don't know how it relates to green rest specifically. I, the whole thing was that I uncovered the band of thieves that was, you know, they were grabbing the body parts from Daggerford and smuggling them into the forest. But I just assumed maybe that was the hags. Maybe it doesn't have anything to do with it.
00:13:07	DM	Yeah, Tom. Thomas and Victus. I mean, you did that check last time when you looked at the ledger. And it was pretty much a pure matchup to all the studies you had done in Daggerford when you were looking at the ledgers there. Remember that?
00:13:26	Thomas A. Invictus	Yeah.
00:13:31	Thomas A. Invictus	Well, well, yeah, they're smuggling parts into the misty forest somewhere and probably to the hags. So it's not necessarily related to people in Greenland. Not sure.
00:13:33	Gren Greenmantle	body part smuggling was part of what's going on in green rest so all that all the things that had the heart captive were all evil right the undead now the witch hags so you got to think like you know on the opposite end of that maybe the dryad was a force for good you know and all these evil people didn't like keep the heart and keep it captive and it certainly all this evil is preventing that the the tree from blooming there's some weird thing where it seems to be the town seems a little too militarized for a place that always says oh we never have any problems
00:13:53	Thomas A. Invictus	But I'm sure, you know, if I was going to take Applewhite, that would be somebody I would like to maybe push a little bit on that.
00:14:17	Thomas A. Invictus	Yeah.
00:14:39	Gren Greenmantle	and then who so who runs who runs the guards that's a that's a good question you know who who places the mayor one and the person who seemed unhappy that uh
00:14:47	Morgash the Gravemaker	It's too weird. Too many guards everywhere. I know that they said that they have all these creatures attacking at some point. But it's weird. It's more like there is something happening. They want to be in control. So I think that the guy that runs the guards knows more about it. We meet him at some point.

00:15:20	DM	Nope. There was a constable. He was the one that warned you about the displacer beasts. Yes.
00:15:20	Morgash the Gravemaker	No, but it happened again.
00:15:26	Jetten Elisedil	i think it was the apostatary you got you got yeah this isn't as good as the as the law rests in baldery a lot more activity going on
00:15:28	Thomas A. Invictus	Then again, the tree was already in the shape that it's in before they built the town. Don't forget that too. Well, maybe we should talk to the constable a little forcefully, him and maybe the mayor, and the mayor too.
00:15:46	Gren Greenmantle	that the tree was blooming who was that that was the apothecary so let's let's let's spend the night night be wary of intruders i'm i'm taking this double room but it's only for me i'm not letting anybody share the room with me yeah i'm gonna put some caltrops in front of the door just in case
00:15:51	Thomas A. Invictus	That was Stelma, the apothecary. Yeah, I think, yeah, Jett and Keebush. All right, I'm going to click the lawn.
00:16:06	DM	Yes.
00:16:14	DM	Well, yeah. Little Gran hops up into the giant human-sized bed and sprawls out kind of like he's on a double king bed for humans. All right.
00:16:33	Jetten Elisedil	are dryads does anyone know tom uh or or uh gren or thomas or mortgage can dryads transform into
00:16:37	DM	Speak.
00:16:40	Gren Greenmantle	i'm a little i'm a little worried about morgash he's missing lazel a little too much yeah i don't know
00:16:40	DM	Okay. You do that. You never know when little Pip's going to come after you. Oh, okay. So you all go to bed and close your eyes to sleep. Jeton, as you begin your trance, your moonstone glows green again. And you begin to dream.
00:17:02		Thomas A. Invictus: Thomas A. Invictus takes a long rest.
00:17:14	DM	You're all four on the same hillside, just like last time. It's high summer, and the valley below is in full bloom. Under the great tree stands a blonde woman and a raven-haired man. He walks up to the hill with her. It's clear that she loves him, and you can feel it. You know the way you know these things in dreams. The valley blooms harder every time he smiles. And you get a little montage in your dream. The seasons turn. Summer turns to spring. Turns to fall. It's never really quite winter. Each time they come, there's more silver in the raven-haired man's hair. She doesn't change at all. Near the end of the dream, you see the two of them sitting under a tree. Oh, oh, please.

00:18:22	DM	Under a tree. His silver hair. His silver head against her shoulder. Her hand in his hair. Neither of them are smiling. They both know what's coming, and only one of them can do anything about it. You all have the feeling that he will grow old and die. She turns to him and says, stay, stay. I will make it summer for you forever. Be as I am. Never end. And then you wake up, and it's morning.
00:19:12	Jetten Elisedil	you know the form of of women interesting did everyone have yeah i'm sorry gren
00:19:18	DM	Do it to either a nature or an arcana chick, whatever works for you. And, Grant, you can do it at advantage, because you're a native of the misty forest.
00:19:29	Gren Greenmantle	anything about didn't pay it triads are or say that or fey that fell in love with mortals but it looks
00:19:32		Gren Greenmantle — Intelligence (Nature) Check (Advantage): $2d20adv - 1 + 1 = 8$
00:19:37		Jetten Elisedil — Intelligence (Nature) Check: $1d20 - 1 + 3 = 18$
00:19:37	DM	You know that dryads are female. Well, Jeton, you're an elf, and you're a ranger. You're actually descended from the fae.
00:19:49	DM	There are frequent legends about dryads. They're usually fae who fall in love with mortals, and they're punished and turned into trees.
00:20:00	DM	Not necessarily in this case, but that's the general lore behind them.
00:20:10	DM	A mortal. And their punishment was usually they were turned into trees. That's why dryads are usually affiliated with trees. Yeah, you've matched it up before. I mean, honestly, she is the dryad. She's the dreamer. Yeah.
00:20:18	Gren Greenmantle	like no go on i think the does the so we see that all the drawings of the person in the dreams is it does she look at all like this blonde lady yeah yeah yeah she's the dryad so she's but so what's surprising here is she she promised to create to create an endless summer so it wasn't i mean there might might be something
00:20:22	Jetten Elisedil	i was gonna ask did everyone have i had a strange dream last night uh about a beautiful blonde woman and a dark-haired man did everyone have the same dream i think it has something to do i think it has something to do with the dryad and the the dead tree in the heart of green rest i'm not sure what it is but um i think that the woman has something to do possibly with this dryad mm-hmm
00:20:57	Morgash the Gravemaker	We need to check that tree at some point.
00:21:28	Gren Greenmantle	wrong with it but i thought maybe the town was keeping her captive because yeah i wonder like who got the second heart yeah but the it's in party stash oh that's that's not the tied heart but the oh it is that a beautiful green woman glowing white leaves crowning her head weeping she closes her

00:21:35	Jetten Elisedil	but her heart you know the heart is we're recovering the heart so maybe something happened to her magic right right the side heart well i think it's in your party stash right i think so
00:21:47	DM	Well, every time you... And there's a heart out there that no one's attuned to, by the way. But you do recall there's a vision they get when you attune to the heart, whoever's holding it. I think Morgash?
00:22:01	DM	I think it was Morgash. Yeah. What does your vision say?
00:22:04	Morgash the Gravemaker	I have one part.
00:22:11	Morgash the Gravemaker	I don't recall the vision.
00:22:14	DM	It's in the item, if you want to look. Yeah, you could look at that one. It's the same in vision.
00:22:27	DM	It should be. Yeah. You never really looked at your loot.
00:22:28	Morgash the Gravemaker	A beautiful... I have the gray heart. I have the gray heart.
00:22:33	DM	The Tideheart is the one you took from the... Yeah.
00:22:34	Jetten Elisedil	it's the tight heart it's the tight heart yeah well somebody has that somebody the grave heart yeah do you have that or something or or is it thomas or or is it more yeah does that say the same thing okay do you guys want to go check out the tree or
00:22:35		The Party: The Tideheart Trinket A quarter of a heart, turned to crystal: deep water blue, clear and cold, like light coming a long way up through black water. It is the size of two cupped hands, and the chamber ...
00:22:43	Gren Greenmantle	hands over her own chest and her heart bursts uh so maybe her heart burst when her husband died the first tries to miss back in it and the other one was the corpse heart what was it called the grave heart it gives you death um maybe maybe yeah yeah but we're not attuned to it yet i wonder if we should if we there's some advantage to tuning it to it at this point or we just wait till we have all four
00:23:26	DM	Morgash has it.
00:23:31	Morgash the Gravemaker	Yeah.
00:23:32	Morgash the Gravemaker	The tree, by heart, is broken.
00:23:38	Jetten Elisedil	well we go we better go see the mayor or no they said go to the mayor the mayor at the challenge
00:23:42	DM	Okay. Well, if you attune and choose to carry the Tideheart, you can cast Death Ward once per day and you have an advantage on Constitution saving throws.

00:23:55	Gren Greenmantle	uh yeah so i'd include a uh okay okay god man my words are just failing me i'll attune i'll i'll attune it i can't i have to find out what what items i'm attuning right now yeah okay i'll walk
00:24:10	DM	Yes, it does. I know what you're going to ask.
00:24:25	DM	Well, while you think about that, the rest of the party walks down and heads down for breakfast. You walk into the chatter. The common room is fuller than the hour deserves and no one is eating. Ambrose comes straight over, wiping his hands. You'll want to see the square before you eat. The old trees budded. Overnight. Hundreds of them. And a blossom or two are already open. Never seen it my whole life. The town's standing around it like it's a miracle. Oh, yeah. And the mayor sent for you. Breakfast at the tower. Yeah. Eggs on. He said don't waddle.
00:24:31	Gren Greenmantle	with them all right i'm i'm gonna unattune the uh wand of the warm age i can we say we i attuned it last night matt i'm gonna cast death ward and no i haven't i'm trying
00:24:43		Gren Greenmantle: Gren Greenmantle takes a long rest.
00:25:30	DM	Yeah, that's fine.
00:25:36	DM	I think. Did you take it from the party stash? Oh.
00:25:40	Gren Greenmantle	to find it attune oh nice oops i don't know if i was targeting myself go away there we go all right so they say to go to the square and see the tree all right i'm gonna grab a croissant to go though

00:26:22	DM	You overheard people talking about how amazing it was.
00:26:31	Gren Greenmantle	let's go see the tree first yeah let's get down get down the stairs sorry what's that sorry what
00:26:32	DM	Okay. All right. So you're going to the tree or you're going to the tower?
00:26:41	Jetten Elisedil	yeah oh and there's the mayor i was like let's talk to him hey well and they haven't come into
00:26:47	DM	Okay.
00:26:54	DM	Not visible here is a tree that's much more bloom than last time. There's hundreds of buds on it, fat and green. Here, there is a first blossom already open. People are just standing around. There's actually a bigger crowd than you see on the map. You overhear people saying that they've never seen it bloom before. You hear other people say, it's a miracle. I can't believe it.

00:27:20	DM	You four know it's a count.
00:27:30	DM	The four of you know that it's a count. One, two, three, four.
00:27:37	DM	I hope you do.
00:27:40	Gren Greenmantle	what's account yeah yeah yeah yeah that we know yeah um does anything they have what what um i have the the the tide heart stashed away in my in my pouch but i'm wondering if anything happens
00:27:42	DM	The tree's getting better as you get more pieces of the broken heart. Yeah.
00:27:51	DM	He's not supposed to be there. Oh, hello. Oh, I, yeah. Well, the butler has eggs up for you at the tower, but we could chat here if you want. There's a little restaurant we could go to. One of my favorites. Oh, yeah. Same, same as when I think Jatin was holding it at the time. You can feel the heart beating stronger. You step away and it beats less.
00:28:08	Thomas A. Invictus	Let's go there and eat with him. I'll talk to him.
00:28:21	Gren Greenmantle	when i get closer to it to the tree yeah yeah all right uh prop myself up on the large table
00:28:43	DM	Okay. Um, Oswin beckons you to a little shop sort of around here and he says, come, come, we'll just, we'll just order some eggs here. And he walks in and there's a small restaurant there. Uh, and he sits down and he bids you to sit at the large table.
00:29:10	Gren Greenmantle	find a book to sit on i have a hypothesis that the dreams come from the dryad who's
00:29:14	DM	Okay. Um, y'all order breakfast. It comes out piping hot. Um, and Oswin sort of opens the conversation and he says to you, for 15 years, I've been mayor and I've never once had to think about that tree. Now it's all anyone talks about. And he looks out the window, staring at the tree. I'll ask it plain to you because you've earned plain. You've killed long shadow. You've killed the displacer beasts, both a boon to us. But what is it you keep bringing back to our home? What are you doing here?
00:30:15	Gren Greenmantle	tree that is i'm wondering why you ignore the dreams and we've been dreaming about her quite a bit she is she in captivity underneath that tree or somehow being held captive inside the tree
00:30:19	DM	Well, I told you that's what I thought too before. So welcome to the club.
00:30:32	DM	Well, that's why we take the potion. It makes everyone sad.
00:30:48	Gren Greenmantle	no so they're only having the first dream well we've been having dreams we dreamed of the dryad
00:30:49	DM	I, I couldn't tell you. I mean, all we have is these dreams of utter sadness. And after a while, the town grew sick of it. I mean, we're not going to move. This is the only place we can really have a town. And look how prosperous we are. So we took the potions instead.

00:31:11	DM	And as you recall, your very first dream was very nonspecific. And all you had was a dream of sadness. Your first dream, you never saw the dryad. Or no, I think you saw like a brief vision of her. I take that back.
00:31:27	Jetten Elisedil	contact with the heart as we have right so that might explain why we have a greater affinity i was i was
00:31:34	DM	The what? The heart? What's that?
00:31:37	Jetten Elisedil	the zeal we're not sure yet yeah i tend to agree with morgash in the sense that we know there are
00:31:41	DM	Oh, whatever.
00:31:48	Morgash the Gravemaker	That's what he meant.
00:31:48	DM	Oh, that's what, that's how we felt every time that dream happened. So we took the potion. And honestly, we're all better for it. But, you know, what's strange is, some of us had a dream last night. You know how in the books say, you know, in the, in books you read, in the, the bards, the songs that bards sing, but how you have a dream and you can never quite remember. I, I don't remember what happened, but for the first time, I know that I dreamt something. I just don't know what.
00:31:49	Morgash the Gravemaker	Oh, what he meant was that if you have noticed someone traveling with a big caravan or cottage that comes and goes,
00:32:29	DM	First time the potion. You have. Well, you haven't been taking the potion. That's why. You should. It makes it a lot easier.
00:32:40	Thomas A. Invictus	The dreams aren't so sad anymore. I like it. Yeah, but not last minute.
00:32:44	DM	They've always been sad. What are you dreaming?
00:32:49	DM	What did you dream last night?
00:32:53	Gren Greenmantle	whose tree this is and her love someone who aged quicker than she did more yeah and she promised him that she would make it summer for him for eternity if he would stay but we all got the feeling that he would die i'm gonna use prestidigitation and make an image of of the man we saw in the dream and ask him if
00:33:03	DM	Fascinating. We've never seen that in a dream.
00:33:15	DM	Wow.
00:33:21	Thomas A. Invictus	Yeah, dark-haired, dark-haired man.
00:33:21	DM	So.
00:33:30	DM	Oh.
00:33:30	Gren Greenmantle	he's seen seen seen anything that anybody that looks like that what do you know of the hags that lived in
00:33:37	DM	Honestly, I've never. Interesting. What do you think this means?

00:33:49		Gren Greenmantle: Prestidigitation Transmutation You create a magical effect within range. Choose the effect from the options below. If you cast this spell multiple times, you can have up to three of its non-instantane ...
00:33:54	DM	Okay. Well.
00:33:55	Thomas A. Invictus	Mayor, we need to ask you another question too, which is, I'm in town because I'm trying to find a band of body parts smugglers.
00:34:10	Thomas A. Invictus	Well, we know that it's going on at least nearby, if not in the town itself, but we think they were the ones buying the body parts.
00:34:12	DM	What? Not in this town, sir. Not without my knowledge.
00:34:25	DM	Okay. Well, I'll help you in any way I can. What, what do you need to know?
00:34:38	DM	Well, there's. There's versions that come in here. Uh, it's random. Sometimes we get. Maybe one or two a month. Other times. Four or five. Usually it's the same ones. They all come. Trading different things. You know, like we told you before. Uh, we don't get that many, but the ones that come here. Come back. And. And we have a lot to offer. And. We're prosperous. And in turn, we make them prosperous too.
00:34:43	Morgash the Gravemaker	how often they come.
00:35:15	Morgash the Gravemaker	So they come and it's completely random. There is no pattern. Like, probably someone will come soon.
00:35:24	DM	I mean, there's certain merchants that come and go and they're the same person. But. I mean. There's one guy that comes to buy our apples. There's another that comes to buy our berries. There's other ones that pass through on the way and just stay the night selling things further along. It can be anything.
00:35:48	Gren Greenmantle	the green rest not in the forest not far from here in the misty forest mayor mayor can we have a minute
00:35:52	DM	He spits his apple cider. What? Hey, eggs. I mean, it doesn't surprise me. They're fae. This is a fae forest. But. I want nothing to do with them.
00:36:08	Thomas A. Invictus	Hmm, how would you, how can you, how can you promise that? How do you know?
00:36:11	DM	There is no way that there are potty parts being bought or sold in this town, good sir. I promise you that.
00:36:21	DM	Because the only person that buys and sells things is Wend. And I know she wouldn't do that. And why would we ever need to sell body parts? We have everything we want here.
00:36:36	Thomas A. Invictus	She's the only one, she's the only one who ever buys anything from the merchants or sells.

00:36:43	DM	She basically does. Yes. I mean. People sell to her and then she sells to the rest of the town. The town sells to her and she sells to them. I mean, she's still trying to sell some of the crap from that undead place that you cleansed, whatever you want to call it, recently. It's the way things work here.
00:37:08	Thomas A. Invictus	I mean, well, let's ask him to keep it between us and see, and then see what happens. I mean, I don't think we're going to get anywhere with him if we don't tell him.
00:37:09	Gren Greenmantle	to talk amongst ourselves we have to just yeah i understand i understand that so should we just go ahead and let them know about the hearts see what happens they don't seem to be that evil i mean they haven't done anything i mean it is suspicious that there's so many guards but it's oh but i mean
00:37:12	DM	I mean, sure. I just. I want to trust you. But it's getting harder. I have to be honest. But I'll go stand by the tree and all the blossoms. Okay. So he walks away. With his host.
00:37:43	Morgash the Gravemaker	Probably, you know, everyone here likes to gossip.
00:37:59	Morgash the Gravemaker	If we told him... But we already got a lead. The woman, it's the one that deals with the merchants. He should know all the merchants that pass through the... camp or to the town. And... she should be able to know... or at least have an idea of the schedule. And we could try to figure out what... who was the person that was bringing the body parts.
00:38:07	Thomas A. Invictus	So we either have to tell him or, or just go, and somebody's got to know about this because, I mean, there's a good chance that once we get the whole heart, that's going to mess up the town's prosperity.
00:38:07	Gren Greenmantle	yeah do we know that though yeah but but the dryad i would i would share with him that that we're finding
00:38:46	Jetten Elisedil	four parts of the heart and we're gonna have to get the others to the other two and talking to these people isn't gonna help us get the other two and they we don't we're not sure if they're good or bad yet really so not that there's anything wrong with them but i don't think we're gonna get any benefit by bringing them into our confidence too soon um i mean at least maybe we can get one more piece of the heart and then we could ask them at that point but you know i think we know what our mission is well that's another reason not to tell them about it then
00:39:00	Morgash the Gravemaker	Yeah.
00:39:33	Thomas A. Invictus	That's, that's, and so somebody's going to be upset about that and come after us potentially.
00:39:42	Thomas A. Invictus	Yeah, we don't know that for sure, but it's a hunch. I mean, the tree's dead, everything, everything around here is great. So, I mean, somehow or another, they're siphoning off energy or something, maybe.

00:39:52	Morgash the Gravemaker	The only thing... the only thing that is keeping the... the sommer... is her. once she... come out of... of the tree or whatever... I don't know what will happen.
00:40:18	Thomas A. Invictus	So it's putting the town, the town's entire livelihoods at risk. So, I mean, that seems pretty dangerous for us, potentially.
00:40:32	Thomas A. Invictus	It sounds like the consensus, I'm happy to go talk to him a little bit more forcefully, but if the, it sounds like the consensus is maybe we should just move on and not tell him our secret.
00:40:45	Jetten Elisedil	i mean that would be my preference but i'll go with whatever everyone else wants to do for sure i just don't think it's going to benefit us yet i mean what unless we're you know what are we trying
00:40:55	Jetten Elisedil	to find out we don't really know right we're just kind of searching we're just waiting on mortgage
00:41:04	Thomas A. Invictus	Grant and Mortgage, what, what's your vote on that? What do you think?
00:41:07	Thomas A. Invictus	All right, well, what do you think?
00:41:12	Gren Greenmantle	the hearts or that the or the relics we're finding seem to be awakening the dryad who's trapped but um it doesn't i wouldn't insist on that it would yeah i mean he certainly doesn't trust us and thinks that that what's happening in the town has to do with with uh us or what's happening to the tree is it has to do with us yeah but maybe we can pose it as i you know i think you know that the dreams would end if if uh if we were able to the uh remove the curse from the dryad how did her how did her heart like
00:42:10	Gren Greenmantle	break into four there was something that said where it broke into yeah yeah yeah um you don't want to tell that you don't want to tell them about the hearts at all right
00:42:14	DM	In the vision from the whoever attunes to the heart. She grabs four pieces of her heart. She splits it into four and they shatter and spread across the valley. And the mist part.
00:42:30	DM	Because don't forget, the whole forest is misty except for this place.
00:42:42	Thomas A. Invictus	What's the final vote?
00:42:49	Morgash the Gravemaker	Sorry.
00:42:57	Morgash the Gravemaker	At least... if we're going to tell... don't tell that we have two pieces.
00:43:08	Morgash the Gravemaker	If you want to tell them... don't tell that we have two pieces. Or we just... could tell them that we're searching for them. But last time that we tried... they didn't know anything about the heart. Or at least they... said that they... didn't know anything. The Martian woman... also didn't know anything.
00:43:34	Morgash the Gravemaker	But we could try.

00:43:40	Thomas A. Invictus	Okay, well, Oswin's back standing next to me again. So, oh, look.
00:43:45	DM	Yep. He just drives back as you finish talking. And he says, well, that toast was good. Is there anything? What's going on?
00:43:55	Thomas A. Invictus	So, Oswin, the thing is, is we really want to trust you and we know that you don't totally trust us either. And I totally understand that. And we have a theory as to what's going on with the tree, but we're just a little reticent to share the information with you. Because we know, I mean, think about it from our perspective. If we know that something really bad is going on around here, not necessarily in the town. But there's this unnatural wealth that you guys seem to have, and it's tied to this freeze somehow with a, you know, possibly an imprisoned dryad. And then there's this necromancy body part trade going on. So you can understand why we're a little reticent to tell you what our theory is.
00:44:14	DM	Oh, okay. Well, okay. So I. This is a lot to unpack here. So first of all, we've been nothing but super good to you. We give you free room and board. I don't see you paying for those eggs you just ate and the croissant you took. All of that.
00:44:47	Thomas A. Invictus	Is there anybody in the town that seems upset about the tree?
00:44:47	Gren Greenmantle	the goddess shantae has forsaken you she doesn't bless your priest or grant her the blessings of nature and you have this dead tree and you seem to ignore the dryad who seems to be
00:45:07	Gren Greenmantle	pleading for help i feel i think i think you would be excited the that you've been your dreams have
00:45:29	DM	It baffles me that you don't trust us when we've done nothing but give our open arms to you. I'm still processing this thing about a dryad suffering. I told you we know about the dreamer. I told you we know that we think that there's something that creates the bounty of this area, of this valley. But I can't tell you more than that. We're not holding anything hostage, if that's what you're talking about. I don't know why you think that. And quite frankly, this whole body part thing is very disturbing to me. And I don't know where that's coming from either. Yeah. So I see what you're saying. But I think it's a bunch of hogwash. And we've been nothing but super good to you. And clearly there's something going on. Every time you come back, the tree gets better. And no one's telling me anything. That's all I can say.
00:46:29	Morgash the Gravemaker	Yes.
00:46:44	Thomas A. Invictus	It seems like most people are excited, but anybody who doesn't seem happy about it. Yeah, I can't say I would blame you for that.
00:46:49	DM	I mean, it's sort of nerve wracking. But what does this mean? Nobody's lived here when this tree is bloomed. And wouldn't you be a little bit upset if you were in our shoes?

00:47:11	Gren Greenmantle	been haunted you have to take drugs every night in order to shield yourself from the dreams of the dryad
00:47:16	Gren Greenmantle	screaming from the tree and now the now the dryad is coming to life let's go to win first and and see
00:47:20	DM	She never screamed in the dreams. The only thing was a profound sadness. And you know what? We can't help that. We're not holding anyone prisoner. It was like it when we got here. This is quite frankly, the only place that we can settle and become prosperous. We tend the land. We harvest the fruits. I can't tell you about the shanti thing. But I told you I suspected the same. I've been nothing but super duper honest with you. I'm kind of upset, and I'm going to leave now.
00:47:56	Morgash the Gravemaker	No... no... don't leave. Don't leave. So... the truth is... that they're... beyond... where you guys don't go. Where you guys don't see. There have been... evil... things. And we... the only thing that we have been doing... is cleaning... surroundings... so that you guys... could live... and prosper.
00:48:35	Morgash the Gravemaker	Sorry if... things... got a little bit messy... or... misunderstandings... happen. Right? It's just that. And now that we're doing... the cleansing... of those... outer parts... then... it seems that they were... holding back the tree. And that's why the tree... is... getting better.
00:49:01	DM	I see. So you killed the undead. You killed the hags. And somehow the eradication of the evil is making the tree better. That's helpful. Thank you. Thank you for finally being honest with me.
00:49:24	Morgash the Gravemaker	The thing is that... it... it's been disturbing for us... probably it's going to be disturbing... for everyone... in the town. That's why... we just wanted to make sure... that we could trust... this... so that... there... are not... bigger commotion... within the town. It's just that.
00:49:42	DM	Okay. Okay. Well, there is commotion. People are talking about the tree. Some people had a weird dream for the first time in our lives. I mean, since children, at least. I need to process this all. Well, I'm going to go to my tower if that's okay with you. But I thank you for finally being honest.
00:50:03	Morgash the Gravemaker	Sure. Yes. And... it seems that... that we could trust each other. Right. Take care. And if you hear anything... please... let us know.
00:50:06	Thomas A. Invictus	One, you might consider, and I would also say just you might consider not taking the potion and see what happens. Because we've been experiencing the dreams. And it doesn't seem to, it's not hurting us. Yeah, that sounds like a good idea that we compared, we can compare notes on the dreams. So he really doesn't know anything.
00:50:12	DM	Okay.
00:50:24	DM	I'll take you up on that, sir. I had my last dose four days ago, and I won't take the next one. How does that sound?
00:50:39	DM	Okay. We'll do that.

00:50:51	DM	Thank you. And he walks away.
00:51:06	Thomas A. Invictus	Well, I say, I mean, look, if we're doing it, we might as well, we should talk to Selma, because she's the one who seems agitated that the tree is growing.
00:51:23	Morgash the Gravemaker	And she's the same one... that is doing business. Right.
00:51:29	DM	Wend is the general vendor. Selma is the apothecary.
00:51:32	Morgash the Gravemaker	Okay. Okay.
00:51:39	Gren Greenmantle	if there's anything we want to buy we're fight we're fighting the temp the temple of shar next yeah you need a ranged weapon i know i know i there was a longbow and i'm like does anybody want the longbow
00:51:42	Thomas A. Invictus	Okay.
00:51:42	DM	Okay.
00:51:42	Jetten Elisedil	agreed what kind of research is that thank you let's see what you have why don't we take a look at
00:51:43	Morgash the Gravemaker	Yep.
00:51:53	Morgash the Gravemaker	We're leaving the dragon... to the end, right?
00:52:01	Morgash the Gravemaker	By that time... I will need to buy something... so that I could... do damage... from distance. I don't have a range weapon.
00:52:21	DM	All right. As you talk about your purchasing decisions, you make your way to Selma, and she says, Oh, it's you. What can I do for you?
00:52:22	Gren Greenmantle	and you didn't say anything so we can buy the longbow back no it's all it's all it's it's all in bardi's stash oh we just wanted to see what you had to purchase and to see if you would buy all this loot we found oh sorry i thought we were at land we're at we're at the uh the carry oh oh god i got you confused you look so much alike yeah but you you both have hair yeah
00:52:26	Morgash the Gravemaker	Yeah. I don't have no money. I lend... all my money to someone... that I haven't paid.
00:52:55	Thomas A. Invictus	How do you feel about that, the tree growing?
00:53:03	DM	I mean, generally, Wend buys loot, but I could possibly buy a few things if you want.
00:53:14	DM	Oh, no. I'm the apothecary. Yes.
00:53:21	DM	It's okay. I have dark hair. She has gray hair. But otherwise, yes, we're both women.

00:53:29	Gren Greenmantle	um anyways we were wondering what you'd heard about the people having stronger dreams recently we were wondering if you knew anything about them or what they were about
00:53:41	DM	I know no one can remember them. All I know is people didn't sleep well. I'm going to have to research if I can make this potion stronger. I just, I don't know what to do. And the tree is growing. And I don't know. It's very confusing to me.
00:53:44	Gren Greenmantle	well well i i don't think so but i think we want to buy this well i want to buy the we should buy the
00:54:03	Thomas A. Invictus	Do you think there could be, are you worried there could be any negative consequences for the tree starting to grow?
00:54:05	DM	Well, I don't like change. Everything is pretty good here. And that's change. We have a good pattern here. I know that there's a dryad. I know it gives people bad dreams. But quite frankly, what can we do about that?
00:54:30	DM	As of this morning, yes. Maybe we'll all start to get sad again. I really don't like that. Pretty much nobody does. The children cry.
00:54:33	Thomas A. Invictus	What do you think might happen that could be negative?
00:54:56	Thomas A. Invictus	Why do you think the tree growing would cause people to get sad?
00:55:02	DM	Do you think they're connected? I mean, the dryad makes us sad. That's the dreamer. Something's happening to the tree. Maybe she's getting stronger. And maybe the dreams are going to get worse again. I don't know.
00:55:18	Thomas A. Invictus	But just for your information, we've been having, we had a dream last night, and it was anything, but it wasn't sad. Like the first dream we had seemed quite a bit different, not, not such that I was, well, in the dream, instead of her being so sad, it was more, she was with a man, that he would seem like he was a human, and he was aging, and she wasn't, but they loved each other, and they were sitting underneath the tree. But it wasn't, it didn't elicit this really deep sadness, like the first dream we had, it wasn't like that.
00:55:30	DM	What did you dream? This is very valuable information for my research.
00:55:37	DM	I have to make the potion stronger.
00:56:03	DM	Oh, my goodness.
00:56:17	DM	I've never had that dream. I mean, everybody's had the same dream of sadness and loneliness. And that's why we took the potion. I mean, I don't think anybody in this town has dreamed for years. Ever since, or whenever someone turns six, they start taking the potion. And we don't have those dreams anymore. Until this morning.
00:56:43	Thomas A. Invictus	Yeah, so that's, I'm just, I'm just wondering why, you know, maybe the dreams are changing along with the trees, so I wonder how, is it still important to mask them? I don't know.
00:56:58	DM	I don't know either. That's why I'm nervous. I don't like change.

00:57:08	DM	Why can't it just be the status quo? Everything was good.
00:57:15	DM	Is there a potion you want to buy?
00:57:24	Jetten Elisedil	around where's though just we can pop it up yep thank you well we'll have more when we um we have
00:57:27	Thomas A. Invictus	There's a long, she has a long bow.
00:57:29	Gren Greenmantle	long the longbow back no we sold it to her it's still in her inventory perfect yeah it was sarah's longbow that's probably what yeah how much money do we have in party stash we should buy some healing potions we have no money in party stash yeah yeah we'll yeah we'll come back and buy a few a few
00:57:32	DM	I don't have any longbows. You might want to go talk to Wend.
00:57:39	DM	Oh. Oh, you did. Look at that. I should have sent that to Wend. And if you want it back, honestly, you can have it. Who wants it?
00:57:55	Morgash the Gravemaker	I could have it.
00:57:56	DM	Here you go. She hands it to you. It is now in your inventory. Is there anything else? I have to get back to work and researching how to make a stronger potion. You want a healing potion or anything like that? I have those too.
00:58:11	Morgash the Gravemaker	Just...
00:58:12	Morgash the Gravemaker	how often he comes.
00:58:30	Jetten Elisedil	three carbon pieces and we'll have more of them when we sell things to um indeed now yes we have
00:58:38	Gren Greenmantle	a few more we only have three platinum right now all right thank you selma this town's starting to not like us we do we show her all the stuff we have to sell if she's willing to buy it well not not not the journals but like oh no i'm thinking of this silk here and the oil painting
00:58:42	DM	Okay. Well, off you go to the Wend then.
00:58:51	DM	Bye-bye.
00:58:56	DM	Hello.
00:59:00	DM	Got more wares for me?
00:59:02	Thomas A. Invictus	We do. Good to see you.
00:59:07	DM	What you got?
00:59:14	DM	Let me see. Oh, let's see. What's in your inventory?

00:59:22	DM	It all looks good. I'm not really into necrotic swords. Ooh, a periton feather. I like that. You want to give me your journals though? Boy, I mean, I guess I could take out the bad pages and keep the good ones. And honestly, I don't really want jars of people's fingers. That must have come from that hag that I heard you kill.
00:59:50	DM	Silk. Ooh, let me see. The oil painting. Which one is that?
00:59:52	Gren Greenmantle	silver tea set it's a sunlit wetland wetlands it was a portrait of a merchant the three ladies drinking tea beautiful painting very valuable oh yeah oh who was he and what did you buy and sell here interesting what
00:59:59	DM	Very nice. Any other paintings?
01:00:06	Jetten Elisedil	we have these tea cups well yeah can we let's sell the like all the tea the paintings
01:00:06	DM	Oh.
01:00:09		The Party: Gilt-Framed Portrait of a Smiling Merchant Adventuring Gear A competent portrait in a gilt frame worth more than the sitter: a well-dressed man in his study, green waistcoat, gold signet ring on his r ...
01:00:11	DM	Okay. Oh. This merchant. I've seen him before. He's come from here. Yeah.
01:00:13		The Party: Gilt-Framed Portrait of a Smiling Merchant Adventuring Gear A competent portrait in a gilt frame worth more than the sitter: a well-dressed man in his study, green waistcoat, gold signet ring on his r ...
01:00:24	DM	Well, not for a while. Not for about six months or so.
01:00:31		The Party: Gilt-Framed Portrait of a Smiling Merchant Adventuring Gear A competent portrait in a gilt frame worth more than the sitter: a well-dressed man in his study, green waistcoat, gold signet ring on his r ...
01:00:35	DM	He was pleasant. He paid on time. It's really all that I ever asked of him. But now that I look at this portrait, let's see. Yes. Well-dressed. Green waistcoat. Oh, that golden signet ring. You can't miss that. Oh, he'd like to show that off. Um, I can look in the ledgers. I think I might have something. Let's see.
01:00:52	Gren Greenmantle	was his name do you remember a gift with gratitude for my best customers confident you would never bite the hand that feeds you aha so this is him this is the guy who does the merchant it's uh he looks like um tom what did he sell stuff to you rethink that he might have been
01:01:05	DM	Um, oh. Did you see it? The signature? What does that say? A gift? Uh, let me look that up and you can read that out loud for me, please.
01:01:41	Morgash the Gravemaker	Probably... probably he... he's coming back soon.
01:01:41	DM	Here it is. Renlo. Renlo Vack. That's his name. According to this, he was on his way back to Daggerford about six months ago. Haven't seen him since.

01:01:54	Thomas A. Invictus	That's when, oh, I love mother, yes, I'm speechless, I finally found, I know who was responsible for my family's assassination, so the debits and credits would be backwards.
01:01:57	Morgash the Gravemaker	No need to talk with...
01:01:59	DM	I hope so. He always had good money. Why? Why are you looking for him? And where did you get this weird picture? Uh, no, he was, oh, I mean, you know, he went out back and forth from the Fen Road with boxes and came back without them. Uh, I mean, I sell flour and weapons this year. I, I didn't follow him.
01:02:08	Gren Greenmantle	involved in some illicit trade like a great evil yeah what did you sell what did he buy from you or what did he sell yeah well we think he was involved in the trading of body parts to the hags well we found this uh we found this painting we we we took care of some hags who were who were involved in trading body parts it does look like tom what's his name
01:02:28	DM	Oh. Supplies for food, camping, things like that. You know, we would trade jewelry once in a while. Well, I always had money on his way back.
01:02:46	DM	Uh, what?
01:03:10	Gren Greenmantle	yeah that's him read what the signature says he made a little play on the words i bite the hand
01:03:10	DM	I'm, I'm, I'm shocked that, uh, and this, I, it, I can't.
01:03:20	DM	Oh, oh, I, I would assume he meant the eggs were biting his hands or something, but it could be, I, I just, I need to process this. I, I need to tell, I need to tell Oswin. I can't believe someone like this was going through a dog. Oh, I mean, he said he planned on making his trip every couple months and he hasn't been back. I can't tell you. He's not a friend of mine and I don't think he's, business is welcome here if it's true what you say. And I'm really disturbed that those boxes might have body parts in them. I always thought they were apples and, and nice things.
01:03:20	Gren Greenmantle	that feeds you and he was feeding the man's yeah did you ever smell them well would you i'd like to show
01:03:24		Morgash the Gravemaker — Charisma (Intimidation) Check: 1d20 + 0 + 3 = 20
01:03:42	Morgash the Gravemaker	with him. We could handle it. We just need to know... if you think that... he will be coming back soon.
01:03:48		The Party: Acorn Junk An ordinary acorn. This one has been generously slobbered on by a squirrel. Allegedly valuable. The squirrel seemed sincere.
01:03:52		The Party: Bag of Emberspice Chai Adventuring Gear Black tea cut with cardamom, dried firepepper, and something that hums faintly on the tongue. The bag is stamped with a chandler's mark.

01:03:55		The Party: Bag of Fen-Orchid Oolong Adventuring Gear Hand-rolled leaves scented with a swamp orchid that shouldn't make anything smell this good. An acquired taste that rich tables pay well to acquire.
01:04:20	DM	No, he, he always kept them well sealed and, you know, we'd only see him go through town with a couple of hired hands and that was it.
01:04:31	Morgash the Gravemaker	Oh. Higher hands?
01:04:36	Morgash the Gravemaker	You describe the people that... came with him?
01:04:42	DM	I'm sorry, what? Well, pretty much every merchant has hired guards. The forest is dangerous. That's why they come to trade with us. There's bounty of fruit and berries that you can't get anywhere and they bring us supplies. It's what I like to call a symbiotic relationship. I learned that from a traveling bard. I like that word, symbiosis.
01:04:44	Morgash the Gravemaker	The people that... so... you said that he had some... higher hands. so... helping hands...
01:04:50	Morgash the Gravemaker	I guess...
01:05:03		The Party: The Widows' Ledger Junk A bill-of-lading book bound in mottled leather, damp-warped but meticulously kept. Every entry is written in the same crabbed cipher — columns of goods, prices, and dates, page ...
01:05:13	Gren Greenmantle	you the the ledger i take out the ledger and show it show it to her i'm wondering no i want you to look at it this is a bill of lading we broke so yeah but i was wondering if you could check if you have that those records could you check the dates in your records against the dates here to see if it coincides with renlow's visits or is is his name in the in the widow's ledger and did we crack
01:05:19	DM	Oh, okay. To buy, to sell, it's written in something I can't, yeah, that's exactly what it looks like. Whatever is being bought and sold is in code, which looks kind of suspicious to me. Usually when I write stuff, I say, party adventurers sold me something and I sold them that. That's the way it usually works.
01:05:57	DM	Okay.
01:06:01	DM	How interesting.
01:06:05	DM	And she spends some time doing that and there's some general pattern of when Renlo Vec makes a little bit of money. It's generally around the same time that he makes his trips back and forth here. Maybe like off a couple days or two. No, the cipher Thomas recognized as the ledgers that he was inspecting as a scribe of someone is buying and selling body parts. But they were, you know, written in code.
01:06:27	Gren Greenmantle	the the cipher right do you have a signature of his did he ever sign for anything yeah but you

01:06:47	DM	And, you know, he has debits approximately the same time that he's making his way through. And Wanda says, well, it makes sense if he was selling stuff to the hags, they would pay him. Then he gets a deposit in his ledger, right? Oh, I'm speechless, too. Although, now that I look, oh, this is on the wrong side. This would be the ledger that the hags must have kept. Okay, got it.
01:07:11		The Party: The Widows' Ledger Junk A bill-of-lading book bound in mottled leather, damp-warped but meticulously kept. Every entry is written in the same crabbed cipher — columns of goods, prices, and dates, page ...
01:07:39	DM	Yeah. My bad.
01:07:48	DM	Um, not really. Everybody sort of pays with gold coin here. We don't accept checks.
01:08:01	Thomas A. Invictus	How often did you say it usually comes back and forth? It's been six months since you've seen him, so that's been, it's been a while.
01:08:04	DM	Every couple months? Yeah, I mean, technically he's due, but I don't think he's welcome here anymore. That's for sure.
01:08:18	Morgash the Gravemaker	why he's not welcome? We are... we don't know for sure.
01:08:25	DM	That's fair. But I'm looking at Hag Scrawl and a picture that he gave Hag. It's like, this isn't good.
01:08:34	Morgash the Gravemaker	You don't think that... we'll be... yeah, yeah, yeah... but... but you don't think that... we'll be better... if we... could make sure that... it's like that? Why not let... next time that he comes... you... deal with him... and... you let us know. And then we could... set things right.
01:08:53	DM	Okay. If you're going to be here, I'm sure to tell you.
01:08:55	Morgash the Gravemaker	I already have the boat.
01:08:59	Thomas A. Invictus	Yeah, we won't be out of the town for more than a day or two at a time, so try to delay him. If he comes in town, keep him here, delay him. And he also must have a way of communicating with the hags, maybe there's a courier.
01:09:06	DM	Okay. We'll do that. I'll talk to, I'll do that. I'll, I'll talk to Oswood and the Constable and we'll make sure that this guy goes nowhere.
01:09:15	Gren Greenmantle	but you said he usually came every couple months and now it's been six months and how often did he visit the uh hags from the ledger no i'm not i'm asking like if can we make that out from the ledger he is one or two trips overdue well we can sell a lot of that sell everything
01:09:20	DM	Yeah. He's, he's long overdue actually, but who knows?
01:09:27	DM	I mean, I didn't know he visited hags. I knew he took the Fen Trail, but, oh, um, yeah. I mean, it looks like he would probably every two to three months when shrugs his shoulders. I don't know.

01:10:03	DM	Um, I'm sort of amazed at all of this stuff. I mean, how many hags keep silk? What do you, what can I get? What can I buy from you? This is kind of nice stuff.
01:10:21	DM	Okay.
01:10:24	Jetten Elisedil	here for example can we just drag it in and then then that sells it right so everything's going to be half half half of the listed prints yeah so let's you guys want to sell all this tea and silk
01:10:26	Gren Greenmantle	that's valuable yeah so i'm just looking at i mean i'm rereading my my uh backstory but all it says about the four hearts was that i saw it in the ledger and uh i was concerned what the what the
01:10:30	DM	Click on her and do what you need to do.
01:10:53	DM	Yep.
01:10:57	DM	Yep.
01:11:03	Jetten Elisedil	and paintings and everything i think so i didn't sell the painting of the merchant just in case we need
01:11:08	Thomas A. Invictus	Yeah, I think so, yeah.

01:12:31	Gren Greenmantle	that and i'm just gonna give myself what plus one d4 like i'm not very good at arcana being a uh
01:12:32	DM	Sure.
01:12:37	DM	Mm-hmm.
01:12:43		Gren Greenmantle — Intelligence (Arcana) Check: $1d20 + 1d4 - 1 + 1 = 9$
01:12:47	Gren Greenmantle	yeah yeah we got the bow how much money do we have now um we have 1500
01:12:49	DM	Um, I mean, it, it makes sense. Fae magic is generally unpredictable, unstable. Everything you know, this is created by a Fae. Makes sense.
01:13:26	DM	All right. All good shopping.
01:13:31	Jetten Elisedil	it guys but more guys are you going to buy a bow or a crossbow or something okay so i think we should get some potions and i've if you guys i think we should grab at least one thieves tools in case we need it for next time if there's like a lock or something like that does anyone need like armor or other weaponry i don't think i think it's just basic stuff
01:13:34	DM	Looks good.
01:14:00	Jetten Elisedil	here i think we have like 1500 bucks and they have half plate mortgage do you not have any armor at
01:14:11	Gren Greenmantle	and that is enough to buy plate mail for morgash would sort of exhaust us but where's the party inventory oh exactly 1500 so we wouldn't be able to afford anything else
01:14:28	Morgash the Gravemaker	No, it's... it's good.
01:14:34	Gren Greenmantle	i matt i have a question i couldn't figure it out by looking at it is is the is the staff that i have is it plus two to hit i yeah i got that fancy staff from the uh the bog okay but it says i'm plus five to hit with it and then like i'm only plus two with it oh i guess i'm plus five with the dagger okay x charity i get x charity with it okay yeah so it's not a it's not plus two if it were a plus two
01:14:45	DM	I mean, you have a staff. Let me see.

01:14:51	DM	Oh, the bog staff. Uh, you know, honestly, it came from the monster man. You know, what does it say? It does one D8 that description is probably cause the bully will get plus two strength. It's just a regular staff that hits with poison damage.
01:15:24	DM	Proficiency bonus plus three. I don't see. I mean, it is what it is.
01:15:38	DM	It's not even technically magical.
01:15:41	Gren Greenmantle	yeah oh okay but it does poison got it okay okay okay gotcha okay so it's not something that i should hand over to the fighters that's what i was basically wondering yeah do we have to be proficient in thieves tools to use them okay yeah so definitely buy some thieves tools no he it would yeah the only thing up from there is the plate mail yeah and then there is yeah oh the sentinel shield but he doesn't use a shield
01:15:44	DM	Yeah. It's got like a bully wug poison over it. Probably it'll get stale in a couple of days.
01:16:03	Thomas A. Invictus	Yeah, I noticed there's a forgery kit in the, she's selling a forgery kit. I wonder if we could use that to look, could we lower this guy with that somehow?
01:16:08	DM	She has lots of kits. Nope. You just don't get your proficiency bonus.
01:16:31	Jetten Elisedil	all the slint armor yeah okay and then we should probably get some potions guys some healing potions
01:16:33	Morgash the Gravemaker	Yeah, I have armor. But it's just... plain.
01:16:55	Gren Greenmantle	what else is there yeah okay yeah i don't know what we're afraid of i would i sort of want to like tell them what's going on and that that this dryad is basically her heart has been captive by all these evil creatures and we're freeing it you know yeah well they i think they were angry because i didn't yeah understand they knew we were doing something and we weren't being straightforward with them
01:16:57	DM	I'm going to, I'll be back in one minute.
01:17:33	Jetten Elisedil	well i mean i think we pretty much told them most of that anyway you know and the more we told them the more angry they got yeah i agree more gosh was right though i mean these guys aren't doing anything we're doing all their work for them you know basically we're cleaning up the the we're cleaning up the surrounding areas for them which is true i was going to say the same thing and they're just
01:17:51	Gren Greenmantle	we're still not being straightforward with them but yeah after more gosh bullshit yeah what was it what was the story anthony yeah and the tree is blooming because of it yeah yeah all
01:18:12	Thomas A. Invictus	Yeah, the mayor seemed happy after we, after we explained a little bit more.
01:18:15	Thomas A. Invictus	I have one, actually, I have three, I have the green rest tonic, and I have an antitoxin, and I have a potion of healing.

01:18:31	DM	I'm back.
01:18:34	Morgash the Gravemaker	That's... yeah. Basically.
01:18:42	DM	It's a good story. It's very believable.
01:18:42	Jetten Elisedil	sitting around getting happy i mean i don't think there's anything else here for us guys uh i think
01:18:50	Gren Greenmantle	right yeah matt we just want to buy some potions at the from um yeah from uh from selma does anybody have any potions right now yeah so i would say that yeah so we should all have at least two regular potions of healing and they're super useful if we want to heal our allies or bring people up
01:18:55	DM	Oh, okay. Sure. Off to the apothecary. You go.
01:19:14	Morgash the Gravemaker	I think that I have... one.
01:19:25	DM	Morgash has a potion of healing.
01:19:26	Jetten Elisedil	all grass has some i don't have any i don't think nope yeah graham why don't you figure it out and just buy however many we need and then we can divvy it up i need to and what about thomas what do you
01:19:35	Morgash the Gravemaker	I have two. Two greater... and one normal.
01:20:01	Gren Greenmantle	so so so i need two more gosh needs one who so five and is that it and sex all right i'm just going to take 300 gold out and then everybody oh i guess okay i wonder if i can i'd have to move 300 gold from
01:20:14	Morgash the Gravemaker	Yeah, one.
01:20:21	Jetten Elisedil	what have you got so six excellent yeah right yeah we should i think we should head out and there's
01:20:23	Thomas A. Invictus	I have one potion of healing in my inventory.
01:20:26	Thomas A. Invictus	So what do we do, go to the party inventory and take one of these potions?
01:20:46	Gren Greenmantle	party stash to me and then i'm going to buy six potions of healing and then i can
01:21:01		Party Stash: Gren Greenmantle withdrew 300 gp from The Party.
01:21:16		Loot Shelf: Gren Greenmantle bought 6 × Potion of Healing from Selma for 300 gp.

Hey, Matt, I'm going to, once, as soon as we leave, I'm going to cast Find Steed, and this time I'm going to have a, I'm going to cast my otherworldly steed spell, Find Steed, and this time it's going to be a celestial instead of, okay, like, let's say a white horse.

01:23:10	DM	It's an angelic horse.
01:23:17	DM	It's still late morning. You head out. You could do a day's march. Maybe camp. Looks according to the map. Probably hit what you think is the temple in half a day.
01:23:36	DM	All right.
01:23:40	DM	So you head out. The first day goes uneventfully. You travel through the misty forest. You set up camp. And nothing happens of note. No dream. And you continue on the next morning.

01:24:04	DM	I'll just presume the buffs you have on now are the buffs that you cast later the next day. And as you follow the map using Chetan's cartography abilities, you finally come up upon what looks to be some sort of structure. As you approach, the forest goes quiet. There's a great ring of pale stone and a meadow that looks old. You can see broad steps climbing to it from the south as you approach. And at the top of the steps is a stone basin that looks like it is a dome of some sort. There are four hooded faces that are carved in stone, watching inward from the four points of the ring.
01:25:08	DM	At the center, taking up most of the floor, is an iris that looks like a great disk of pale stone cut in curved petals that meet at a single point, like a shutter for an eye closed.
01:25:24	DM	Nobody comes out to meet you, and there is no door to knock on. On the far side, you can see stairs cutting down under the stone.
01:25:36	Gren Greenmantle	i'm going to cast my speak to the animals on them and i say i can't find it but i'll cast it in a minute i say um i am gren slayer of long shadow bow before my magnificence and tell me what you know of this temple do they live in in down this those stairs over there yeah and when and how often when do they
01:25:38	DM	Yeah, eventually one pops by.
01:25:44	DM	Okay. Oh my god, I've heard of you. Everybody's talking about you. Well, let me see. What can I... There's these people in purple robes that come by a lot, and they come in and out, and they look like they're worshipping stuff. They're kind of scary looking. I try not to bug them. They don't bug me. I just eat my ear horns, and that's it.
01:26:30	DM	Oh yeah. Oh yeah, that's where they live. It's kind of like my tree, but instead of a tree, it's stone. And like the tree that I sleep in, I think they sleep down there. Or something. I don't know.
01:26:44	Gren Greenmantle	come out on the full moon or the absence of the moon or all right what is your name squirrel pudgy here well pudgy let's keep that up and i give them a nut all right you guys want to go down you want to go investigate what this is where where am i oh i went over here to talk to the squirrel to
01:26:49	DM	Honestly, I don't pay attention that much. I'm just a squirrel. But usually they come out at night.
01:27:03	DM	Pudgy. That's what they call me, Pudgy.
01:27:12	DM	Oh, thank you. Thank you. You truly are a hero. And he runs off.
01:27:25	Jetten Elisedil	stay away from this um this lens this iris here we should try to walk around the perimeter if we can
01:27:32	Jetten Elisedil	uh well yeah i mean let's all let's all
01:27:37	Morgash the Gravemaker	Just in case.
01:27:48	Gren Greenmantle	the squirrel yeah it's probably just but yeah thanks for you it seems to me thomas that you and

01:27:54	Thomas A. Invictus	Okay, so the perimeter, go around the perimeter.
01:28:10	Morgash the Gravemaker	I do a survival check... to see if... to confirm what... the squirrel told... Grand... I... can I see... uh... signs that people have been going up and down the stairs?
01:28:12		Morgash the Gravemaker — Wisdom (Survival) Check: $1d20 + 1 + 3 = 21$
01:28:14	DM	Okay, what are you trying to check?
01:28:32	DM	It's difficult to tell with stone. It's not like there are footprints, but at the same time, you don't see any cobwebs. It's probably well-traveled.
01:28:51	Thomas A. Invictus	When I get to, it asks me if I want to teleport or not, when I get to the, I'm going to say.
01:28:57	DM	What's the question?
01:28:59	Thomas A. Invictus	Oh, I see, I'm shocked, I'm taken aback a little bit by that.
01:29:02	Morgash the Gravemaker	If you want to go... we want to go down.
01:29:02	DM	Oh yeah, it's just asking if you want to swap maps. Yeah. Staircase. There you go.
01:29:16	DM	Oh my. Anyway, as you come down the stairs, you see a room. And it's got ornate purple stone, a series of benches. It looks pretty fancy, honestly. And a man in a purple black robe steps out near the staircase, which is here.
01:29:48	DM	And he's not surprised to see you. And he says, Thomas Invictus of Daggerford, Anne's husband.
01:30:02	DM	You'll forgive me. We've followed you and your work for some time. The oath you took, which you built out of what it has taken from you. My lady has admired it. Sincerely, I want to say that to your face before anything else. We have much business to discuss. You've been making a God's work out of your grief for years. You call it dawn.
01:30:29	Thomas A. Invictus	How do you, how do you know about me?
01:30:44	DM	I admire you.
01:30:48	Thomas A. Invictus	What business do you have to discuss with me? You want me to leave? I'm a devotee of Leth Lander, how's that going to work?
01:30:52	DM	Well, we've watched a scribe take an oath. We've watched the rage for vengeance that you've built. Do you know how rare it is to do what you have done with your loss? We were impressed. We remain impressed. The lady is impressed. What we want with you, we want your abilities. We want you to lead.
01:31:34	DM	Oh, yes.

01:31:38	DM	I mean, you worship Lathander, but it's not like you get your power from him. You're a paladin of vengeance. Your power comes from your oath. Your power comes from vengeance, my friend. Not a god. Yes, she is the lady of loss. You have lost, but you've turned it into power. That is very valuable, my friend.
01:31:57	Thomas A. Invictus	You worship shark, don't you?
01:32:20	Thomas A. Invictus	I mean, it's certainly a lot to take in, but I'm not that excited about it.
01:32:23	DM	Of course. Forgive me. I'm unloading quite a lot on you. Please come downstairs. We have a lot to talk about. Opportunity. Do you think? Oh, she's totally evil.
01:32:35	Thomas A. Invictus	Is anybody with me? Is she evil, though? I mean, isn't, is she evil or not?
01:32:46	Gren Greenmantle	it seems to me thomas that you embody the virtues of char is what they're trying to tell you
01:33:00	Thomas A. Invictus	I mean, obviously she's evil.
01:33:02	Gren Greenmantle	what do you know of this renlow what was the renlow's last name the merchant yeah yes embrace
01:33:07	Thomas A. Invictus	And which one is talking to us? Is it the Harold Vane or the other guy that I can?
01:33:12	Jetten Elisedil	oh wow and i'm gonna help um oh sorry sorry he's defenseless he's defenseless and what
01:33:16	DM	Come, please. We do have things to discuss, you and I. Bring your friends, Thomas.
01:33:27	DM	Arovain, that is my name.
01:33:38	Thomas A. Invictus	Oh, very well, because I hate violence. Unless I have to. I'll talk to you.
01:33:41	DM	Oh, you do?
01:33:47	DM	Good. I'm surprised to say that you hate violence, my dear. You've racked up quite the kill count from what our spies tell me. Look, we don't ask you to love the dark, but we do ask why you're carrying something that hurts this much. Shara can hold it for you. Your grief, that's all she's ever offered anyone. And you, look at you. You've carried it for months now.
01:34:19	Thomas A. Invictus	I like hearing it. I need it. Drives me. I don't want to forget. I know shark takes away and she makes you forget who you were.
01:34:23	DM	Exactly. It makes you strong. It makes you powerful.
01:34:34	DM	That is true, but not in your case. We're not asking you to be a supplicant. We're asking you to be a leader. We think you have it in you. We want you to be a justiciar of Shara.
01:34:53	DM	What has Lathbender ever offered you? Just another day of remembering and grief? All of this can be yours, my friend.

01:35:05	Thomas A. Invictus	The pen and suffering are good, can be good for you.
01:35:11	DM	And that's why we are aligned. The Lady of Loss, Loss's Power, Vengeance.
01:35:22	Thomas A. Invictus	Tell me, do you have a piece of heart here?
01:35:28	DM	Yes. Interestingly, you ask. We have the dust cart. And that can be part of the bargain.
01:35:31	Thomas A. Invictus	And what do you do?
01:35:41	DM	If we get around talking to that.
01:35:42	Thomas A. Invictus	I expect. I'm going to break him out.
01:35:58	DM	Oh, Renlo Vec, the slayer of Thomas's family. We have him right here. He's for you, Thomas.
01:36:12	DM	Would you like to see him?
01:36:21	DM	This way, please. Yes.
01:36:24	DM	This is exciting.
01:36:26	Thomas A. Invictus	By the way, if I see this, I'm killing him immediately because I won't be able to control myself.
01:36:38	Gren Greenmantle	the vengeance thomas have them confess look at jetton and morgash and say this man killed his
01:36:47	DM	Uh, yes.
01:37:03	DM	Chained up against the wall is a bare-chested man. His wrists are bolted to the rock on either side.

01:37:20	DM	The only thing that he wears beyond his little ragged pants is a gold signet ring on his right hand.
01:37:31	DM	He looks at you, Thomas, and he says, I'm sorry. I'm sorry. I'm sorry.
01:37:38	Thomas A. Invictus	Okay. I'm going to cast the almaturgy and booming voice.
01:37:40		Thomas A. Invictus: Thaumaturgy Transmutation You manifest a minor wonder within range. You create one of the effects below within range. If you cast this spell multiple times, you can have up to three of its 1-minute ef ...
01:37:45	DM	Okay. I didn't, I didn't mean it. I swear I, I, I, I, it, it, it all started with just selling names and widows mostly and people with nobody left to come asking. It was money. It was money. It was money. It was only the money. And, and, and then there was a scribe in the ledger office and he started pulling the threads and that was you. And you were so careful and, and you weren't going to stop. So I, I, I, I went to your house to frighten you. I swear it. That was it. I just wanted to scare you.

01:37:50	Thomas A. Invictus	And then I'm going to get right up into a space with my booming voice. And I'm going to say, why did you, or, let's see, what should I say? Yeah. Why did you do it?
01:38:50	Thomas A. Invictus	Yeah. I take out my sword and I try to do something. I'm going to try to kill him. I've taken out my sword. I'm just going to assassinate him. I can't take it anymore.
01:38:55	DM	What did you do?
01:39:01	DM	Please no. I, I, I, I'm sorry. It went wrong. I, I, I, I, I know. I, I know I killed your family, but I, it, things just got out of hand. Please no. Meanwhile, Harold Vane says, that's it, Thomas. Become vengeance. This is what you were meant to do.
01:39:19	Morgash the Gravemaker	I... I... since I'm next to him... I will not allow him to kill him.
01:39:25	Thomas A. Invictus	No, you can't hold me back. How dare you?
01:39:27	DM	Oh, do a grapple check.
01:39:31	DM	So it's just. Do a, do a grapple check with advantage against Thomas.
01:39:40	Morgash the Gravemaker	Athletics... I told you... I will help you... get justice... but don't give in... to those instincts...
01:39:42	DM	Uh, yes. That's athletics. And then Thomas, you may also roll an athletics check.
01:39:46		Morgash the Gravemaker — Strength (Athletics) Check (Advantage): $2d20adv + 4 + 3 = 27$
01:39:54	Thomas A. Invictus	With normal? How dare you? This man assassinated my family.
01:39:56	DM	Oh, no. So when you give, when you help someone, you give that person advantage. So Anthony's advantage comes out. Um, yeah, it's just a normal for you. Actually, I would give you advantage too, but it's not going to matter too much. Um, Morgash holds you back for about 10 seconds.
01:40:06		Thomas A. Invictus — Strength (Athletics) Check: $1d20 + 4 + 3 = 17$
01:40:38	Thomas A. Invictus	That's rich. I was trying to talk to those pegs and you guys just started attacking. Now you won't let me attack this guy.
01:40:50	Jetten Elisedil	there's more to this than meets the eye harrow vaine wants something in return
01:40:54	Jetten Elisedil	isn't that right harrow vaine thomas they may return and thomas this isn't going to bring your family back
01:40:54	DM	No, I don't. I only want Thomas to become what he was meant to be. You're the ones holding him back. Quite literally, honestly.

01:41:06	Morgash the Gravemaker	yes... you want to give... your life... you want to give your life... to their guy... are you going to be a puppet... you are going to allow this guy... that you just met... that knew... everything that you have going through... and never came to help you... a single time... but now... he wants something from you... and now... he is here... helping you... he is no friend... he deserves to die... he deserves to die... but not here... not now... I told you... when I met you... that I will be with you... and I will help you...
01:41:11	DM	Look at this. You call these your friends, Thomas? This is what you want to do. And they won't even let you do that.
01:41:19	DM	Here, you'll be the one in charge. You can do what you want, Thomas. You can even have the dust cart. I don't lie.
01:41:40	Thomas A. Invictus	Just because I said to me, all I'm saying is Beck deserves to die. But I'm not saying that the rest of them, I'm not trusting.
01:42:21	Morgash the Gravemaker	get your vengeance... but... here... is not the time... are you going to trust me... or trust... this guy... that you just met... that have been following you... have been knowing everything...
01:42:41	Morgash the Gravemaker	and didn't dare to help you...
01:42:52	Jetten Elisedil	we'll deal with him in due time wow well show us the heart it's a trip well you'll give us the heart
01:43:00	DM	At this point, Thomas, your rage is seething. Your gauntlets of ogre power allow you to break free. You stand there with the sword at Renlo's chest. The choice is yours. Mechanically, there's nothing wrong with doing this as a paladin. You took an oath. Plot things can happen, but it's not like you're going to lose your powers or anything like that. It's up to you.
01:43:36	Thomas A. Invictus	Yeah, this guy's a murderer. There's no way. There's no way I would be able to control myself. Yeah, of course. Out of honor, I have to kill this guy. End of story. I mean, I'm definitely attacking him with my sword. Absolutely.
01:43:46	Gren Greenmantle	family and his children and left body parts for him to find awesome yeah we're killing him
01:43:52	DM	So, what is your action, Thomas?
01:44:00	Thomas A. Invictus	I'm going to try to chop up his head or something. I don't know. So what do I do? Do I do an attack?
01:44:04	DM	Deep breath.
01:44:13	DM	Okay. You take your sword. You take your sword. And you plunge first light into his chest.
01:44:13	Morgash the Gravemaker	you will regret this...
01:44:15	Morgash the Gravemaker	you will regret this...

01:44:30	DM	He dies. Blood oozes out. For the first time, first light doesn't flare. And the warmth and the glow of your sword starts to fade out. The vision of the Lathander paladin that you had when you first looted it is now gone. It's as if the god himself slinks away from you. The rose gold on the sword runs to ink. The blade drinks the candlelight around you all briefly. It goes dark, and it comes back. In your hands, you now have a sword that is black. And you can hear it announce itself to you. And it says, I am midnight. Now, let me give you a new magic weapon.
01:44:45	Thomas A. Invictus	I somehow feel free.
01:45:40	DM	Okay.
01:45:43	DM	Yes. It crackles like a purple necrotic energy with the pure black blade. However, Thomas, Char does take a payment for your oath.
01:46:02	DM	All your life, you've been known as Thomas.
01:46:09	DM	And you realize that for a second. But then your first name is gone. You reach for it in your memory, but there's nothing there. But, you know, it doesn't really trouble you. Why would it? You are now Justiciar Invictus. You have no memory of your first name anymore.
01:46:40	DM	But that's it. Otherwise, here you stand.
01:46:56	Thomas A. Invictus	Nothing's bothering me. Let's see it. Yes.
01:47:00	DM	Well done, Justiciar Invictus. You have served the lady well. The heart is available.
01:47:21	DM	He pulls down his robe, and you can see a dark purple heart on his chest around a chain.
01:47:34	DM	Would you like to know something? Justiciar Invictus.
01:47:43	DM	You can have the heart. We only ask one thing in return.
01:47:51	DM	Never join it. Never wake the sleeping archway. The heart must never become whole. When all four pieces are joined, you do have the power of resurrection. Four of them. We can bring back your family. And I think even with Char's magic, we can extend it and bring back your wife and children.
01:48:24	DM	Make a new oath. And you can have the heart. You can have your family back. All we ask is that you never, ever rejoin the four pieces. This is our lady's ask. Each heart, when combined, gives you four true resurrections. That's the power of the heart. And to you, my orc friend, so to be perfectly frank, that archfey is a demigoddess, an old friend of Shantae and Salune both. If every beat that that heart makes is drawn out of her, nothing would make Char happy to see her in loss for eternity. I don't care what you do with the heart. Neither does she.
01:48:42	Morgash the Gravemaker	why is that...

01:48:43	Morgash the Gravemaker	going to...
01:48:47	Thomas A. Invictus	Except this one piece gives you the power of resurrection, but all four.
01:49:40	DM	As long as the daughter of her allies suffers, she is happy.
01:49:49	Thomas A. Invictus	I mean, this man deserves to die. But we still have a job to do, and I can't agree to that.
01:49:52	DM	He did.
01:50:09	DM	What would you have us do then? I can't give you the heart.
01:50:16	Jetten Elisedil	one way or another can we just end this guy let's do it dark paladin
01:50:20	Thomas A. Invictus	He'll never be able to stand against us.
01:50:25	DM	Are you sure you want to do this? Look at you. You just killed someone in cold blood. If that's what you believe, paladin. But you're not taking the heart.
01:50:31	Thomas A. Invictus	Yeah, we want to free the dryad and do what's right.
01:50:40	Thomas A. Invictus	Killing Beck was the right thing to do, though. Yeah, let's see what the sword can do.

02:25:10	DM	Ending his turn. Justiciar Invictus.
02:25:37	DM	Okay. It's like a damage shield.
02:25:38	Thomas A. Invictus	Funny, well, if they attack me, they're going to get damage from hitting me. I'm going to, all right, well, maybe I should just attack.
02:25:45	DM	Yes.
02:25:47	Gren Greenmantle	that means you can't attack this turn you can do it it's fine just it lasts a whole hour nice don't
02:25:51	DM	Yes. You either choose to cast a spell or you choose to attack.
02:26:06	DM	Yeah. Do which one. I'm just giving you the rules.
02:26:12	DM	Don't forget you have... Let's look at your abilities. You still have Lay Hands for 10. You have a free smite coming. You have Vow of Enmity. Very valuable.
02:26:27	DM	I don't even think that costs anything. When you take the attack action, you can expend your Vow of Enmity. Gives you advantage on all attacks for the next minute against a target.
02:26:42	DM	Yeah. Those are you. You got spells available.
02:26:46	Thomas A. Invictus	So the valve enmity doesn't, yeah, when I take the attack action, I can expand one use of my channel divinity to other valve. It's kind of like hunter's mark and sort of, you know, I was kind of expecting I was going to have my horse down here.
02:27:01	DM	In a way. Except it gives you advantage instead of extra damage.

02:27:12	Thomas A. Invictus	Okay, I think what I want to do is cast that, I still want to cast death armor, but I have to target myself, right?
02:27:15	DM	I think Logic takes you to left it out above. Plus, it would have looked really weird when you stabbed Renlo back in his chest with your sword standing on a horse.

02:27:56	DM	Okay. And you still have a bonus action movement left.
02:28:07	Thomas A. Invictus	So the bonus action stuff, I'm pretty unclear about that, like, but I know I can do the lay on hands for that, right? Can I use it on Jetton, even though he's down?

03:17:38	DM	Yes. How would you like to kill him?
03:17:45	DM	Oh, my God. Goldthorn strikes his waist. While his leg stands, his chest falls to the ground, bisected.

03:18:02	DM	Okay. Yes. I will put your loot from him in the party stash.
03:18:18	DM	Yeah. Actually, no. I'll drop it on the ground. So, he had a robe of protection. He had the death. And he had a staff. Which, he never really got to use.
03:18:34	Gren Greenmantle	what does the robo protection do oh that's that's for uh it's like a cloak of protection
03:18:43	DM	Yes.
03:18:45	Gren Greenmantle	that's for you anthony yeah but he has to attune it it's only for wizards damn it i'm gonna take in the vest no no the take you should take that robo protection if you can
03:18:49	Thomas A. Invictus	That's first step?
03:18:54	DM	Yeah. Saves in armor class.
03:18:55		Loot Shelf: Morgash the Gravemaker took 1 × Robe of Protection from Robe of Protection. Robe of Protection was picked clean and is gone.

03:19:03	DM	No. It should be for... Oh.
03:19:08		Loot Shelf: Jetten Elisedil took 1 × The Duskheart from The Duskheart. The Duskheart was picked clean and is gone.
03:19:10	DM	Just loot it. It's for sorcerers, too.

03:20:01	DM	Yeah. You can have three magic items. You're currently tuned to your Maul of Momentum, the Graveheart, and your Periaptive Wound Closure. I would take the robe of protection over the Periaptive Wound Closure.
03:20:11	Morgash the Gravemaker	okay so and that requires a rest rest yeah let's look at everything
03:20:32	Gren Greenmantle	save dcs and the big thing there yeah no i mean that's that's like super super staff stone of good luck or pearl of power matt which one should i get rid of you'd keep yeah you'd get rid of this done a good luck yeah i mean i have good con saves and i have i'm blessed most of the time and then i have

03:20:54	Jetten Elisedil	else in the room that we noticed that's interesting yeah absolutely does why why con is do sorcerers use
03:20:58	DM	No, I mean, if you go through the temple, and it's got sort of standard temple rooms, you can loot a bunch of trinkets if you want, and I'll put them in your party stash.
03:21:26	DM	I'd keep the stone a good luck. I don't think you need any more with your con saves, but I would, personally.

03:21:46	Gren Greenmantle	where is the okay for it for concentration it's it's yeah but i want to keep yeah yeah but um like i want to keep my bless spell up and then if i use hypnotic uh spec whatever it is up hypnotic um
03:21:52	Jetten Elisedil	constitution or is it just a choice right there's a concentration but sorcerers are like the they're
03:21:56	DM	It's... Yeah. That's... For any spellcaster, even you, it's very valuable, because every time you're hit, you roll a constitution saving throw, and if you fail, you lose that hunter's mark, or whatever you're concentrating. That's frustrating. Yeah.
03:22:15	Jetten Elisedil	based on charisma right not intelligence or with right we're on for next monday right guys awesome
03:22:19	DM	Correct. Yeah. But they do prove proficiency and constitution.

03:23:19	DM	Yeah. That's it.
03:23:25	Jetten Elisedil	yeah i i grabbed it and i attuned to it yeah i didn't even look at it either let's see i don't know who cares roll the dice uh i think i think it said wisdom wisdom saving throws what's what is modified memory oh okay cool interesting i don't know he took a heel turn
03:23:28	Gren Greenmantle	okay yeah i want to take a it does the dust cart
03:23:29	DM	I forgot what it even does. It's been a while since I looked at it. Oh. How do you know a second to make you evil? I mean, it's called Darkheart, you know? Or Duskheart.

03:23:48	DM	Advantage, and you cast Modify Memory. Yeah.
03:23:54	DM	It's more RP-ish. You can change the memories of a person. Very Sharlike.
03:24:03	DM	Yeah. And then... Yeah, there's nothing really else of note in the temple.

03:24:13	DM	Invictus is able to bluff his way past the guards that were on the first floor and exit out before they realize what happens. Happens.
03:24:27	DM	Yeah. Yeah. At least that's what they think.
03:24:34	Jetten Elisedil	don't continue down that path and path invictus yeah oh really
03:24:45	Thomas A. Invictus	Yeah, I mean, I was following my oath of vengeance.
03:24:59	DM	And, yep, as you leave, once again, like last time, make your way back to the town. And... We'll leave it where, once again, you are entering the town and a scout sees you and waves you welcome for your... I think, like, your fifth or sixth night there. Yeah.
03:25:31	DM	Right-click and... export. Of course. Why wouldn't you? Yeah. Yeah. Yeah.
03:25:40	Gren Greenmantle	i i've i put it into um claude and ask it to help me make the choices for the next level oh yeah it's totally awesome yeah yeah absolutely it's fantastic yeah but yeah you have to tell it
03:25:59	DM	Yeah. The problem is it confuses 2014 rules with 2024 rules a lot. Yeah. Yeah. Here we go.
