The whole session as the recording and the Foundry chat log have it: every speaker's track transcribed by machine and merged on the clock, with the table's rolls and chat cards in between. Verbatim and unedited — the stumbles, the cross-talk and the mis-hearings are the real thing.

 a roll  a chat card (an item, a feature, the party stash)  a whisper or a blind roll the players did not see

00:00:00	Invictus	Can you guys hear me now?

00:00:44	Morgash the Gravemaker	I'm here, I'm here. Hello.
00:00:45	Jetten Elisedil	Hey, Anthony.
00:00:54	Morgash the Gravemaker	Hi.
00:00:59	Morgash the Gravemaker	Oh, with the mayor?
00:01:05	Morgash the Gravemaker	Oh, we could do that.
00:01:15	DM	i don't i don't i don't Invictus has an aura now, so if he moves, if you're at 10 feet, you get his saving throw bonus. Just an FYI.
00:01:28	DM	It's 10-foot range.

00:01:33	DM	The chat cards look a little different because of the update that was forced on us, just so you know. I added a feature. If you hover over someone other than yourself, you can see their buffs and debuffs, their main ones. And then on the bottom above your hotbar, it also shows your buffs. If you click your name, it will show everything that you have going. So as I click on Morgash, I can see his toughness, his bonus to AC from probably a feat, Heavy Armor Master. And then on that right expanding buff bar, if you click something, you can remove it fast there if you want.
00:02:28	DM	I think those are the changes. It makes it really easy for me because now I can remove thrown-off people much easier than before.
00:02:46	DM	Any housekeeping before we move on?
00:02:52	Gren Greenmantle	go buy some potions if we're going to fight this dragon oops what's that oh oh i don't think so what was the potion lady's name again velma all right so let's let's go to the the table
00:02:58	Jetten Elisedil	Yeah, we have all the loot that we have to sell.
00:02:59	DM	I mean housekeeping before the game actually starts. Housekeeping before the game actually starts. All right.
00:03:12	DM	Yes, you added last time. I'm walking back into the town at dusk just like usual. So it's up to you what you wish to do next, Thelma. It is evening. She's closed for the night.
00:03:12		Gren Greenmantle: Mage Armor Use You touch a willing creature who isn't wearing armor. Until the spell ends, the target's base AC becomes 13 plus its Dexterity modifier. The spell ends early if the target dons armor. M ...
00:03:26	Jetten Elisedil	Well, I agree with Gren. We should dispose of some of the loot that we got and stock up before we head out and face this dragon.
00:03:43	Jetten Elisedil	We'll say you, Morgash, and Invictus.
00:03:50	Jetten Elisedil	Yeah.
00:04:03	Gren Greenmantle	and have a couple beers and see what happens maybe we should insist on paying get rid of all the evil creatures around the town and that upsets them so ambrose my throat is parched can i have an ale please what did we just take a take out we took
00:04:05	Morgash the Gravemaker	Yeah, and rest.
00:04:10	DM	I have a couple of beers at the tavern.
00:04:10	Jetten Elisedil	Yes.
00:04:21	DM	Why? What are you going to do to upset them?
00:04:22	Morgash the Gravemaker	Got it.

00:04:27	Morgash the Gravemaker	Don't worry.
00:04:32	Morgash the Gravemaker	Yeah, thanks.
00:04:37	DM	I see like multiple people here.
00:04:43	DM	Okay. Why is this? Hold on. I'm just going to. So I've got. Okay. I think you're all there. And there's only one of you now. Right. Hey, it's evening. And Ambrose says, of course, here. Beer on us as always.
00:05:08	Gren Greenmantle	out oh the shah temple i like your aura it reeks of the darkness and victus
00:05:09	DM	The Shire Temple. And Invictus's first name.
00:05:16	Morgash the Gravemaker	Yeah, if there have been any other changes to the 3 or something.
00:05:49	DM	Anything else? Yeah. You just finish your drinks. You get a bit of spot of supper. And everyone kind of looks at you from a distance. It's sort of like people stare at celebrities. But they don't come up and say hi.
00:05:58	Gren Greenmantle	yeah should we asshole how things are going well we know there is because we just took out char the question is do we want to deal with the townspeople about it or just go try and take out the drag take out the dragon all right so let's so ambrose we're gonna spend the night thank you very much yeah ah how
00:06:16	Morgash the Gravemaker	It won't be summer all the time, right?
00:06:31	Jetten Elisedil	Yeah, I think I would go for the latter.
00:06:42	DM	All right. Have a good night. You know where the rooms are.
00:07:01	DM	I was supposed to move you. Oh, please. Oh, I see what I did. No, I know. I put you on the wrong map. There you go.
00:07:01	Gren Greenmantle	did that how did that happen i moved but now i'm gone all together oh chetan took my room i'm a bitch i'm gonna cast cast us a spell so he thinks his room is haunted
00:07:15	DM	All right.
00:07:31	Gren Greenmantle	yeah just chetan's amulet or or all the amulet yeah we can so it but is it is it was sort of
00:07:41	DM	Okay. Everyone ready? Off to bed? Okay.

00:07:48	DM	So you fall asleep. And of course, Jetten's amulet glows a bright green. And you begin to dream.
00:07:54		Jetten Elisedil: Jetten Elisedil takes a long rest.
00:08:11	DM	Yes. Yes. Jetten's amulet has a connection to the power of dreams. You can ask him about it sometime. Back in the dream world, you see Jetten's amulet glowing again. You're all standing here in the mist. It's a little different this time, though. Off for the distance, you can see other figures in the mist. They're a little bit hazy. You can't quite make them out. But you no longer are the only four there. And as usual, you see the black-haired man and the dryad as well. Um, they're having an argument. And she's losing it. Um, neither of them are happy. And she says, stay, stay, and I'll make it summer you, or you forever. Be as I am. Never end. And the man in black hair responds to her. And he says,
00:08:44	Jetten Elisedil	Yeah, he said no one can hear him.
00:09:24	DM	if you take the ending out of me, if you take away my mortality, there's nothing left that you love. A life isn't for keeping, my dear. It's for spending. Let me go and spend mine. And as she weeps, he turns his back to her and leaves. Uh, she goes down the hill. She follows him for a little bit, but it seems as if there's a line where she cannot cross. She stands at the edge of the line and watches him disappear into the fog. And the dream, time begins to fast forward. Oh, does Rob not have Andrew not having?
00:10:15	Jetten Elisedil	Oh, now we can hear you.
00:10:17	DM	Yeah. Yeah. Okay. All right, we're back. Um, she keeps, uh, waiting for him every evening and time speeds by. The seasons go past. Real autumns, real light winters, brief snow on the orchard. Um, she's clearly waiting for him. It's come back and he never does. Uh, finally, she gives up and she starts crying, knowing that he's never going to return. Uh, you see a familiar vision that you've seen before. She holds her hands to her chest. And as she cries, she tears out her heart and rips it into four pieces. Uh, and shatters them and they spread out into the distance. One red heart, one blue heart, one green and one blackish purple. The shock that blows the mist off the valley and the ring in every direction all at once.
00:10:18	Invictus	Okay, great. All right, good, good, good.
00:11:33	DM	And where you, where she was standing, she now folds into a tree.
00:11:43	DM	You wake up,
00:11:49	Jetten Elisedil	Well, that was an amazing vision.
00:12:00	DM	it's morning. What would you like to do?
00:12:06	Jetten Elisedil	Did everyone have the same dream of the Dryad?
00:12:08	Invictus	Yes. I've got to say, gentlemen, that I'm feeling like this town is deriving some major benefit from this dryad being pulled up in that tree, and I'm afraid that if we set her free, that it'll destroy this town.

00:12:41	Invictus	It won't be endless summer anymore. These people are benefiting greatly from her being trapped here.
00:12:44	Morgash the Gravemaker	Yeah.
00:12:57	Invictus	I don't know. I'm trying to think of a moral thing to do, but I can't tell. Would it be better to free her, or better to let this town continue to prosper with hundreds of people? I don't know. I just don't seem to have my same moral compass anymore. It just seems something off about that dryad. Maybe she deserves to be there.
00:13:10	Jetten Elisedil	Well, it's not right to let her remain enslaved, Invictus.
00:13:36	Jetten Elisedil	Well, are we off to market?
00:13:43	Gren Greenmantle	self-inflicted right she tore her heart into four pieces right in the dream and why did why did but her heart was being used for evil everywhere right all right so let's go buy some stuff i don't know what to make of it life he said that the the raven haired guy said
00:13:49	Invictus	Right, it was self-inflicted, and it's benefiting all these people, hundreds of people.
00:14:09	Invictus	Yeah, good point.
00:14:24	Invictus	Anyway, I just thought I'd throw that out there before we got going this morning.
00:14:48	Gren Greenmantle	that life is for spending yeah we need some retail therapy guys and what did
00:14:52	DM	So you got to spend the night in the forest. You got to spend some gold.
00:15:02	DM	Yeah. All right. So you start to head downstairs and you make your way through, um, the end and there's Oswin. Everyone is, everyone is sort of a buzz. They all sort of look tired. Um, as if they only slept for half of the night and Oswin comes up to you and he's like, I, I saw you, you, you were on the hill. I, I saw you. I've, this is incredible. What, what happened? What was that woman doing? And then everybody else in the bar looks up and the waitress says, that's what that was. I couldn't figure it out. Oh, so disturbing. I've never seen a tree like that. It's almost like the explosion made its way into my mind. Oh, I can't sleep. And then she goes back to serving. Oswin looks at you inquisitively.
00:15:05		Invictus: Emanation Aura of Protection — Invictus — 10-foot Emanation allies and neutrals inside: Protected — +2 to saving throws “You radiate a protective, unseeable aura in a 10-foot Emanation that originates ...
00:15:16	Invictus	But who did you see on the hill? All of us?
00:15:55	Jetten Elisedil	The moon goddess.
00:16:11	DM	All four of you. Yes. And half the town has seen you. Every one of the town has seen what happened. What does this mean?
00:16:17	Gren Greenmantle	what happened what happened in the dream that you saw you saw

00:16:23	DM	The dry had some lover that dumped her and she took four gems and tore them out of her heart and threw them out in four directions. Very disturbing. I have no idea. Brief.
00:16:24	Gren Greenmantle	why would you think she would do such a thing yeah they were selling
00:16:45	Invictus	Awesome. We think this. It's horrible.
00:16:46	DM	Haven't you ever been dumped before? I have. It's not pleasant. Oh, I'm sorry.
00:16:50	Morgash the Gravemaker	Me too.
00:16:55	Invictus	But we think that this is a vision of things that happened long ago in the past, and we suspect that this has something to do with the town's endless summer and all of your prosperity.
00:17:00	DM	It, it would seem so. Yes.
00:17:12	DM	I, I'm beginning to think there's a link here. I agree. She was offering him eternal summer, eternal life, and he refused. It seems we might be the beneficiaries of that.
00:17:26	Invictus	Yes. Yes, I suspect as much.
00:17:31	DM	This is a lot to think about. Ambrose comes over. And drops three orange juices on the table, and his hands are shaking. And he walks back to the bar.
00:17:43	Invictus	I'm concerned that possibly our adventures here could be upending something.
00:17:51	DM	I agree. Have you seen these gems before? What are they?
00:17:57	Invictus	I mean, we've found lots of different things, perhaps, but it's hard to say.
00:18:03	DM	I don't know. We're going to have to have a meeting of the elders later today. That's all I know.
00:18:13	Invictus	All I know is that... I don't know if you knew this, but there's a temple of Shard nearby, and the Acolytes there certainly didn't want that dryad freed.
00:18:26	DM	Acolytes of Shar out here? First I've heard of it. Very disturbing. I hope you dealt with them.
00:18:28	Invictus	Yes.
00:18:34	Gren Greenmantle	they were selling body parts a traitor that used to come here regularly well he was coming here for supplies to help him right yeah well we found him in the temple of shar it has the it has a signet ring on it the children should sleep easily though no too bad
00:18:37	Invictus	And we killed them, but... Yes, we slayed them, but I can't help but wonder if there was some truth in what they said.
00:18:43	Morgash the Gravemaker	And now I take the finger from my... Yeah, he's not going to be a problem anymore. I take the finger from my backpack and put it on top of the table.

00:18:45	DM	What? I thought, I thought the, the guy was selling body parts to the hag. They were doing body parts too?
00:18:58	DM	Yeah, we figured that out yesterday.
00:19:04	DM	You did?
00:19:15	DM	Sir, there's children here. He's visibly disturbed. Please. We don't need to see this. I, I appreciate what you've done, but that's pretty disgusting.
00:19:27	Morgash the Gravemaker	Yeah, I know. I laughed. Put it back in my backpack.
00:19:32	Morgash the Gravemaker	If we are not black, you know where to find our bodies.
00:19:33	DM	What, what did they say?
00:19:53	Invictus	They were vehemently opposed to freeing that dryad. It seems like the Acolytes have shown up. And that got me to thinking that maybe that... That has something to do with all the prosperity in your town.
00:19:58	DM	Who is that? The, the, the shards? Uh, uh, some connection, possibly. Yes, that's what we were talking.
00:20:13	Gren Greenmantle	and you're gonna make four wands tonight what you're gonna make would you吗 now
00:20:21	DM	Well, that would make sense. Star people usually hate good people. Don't forget. I believe in your bargaining. Um, they didn't want you to release the dryad because it is a demigoddess, which is an enemy of Shar.
00:20:35	Invictus	Actually, I'm not thinking.
00:20:50	Invictus	Yeah, it has to do with the Salooni, right?
00:20:53	DM	Yes. She was an ally of the Lunae. Yes. She's the goddess of the moon and Shar's mortal enemy in the Pantheon. This is a lot to digest. Where are you? Where are you going now? Oh, okay. I mean, if that's what you want to fight, uh, I'm glad that you're killing evil things. I hope it's an evil dragon and not a gold dragon or a silver dragon or a good dragon. I heard those are evil. Oh, okay. Well, I'm glad that you're killing evil things. I hope it's an evil dragon and not a gold dragon or a silver dragon or a good dragon. I heard those are evil.
00:21:05	Jetten Elisedil	I am.
00:21:08	Invictus	And I believe Jetton is a devotee of Salooni, of course, expect to stay.
00:21:26	Gren Greenmantle	it's not French I don't The Whispering Wood, or the Misty Wood. What is it? The Misty Woods.
00:21:40	Gren Greenmantle	We've heard tales of a dragon.
00:21:59	Gren Greenmantle	I believe it's a green dragon.

00:22:03	DM	Oh, okay. Yeah. Um, whatever you think, uh, should we expect you back? Or I hope so too. Uh, I don't actually, I don't know where any green dragon is. Um, you let us know. Okay. He looks and okay. That looks sort of familiar trail wise. There's a forest there. I don't know. I don't know. I don't know. I don't know. I don't know. I don't know. I don't know. I don't know. Okay. I think there was a lake there. Um, kind of like everywhere. I think there was a lake there or something. Um, okay. Yes. Your research told you it was a green dragon in the lake in a forest. He said,
00:22:05	Gren Greenmantle	Most definitely, this is evil.
00:22:09	Gren Greenmantle	If it's a good dragon, it will talk, and it will have a cup of tea.
00:22:26	Gren Greenmantle	I hope so. A dragon. A dragon's a monster.
00:22:28	Invictus	We've made it. We've made it back.
00:22:45	Gren Greenmantle	We can show them the map.
00:23:01	Gren Greenmantle	Where? Oh. Is it a green dragon?
00:23:08	Gren Greenmantle	Do we remember if it's a green dragon?
00:23:09	Morgash the Gravemaker	I think so. I think so.
00:23:10	Invictus	It's green in the papers.
00:23:11	Morgash the Gravemaker	I can't find mine either.
00:23:13	Gren Greenmantle	And it's in a lake?
00:23:17	DM	he just said, wherever that map points, I remember there's an old lake there. So I can tell you handouts. Um, y'all, uh, roll. Our, our, our, our, our, our, uh, tada. And you can add them all up and hopefully you get above 50 between four people. That's not the best.
00:23:23	Gren Greenmantle	I wonder if the... Where's our map again?
00:23:34	Gren Greenmantle	Journal. Oh, player handouts. Player handout, and then the treasure map.
00:23:41	Invictus	Yeah, it's to the southwest of Greenrest.
00:23:46	Gren Greenmantle	When we pool our knowledge about green dragons, what do we know about them?
00:24:13	Gren Greenmantle	Wow, my arcana went down. How does it go down? Oh, wait. Is that right? Hmm. I wonder if my stats got a little messed up. They look a little weird to me.
00:24:15	DM	What is your, where is your icon? Oh, maybe that's why you are now on the map, charisma. In dex con 14. Yeah, it looks fine. Right? You pumped up. Yeah. Oh, strengthen it. I totally can see you dumping strength. And you're still missing one. I feel

00:24:36	Gren Greenmantle	It's not on the map. I did it.
00:24:47	Gren Greenmantle	Does my stat spread look correct to you, Matt? Does that look about right?
00:24:56	Gren Greenmantle	Okay. I don't remember it being minus one on my... Oh, yeah. No, I definitely did. I usually don't dump intelligence. Ooh, we did not roll very well.
00:25:00		Gren Greenmantle — Intelligence (Arcana) Check: $1d20 - 1 = 8$
00:25:21	Gren Greenmantle	Anthony.
00:25:23	DM	like this is family feud or something. Bonus round. Oh, more gash, you are now present.
00:25:26	Gren Greenmantle	Doing it. Arcana. Check.
00:25:29	Morgash the Gravemaker	Oh, me? I don't see my token. That's what I said.
00:25:46	Morgash the Gravemaker	Okay. Then I could use second wind.
00:25:51		Morgash the Gravemaker — Intelligence (Arcana) Check: $1d20 - 1 = 17$
00:25:54	DM	And you do have the choice, you can use your second wind, it's not like you're gonna need it, or you can rest to get it back. Like his tactical mind. Here, it's this one. I'll do it for you. Great. I'm surprised it didn't pop up when you rolled your ability score. Never gave you the option. Did you
00:25:55	Jetten Elisedil	Nice roll.
00:26:03	Gren Greenmantle	29, 37, 39. We need 11 more.

00:26:49	Morgash the Gravemaker	Oh, again.
00:26:55	DM	get to pop up? Nevermind. Yeah. 17 plus seven is 24. Close. You don't have complete and total. Lord knowledge. I mean, everybody knows that they breathe poison. They're known for charming and corrupting people. And like all dragons, they love their treasure. And like all evil dragons, they're not very nice. They live in the forest, usually. But if a lake is in a forest, that could be something.
00:27:01	Gren Greenmantle	Just to roll a d10, though.
00:27:04		Morgash — roll: 1d10 = 7
00:27:38	Gren Greenmantle	Do they live in lakes?
00:27:48	Gren Greenmantle	Do we know if they can breathe underwater?
00:27:54	DM	Most dragons are semi-amphibious.
00:27:57	DM	These are well-known things. Would you like to head to Selma and see what she has to offer?
00:28:01	Gren Greenmantle	Jetton didn't even know there were green dragons.
00:28:04	Jetten Elisedil	That's true.
00:28:05	Jetten Elisedil	I don't think so.
00:28:10	Gren Greenmantle	I'm just trying to think what types of things we should... Potions we should buy. We have the anti-venoms. What did we get? Anti-toxins? What did we get? We bought it before.
00:28:27	Invictus	You'll see what they have in the inventory. I mean, in the... The... The... Ladies' inventory. What does she have?
00:28:29	Gren Greenmantle	Because we thought we were going to do it before. Yeah, I'm looking now. Anti... Oh, no. I mean, we bought something. We thought we were fighting them before.
00:28:44	Morgash the Gravemaker	I think it's... Oh, it's... Poison. And detoxing.
00:28:48	Gren Greenmantle	Anti-toxin. We bought an anti-toxin.
00:28:57	Gren Greenmantle	Yeah, we bought an anti-toxin potion.
00:28:59	Invictus	What do they do? They spray the... They spray the poison out of their... Like, instead of breathing fire, they breathe poison or something. Is that what they do?
00:29:02	Morgash the Gravemaker	How are you doing, Selma?
00:29:10	Gren Greenmantle	Yeah.

00:29:14	Gren Greenmantle	Yeah, so we could get potions of flying. We should make sure we have potions of healing. If we can get... Uh... This... I think as an advantage on our saving throws, there might be resistance against poison. None of my spells have resistance against poison, I looked.
00:29:32	Invictus	Yeah, plus I have the... That Shieldmaster elastomer here. I think I can take zero damage on a dexterity saving throw kind of thing, if I get it.
00:29:43	Gren Greenmantle	Yeah. I don't know. I would guess that that's probably constitution poison.
00:29:54	Gren Greenmantle	Oh, protection?
00:30:02	DM	All right. Okay, so as you walk out, you do see a little Pip here. And he seems to be drawing the dirt. And he drew four little wedges. And each of the wedges is a different color, one red, one blue, one purple, one green. And he says, look, I drew what I dreamed. Pretty neat, huh? I colored them with berries. Berry juice. Hi, Gran. Those are the gems that I dreamed about. Everybody sees them. I haven't had dreams in so long. And look over there. All the kids saw it. And a lot of the adults. And he points to some other kids off into the field. And they're playing some kind of game. And Pip says, we invented it this morning. It's called The Breaking. And you see one child fall down. And four other children run away in four different
00:30:02	Gren Greenmantle	Yeah.
00:30:02	Invictus	Yeah, let's do that.
00:30:03	Invictus	Pit, what do you think?
00:30:33	Gren Greenmantle	One red, one... What are those? Hey, Pip. What did you draw? Ah. Wow.
00:31:14	DM	directions, each one wearing a shirt of red, green, blue, and purple. The adults aren't very happy about it. But I think it's fun. Anyhow, I think I'm going to go play, too. Bye. Great. And you make your way to Selma. Hello.
00:31:29	Gren Greenmantle	It seems like a ton of them. Good. Bye, Pip.
00:31:40	Gren Greenmantle	Um... Yeah, uh... Invictus and Jetten are... Do you guys have the spell protection from poison?
00:31:54	DM	What can I do for you? Hi. Not good. No, my potions aren't working. I'm trying to make a double dose. But I had the dreams last night. I saw the mist. I saw it roll out like a tide. I've never dreamed like this in so long. Oh, I hope I can still make these things. The tonics. Yes. Yes.
00:32:06	Morgash the Gravemaker	Are you feeling okay?
00:32:29	Gren Greenmantle	Make the potions that protect you from dreams? Yeah.
00:32:35	DM	It seems like they're wearing off. The whole town is dreaming again. Or whatever dreams are happening are so powerful. I can't block it anymore. I just, I don't know. I need to do research. But anything in the store is mine. Just take a look. I just double clicked it. It's not working for you? Anybody else? I hate updates. So no one can use the, let me see if it works for her.

00:32:52	Gren Greenmantle	Um, I don't like the store's... The store is working, Matt. If I double-click it, it doesn't have anything.
00:33:05	Jetten Elisedil	Yeah, it looks blank.
00:33:06	Morgash the Gravemaker	I can see something.
00:33:08	Gren Greenmantle	Yeah, it's empty. Oh, you do? And you can cast it on how many people? Does it affect one person, or...? Okay.
00:33:11	Invictus	I have the Grend. Grend, by the way, I have protection from poison.
00:33:22	Invictus	One creature, duration one hour. I have to touch the person. Target has advantage on saving throws to avoid or end the poison condition.
00:33:30	Gren Greenmantle	Yeah.
00:33:36	Gren Greenmantle	Oh, that's advantage... So it's advantage to end it? But not... Okay. Okay. And the antitoxin does... What does the antitoxin do? I thought the antitoxin gives us advantage on saving throws, too. Does it require concentration protection from poison? Let me check here. Okay.
00:33:41	Invictus	Yeah, the target has advantage on saving throws to avoid or end the poison condition. And has resistance to poison damage.
00:34:08	Jetten Elisedil	There'll be an icon.
00:34:12	Invictus	All right. Hold on, let me do a little check. No, it does not.
00:34:26	Gren Greenmantle	And, Drew, does your... Does the paladin have that, too?
00:34:32	Gren Greenmantle	Is that a paladin? Oh, sorry. The... Does Jetten have it? Okay.
00:34:32	Jetten Elisedil	No, he is the paladin. I don't. I don't have it. I don't have it.
00:34:35	Invictus	I can switch out one.
00:34:49	DM	Yeah, no inventory.
00:35:02	Gren Greenmantle	Okay. Oh, because the rangers... The rangers have to pick their spells. Okay.
00:35:10	Gren Greenmantle	And the paladins just know all the spells.
00:35:15	Invictus	Yeah, I can switch out one. I think I can turn one off and turn one on for the day. I got rid of aid and put on protection from poison.
00:35:20	Gren Greenmantle	Each day? Oh, yeah.
00:35:27	DM	So she does have potions of poison resistance for sale. 200 gold each. Let me look for you.
00:35:27	Gren Greenmantle	Okay.
00:35:28	Invictus	Can I, there we go.
00:35:36	Gren Greenmantle	Okay. But, Drew... Drew, you can't... You can't do that with the paladin. You basically... Or, sorry, with the ranger. Okay.

00:35:45	Jetten Elisedil	No. I just pick up a new spell every few levels, but that's it. That's what I have. It's not.
00:35:49	Gren Greenmantle	Right. Okay. Got it. Yeah. Okay. So how much... So how much are the potions of protection from poison?
00:36:02	Gren Greenmantle	Should we just get four of them? Well, should we get... So, Robert, how many of those spells can you cast? Just one or two?
00:36:02	Morgash the Gravemaker	Okay. Before... Then I will kill her.
00:36:12	Invictus	Well, it's a second level spell and I have two spell slots for second level. But I guess, theoretically, I could cast it twice.
00:36:20	Gren Greenmantle	Let's just... I mean... Let's leave... Yeah. Why don't we buy the four potions?
00:36:23	Jetten Elisedil	I think four is a good number.
00:36:27	Jetten Elisedil	Because what if something happens to Invictus, right?
00:36:28	Invictus	Yeah.
00:36:30	Gren Greenmantle	Yeah. Right.
00:36:35	Gren Greenmantle	Well, it'll last past his death if it doesn't take concentration. But it'd be more fun to use our second-level spells for smites and stuff. All right. So we have, I think, 1,200 gold?
00:36:44	Jetten Elisedil	Mm-hmm.
00:36:50	Jetten Elisedil	And we can sell the paintings and, you know, the other treasure. We have a bunch of treasure if you go to the inventory. Yeah.
00:36:53	Gren Greenmantle	Oh. Oh, do we? Yeah. Let's sell that. And then are there potions of flying?
00:37:06	DM	She's got a lectures of health, climbing, comprehension, water breathing, animal friendship, growth, pugilism, heroism, visibility, the green rest tonic, poison resistance, healing, superior healing. No, she does not.
00:37:29		Loot Shelf: Jetten Elisedil took 1 × Potion of Poison Resistance from Potion of Poison Resistance. Potion of Poison Resistance was picked clean and is gone.
00:37:33	Invictus	We could water breathing and give us an advantage somehow.
00:37:34	Gren Greenmantle	So, well, if it, like, swims in the lake, we'd sort of need it.
00:37:42	Jetten Elisedil	Well, I mean, in underwater battles, it's a whole different thing. It's in the inventory in the party. Right at the top. Yeah.
00:37:48	Gren Greenmantle	Yeah. Well, then... She doesn't have any potions of flying, so that's... Okay.
00:38:01	Gren Greenmantle	Violet stone from the... So all... Maybe we should just sell all this stuff.
00:38:08	Gren Greenmantle	Dark chart. All this stuff is... Is just... Okay. And I'll take out... Where's our gold?

00:38:10		Loot Shelf: Morgash the Gravemaker took 1 × Potion of Poison Resistance from Potion of Poison Resistance.
00:38:13	DM	Oh, you can't even pick stuff up.
00:38:17	DM	I'll just drop a potion in each of your inventory. Or I'll put them in party stash.
00:38:29	Gren Greenmantle	Okay. I don't see where our gold is. Members. Inventory. Yeah, I don't see... Oh. No. I'm on the inventory thing. I don't see where the gold is. Oh, okay. I have it scrolled too far down. Got it. Okay.
00:38:48		Party Stash: Matt the DM added 1 × Potion of Poison Resistance to The Party.
00:38:50	Jetten Elisedil	You know, and I think we need to restock on the healing potions, too, as well, guys. Okay. Oh, there it is. Yes. Well, we can sell her. Well, there you go. That's true. She doesn't.
00:38:50		Party Stash: Matt the DM added 1 × Potion of Poison Resistance to The Party.

00:39:06	Gren Greenmantle	Oh, it doesn't even let me edit that now.
00:39:14	Gren Greenmantle	I'll take out... Yeah. I mean, I have a couple just standard healing potions. But if you guys... You guys should use party gold to... I'm going to sell these.

00:42:01	Gren Greenmantle	Robert, what's Invictus's strength?
00:42:06	Jetten Elisedil	All right.
00:42:10	Gren Greenmantle	Oh, okay. A fire breath? Yeah. Get it.
00:42:24	Gren Greenmantle	Yeah. I see. You know, we have money. We have 1100 gold. It won't... It won't... Matt, will you take 800 out of our inventory?
00:42:28	Invictus	yeah looks like i have one potion of healing in my inventory so you want us to have two what do
00:42:39	Gren Greenmantle	Yeah, you know, I think we should all... I don't think there's anything in there that's going to be worthwhile for me. But I, you know, I have two regular healing potions. You guys should make sure that you have healing potions. And I don't know, you know, it might be worthwhile getting a greater healing potion. It heals a little more. But maybe a potion of comprehension so we could talk to him.
00:42:50		Party Stash: Matt the DM took coin from The Party: -800 gp.
00:43:19	Gren Greenmantle	I think we should have at least two. Yeah. And then everybody has ranged attacks. Morgash, you got the bow, right?
00:43:30	Morgash the Gravemaker	I think... I think that I got the...
00:43:38	Gren Greenmantle	And then... Yeah. But there's greater that we can. I mean, I don't know how worth it is, but... It's an extra 2d4 plus two hit points.

00:43:41	Invictus	you want us to do take out some take okay hold on a second let me go back to so she's got the healing potion and she and then we also there's that really expensive one we can't afford that the potion of healing superior is two thousand so oh i see that question yeah yeah
00:43:48		Party Stash: Gren Greenmantle took 1 × Potion of Poison Resistance from The Party.
00:44:14	Gren Greenmantle	Overall, that's on average seven more hit points from healing.
00:44:22	Invictus	four people oh yeah we have about eleven hundred is that what we have two d four plus two okay so the potion of healing greater is four times as expensive and it basically is twice as good as one potion of healing but you only have to use it once so yeah all right i mean whatever i i just i want to just make sure i keep in your mind there's three potions of fire breath of a
00:44:40	Gren Greenmantle	Yeah, 1150.
00:44:45	Gren Greenmantle	We can see, like... We can go and check out the magic items, too.
00:45:10	Gren Greenmantle	Yeah. But it takes only one action as opposed to two. Yeah.
00:45:18	Gren Greenmantle	Yeah. Yeah. Yeah. I'm okay because I have spells, but I think... Maybe we should... Maybe we should all go in and breathe fire on it. That should be our plan. Just run in, tell them we want to parley, and then I'll breathe fire on them.
00:45:24	Invictus	potion of healing that are available if anybody thinks those yeah i mean that's it yeah you can take it as a bonus action and the effect ends after you exhale the fire three times so you can do it three times and it's 4d6 of fire damage no i haven't done it i'm just waiting for i i i don't have enough money anyway i'll leave you in charge of that but but if i do that then we might not be able to get the
00:45:54		Party Stash: Matt the DM added coin to The Party: +100 gp.
00:45:54		Loot Shelf: Jetten Elisedil sold 1 × Potion of Poison Resistance to Selma for 100 gp, paid into The Party's purse.

00:46:06	Jetten Elisedil	All right. All right.
00:46:07	Gren Greenmantle	Well, you want one, so I'll put... Just take money... Oh, I don't... Just withdraw money from the thing and buy it.
00:46:21	Invictus	greater potion of healings that you want okay okay hang on so okay so i'm gonna take out some 300 bucks yeah i'll put some back but i think i jetting how many healing potions do you have
00:46:23	Gren Greenmantle	I don't think... No, I don't think we should get those. I mean, I don't... Yeah.
00:46:31	Gren Greenmantle	We have potions of poison resistance. We have anti-toxin. That's what I think we really need. And then... I don't know if there's any magic items.
00:46:51		Party Stash: Invictus withdrew 300 gp from The Party.

00:46:52	Gren Greenmantle	Anthony, do you have healing potions?
00:46:57	Morgash the Gravemaker	I think I have won.
00:47:02	Gren Greenmantle	No, you have two. Oh, you have two greater healing potions and one regular one. Two regular ones. You're all set.
00:47:04		Loot Shelf: Invictus bought 1 × Potion of Healing from Selma for 50 gp.

00:47:18	Jetten Elisedil	All right. All right. All right. All right. That's pretty good. 30 feet. I'm going to grab one. It could go. You could see how this could go bad.
00:47:21	Gren Greenmantle	So get another one.
00:47:25		Party Stash: Jetten Elisedil withdrew 100 gp from The Party.
00:47:26		Loot Shelf: Invictus bought 1 × Potion of Healing from Selma for 50 gp.
00:47:28	Invictus	okay so now i have a potion of fire breathing and i and i just and i have three total healing potions now yeah
00:47:37		Loot Shelf: Jetten Elisedil bought 2 × Potion of Healing from Selma for 100 gp.
00:47:39	Gren Greenmantle	Excellent.
00:47:44	Gren Greenmantle	It's a bonus action to breathe fire? That's pretty awesome, man. So we could do a main action... And then breathe fire on them, too? Yeah.
00:47:52	Invictus	and you can do that three times with one potion you can do it three times
00:47:57	Gren Greenmantle	Maybe we should all get potions of fire breathing. What's... Yeah, I think that sounds great, man.
00:48:00	Invictus	i i mean i'm saying we can this is pretty awesome
00:48:07	Gren Greenmantle	Yeah, we have to get close enough. What's the range on them? Where are the potions of fire breathing? Let me... 30 feet. Yeah. Yeah. Buy them all.
00:48:08	DM	I don't even know what is in two. That's not bad. Wow.
00:48:19	DM	Excel player at a target within 30 feet.
00:48:20	Invictus	and there's there's two more yeah that actually reminds me when i was like nine years old and played dnd and we burned down an entire because of a fireball or something that was really yeah 30 feet three times bonus action yeah thank you
00:48:23	Gren Greenmantle	There's two more? Yeah, grab them. That sounds fun. Ooh.
00:48:27		Party Stash: Jetten Elisedil withdrew 200 gp from The Party.

00:48:52	Gren Greenmantle	So I don't char you guys to death.
00:49:00	Gren Greenmantle	Yeah. Anthony, why don't you get one, too? And all the fighter types can have one.

00:49:13	Gren Greenmantle	From the party stash. Just take the money from the party stash.

00:49:39		Loot Shelf: Morgash the Gravemaker bought 1 × Potion of Fire Breath from Selma for 200 gp.
00:49:45	Gren Greenmantle	Should we go to the other person? See if they have, like, I don't know, magic arrows or something.
00:49:55	Gren Greenmantle	We have 450 gold left. Oh, you want to talk to Selma?
00:49:58	Morgash the Gravemaker	Yeah, but before we... Before... When you guys finish, then I will talk with Selma.
00:49:59	Jetten Elisedil	Let me see.
00:50:09	Morgash the Gravemaker	Yeah, when we finish business. Finish business with her, then I talk with her.
00:50:12	Gren Greenmantle	Okay. Okay. You planning to piss her off?
00:50:18	Morgash the Gravemaker	I don't know. Yeah. You remember the problem that you had with this guy that came here and was doing business here, but he was selling body parts?
00:50:19	Gren Greenmantle	Okay. I think we're done buying.
00:50:20	DM	Okay. All right. So, all right. He's like, anything else? I heard about him. Yes. I hope he never comes back here.
00:50:42	Morgash the Gravemaker	So it... Yeah. It's not going to be a problem. No. No. He won't be able to come back anytime soon. Okay? We solved that problem for you. How much you could give me for this piece of jewelry? And then I give her the finger with the...
00:50:54	DM	Oh, that's good. Okay.
00:51:04	DM	Oh, she looks at it to grab it. As she drops it, realizing it's a finger, she says, that's disgusting. That's his finger? Is he still alive?
00:51:13	Morgash the Gravemaker	Yes.

00:51:17	Morgash the Gravemaker	No.
00:51:20	DM	Oh, my. Thank you. You know, I do appreciate it. Here. You can have this potion. A potion of superior healing on me. And she gives you one.
00:51:22	Gren Greenmantle	Was he alive when you took the finger off?
00:51:27	Morgash the Gravemaker	No. He was already dead. I didn't kill him. I just took the finger so that you could rest assured that he's not coming back. And... You could rest. Sure. He's dead. You're safe.
00:51:27	Jetten Elisedil	Invictus, could you step away?
00:51:28	Jetten Elisedil	Yeah, me too.
00:51:57	Morgash the Gravemaker	Thank you.
00:52:07	DM	And it should be in an inventory now.
00:52:12	Gren Greenmantle	All right. As we walk away, I'm going to mumble about aiding and abetting underneath my breath.
00:52:21	DM	Uh, what? Yeah. Bye. And she shuts the door. Okay. Um. When you want to shop at the full larder.
00:52:25	Gren Greenmantle	Bye, Selma.
00:52:33	Gren Greenmantle	Yeah, let's just see if there's...

00:52:42	Gren Greenmantle	So this guy has his inventory. Oh, I don't know. He doesn't...
00:52:48	DM	Yeah, fixed them all.
00:52:52	DM	What?
00:52:54	Morgash the Gravemaker	It has... I think it... It has only the things that we sold to her.

00:53:15	DM	Ah. Oh, yeah. Uh, of interest she has for you. Is does she have plus one arrows? Let me look.

00:53:19	Gren Greenmantle	It's all right. I mean, I was just going to... I wanted to browse to see if there's anything, but probably not.
00:53:25	Gren Greenmantle	All right.
00:53:38	DM	Consumables. She does not have plus one arrows. I think at some point jet loot jet and looted a few though. If I recall, you must still use them maybe by accident. I could see where you had some before. Sorry.
00:53:49	Jetten Elisedil	There we go. Nope. I don't have any plus one arrows. Maybe. Oh. Oh, they're in the quiver. Okay. Yeah, I do. There they are. That's all. Yeah. Let's take a bite. All right. All right.
00:54:37	DM	Oh, there. We're in your quiver of El Hana Elana, which you have a couple other things in there, too.
00:54:46	Jetten Elisedil	All right. All right.
00:54:56	Morgash the Gravemaker	Do I need to buy arrows? Even if they are just simple arrows I need to buy, or... Okay. Okay. Perfect. Perfect. Perfect.
00:55:02	DM	No, no, we're not. We're not tracking that.
00:55:07	Morgash the Gravemaker	Do we have the...
00:55:30	Gren Greenmantle	Should we head off to the dragon?
00:55:35	DM	Okay. All right. Let's me.
00:55:36	Jetten Elisedil	Let's take a bio break.
00:55:45	DM	Where's my see this?
00:55:50	DM	Oh, someone's playing fireworks outside.
00:55:54	DM	Um, let me just get you over here. Why is this?
00:56:09	DM	Okay. Give me a second.
00:56:14	Gren Greenmantle	You know what? I need three minutes because my stomach's bothering me. Give me a minute.
00:56:25	DM	Actually, the next scene involves you. So. We'll take a three minute.
00:56:31	DM	Okay, everybody else took a bio break.
00:59:04	Gren Greenmantle	Okay, sorry. I'm back.
00:59:13	DM	So just wait a second now. I guess let's put us in a clearing for now.
00:59:29	DM	Okay, I'm back.

01:01:04	DM	All right. Um, so you walk, um, your way following the map to the forest, um, making your way through the map. Uh, you do actually see a medium sized forest lake in the distance. Okay. Um, and you can see that there's some kind of temple that seems to have sunken halfway into the lake as it must have moved in and expanded over the temple. Um, there's an easy entrance to the half drowned temple that you can see. Uh, it's probably been there for decades at this point. Um, the perfect place for a dragon's layer. As you start to approach. Um, Gren. Off to your right.

01:02:40	Jetten Elisedil	Pretty cool.
01:02:42	DM	Um, okay.
01:02:47	DM	Uh, you see three squirrels and one of them you recognize immediately as budgie. And it looks like he's put in. The feather of long shadow and kind of like affixed it to the back of his head somehow. And he comes up to you and he says, oh, oh, it's the mighty warlord of the wood. We've, we've been talking all about you, all of the squirrels throughout the entire forest know of the great gran. Uh, we're, we're guessing. You're on another mission. We can help you. I've got two friends over there is pine nut and there's honeysuckle and pine nuts, a darker covered squirrel and honeysuckle is a lighter colored squirrel. What can we do? Oh, fearless, mighty gran.
01:02:51	Jetten Elisedil	And we examine it to see if there's any way to open it or manipulate it.
01:03:43	Gren Greenmantle	First, you must supplicate yourself and pay proper obeisance to me.

01:03:50	DM	All three squirrels start bowing back and forth. Um, and pudgies little feather dips in and out as they move their little paws to worship you. All hail. Grand the mighty. Oh, the, oh, I, I know a little bit. Um, the, the big green one sleeps at the far end of that shiny, warm thing. I have the water's bad, not make drink it. And, and now I'm not big is sick. Uh, anything else takes his little potty points. There's a little door there. We can come with you. We'll guard you. We can protect you honeysuckle and pine nut. Both say yes. Yes. We can protect you.
01:04:02	Gren Greenmantle	We... I bask in their worship, and then I tell them we are seeking to slay a danger much worse than Longshadow. So we hear there's a dragon that lives in... The castle over there. Tell me what you know about it and find out what you can.
01:04:45	Gren Greenmantle	How can we get... How can we get there? Is there a safe way to get to the castle?
01:05:01	Gren Greenmantle	All right, but you have to be quiet. And bring me nuts.
01:05:04	DM	Uh, okay.
01:05:08	DM	Uh, do you want nuts or do you want us to help you with, uh, pretty mighty castle?
01:05:13	Gren Greenmantle	Oh, help me with the castle.
01:05:15	DM	Okay. All right. We'll follow you. And you just tell us when you need us to protect you.
01:05:21	Gren Greenmantle	Okay, but you need to tell us when we're close because we have to protect ourselves with these potions. Our potions, by the way, guys, only last for an hour. So we want to...
01:05:28	DM	Oh, uh, okay. Hold on a second. Now let me put you in there. Uh, let's see.

01:06:28	DM	Uh, fire breath. Pine nuts got fire breath. Yeah. It was stinks.
01:06:53	Gren Greenmantle	All right, there's doors to the north and south. Honeysuckle, which... Where is the dragon?
01:07:03	DM	I over, over this way, I think. And he kind of like hops across the water. Jumping on these little squares. He almost has like a hopscotch thing and he says, there's, there's a little door over here and he points with his little paw.
01:07:22	Gren Greenmantle	Here?
01:07:24	DM	Yeah. Over, over here, over here where this water goes and over here you could see, it looks like some kind of base. Um, and there's water going through the face.
01:07:33	Gren Greenmantle	Mm-hmm.
01:07:43	Jetten Elisedil	I'm going to cast guidance on Invictus. Where are you, Invictus?

01:08:34	DM	Uh, I think he already rolled. But honeysuckle just kind of looks at you all like, are you dumb? He says here, right through here. And he walks into the mouth and it's evident that there's a secret door as he does. See, and, and then there's one over here too. And this is where the dragon is. Oh, right here. And he kind of goes through their hole and he says over here, over here. Uh, wait. Oh, he's passed this door here. Oh, wait. Oh, he's passed this door here. Oh, he's passed this door here. Oh, he's passed this door here. Um, okay. Oh, did you hear that? That's him.
01:09:10	Gren Greenmantle	Is the dragon in that room, honeysuckle?
01:09:19	Gren Greenmantle	All right, don't go in.
01:09:23	DM	Um, he kind of looks and, um, there's no real space in the door and he comes back and he says last time it was open. Now it's shut. Weird.

01:09:27	Gren Greenmantle	All right, you guys, should we drink our potions now?
01:09:35	Jetten Elisedil	Okay. Then let's onward.
01:09:36	Gren Greenmantle	I think... I don't know. What do you want to do? I mean... Right.
01:09:40	Invictus	i mean it could go either way we could end up in another fight or we could end up with some good items what do you what do you guys think i'm i don't know i'm on the fence i mean i don't want to get into a fight and end up down at hit points or something
01:09:54	Gren Greenmantle	I'd go straight after the dragon.
01:09:58	Gren Greenmantle	But I could be persuaded to do anything. Very easily. If anybody... Yeah, I mean, so we want to... If we fight the dragon first, we'll be at full strength. So, honeysuckle, can you go peek underneath that door and make sure that the dragon's there before we go in? Okay.
01:10:11	Invictus	maybe maybe maybe we have to go to another there's another room with a lever and then that undoes the
01:10:21	Jetten Elisedil	Well, yeah, let's see if it's... Are these locked? I'm trying the doors. Yep. They appear locked. Let's see. Not me.
01:10:38	DM	Could be anything. Honeysuckles like what's going on. What are you looking for? Oh, I thought.
01:10:48	Gren Greenmantle	The... Yeah. So, what do you guys want to do?
01:10:56	Invictus	door or something maybe there's a mechanism i don't have them yeah we might as well might as
01:10:59	Gren Greenmantle	Well, should we open and close it real quick?
01:11:12	Gren Greenmantle	You can double-click on it.
01:11:17	Gren Greenmantle	Hmm.
01:11:24	Morgash the Gravemaker	Gift tools? I think that we got... It's not in mine.
01:11:30	Gren Greenmantle	Somebody does. I think they're in party inventory. I saw thieves' tools somewhere. But I was... Well, I'm trying to click on you, Morgash, to see if it's in your inventory. Okay. Okay. Okay. Okay. Okay. Okay.
01:11:33	DM	I thought you were right. I thought you were right. I thought you were right. Okay. I'm not sure. No. Jettin bought some.
01:11:34	Jetten Elisedil	No. Nope. I don't see anything in my inventory. I think last time we used a dagger. Well, maybe we can find another way in the chamber. Okay. These doors are locked as well, though. I'll go and take a further investigation.
01:12:06	Morgash the Gravemaker	Jason I think no the other path that it's here I think that's 50 60 that's it
01:12:13	Gren Greenmantle	Hey. Thieves' tools.
01:12:23	DM	I could swear you bought these tools. Maybe it's in the party stash?

01:12:27	Gren Greenmantle	I checked the party stash.
01:12:30	DM	Maybe you guys forgot to buy them. Oops. Nope. I kinda can't open doors. Too big for me. I mean, I could probably jump up and twist a knob, but I don't see any knobs here.
01:12:32	Gren Greenmantle	Yeah.
01:12:41	Jetten Elisedil	Is this a rock fall? I take a closer look at the rock and see if we can move it a bit. No. No. No. No. No.
01:12:45	Gren Greenmantle	Yeah. Honeysuckle, do you know what's in these doors up here? And down here?
01:13:02	Gren Greenmantle	Yeah. What about the cavern up here?
01:13:06	DM	Oh, I don't know. I've never been up there.
01:13:21	Gren Greenmantle	All right. So, these doors are locked, and that's where the dragon is, supposedly.
01:13:26	DM	Uh, I guess. Uh, you know. Oh, make a perception check, Jettin.
01:13:35	Gren Greenmantle	All right. Which way do you guys want to go? Through the doors in the first room? The doors... The doors in the second room, or this cavern in the middle room?
01:13:45	Gren Greenmantle	Should we send...

01:14:30	DM	Okay. Yeah, there's a couple engravings in the wall, and you rub your hand through them, and the door slowly opens.
01:14:54	Jetten Elisedil	No. No. No. No. No. No. No. No. No. No. No. No. No. No.
01:14:58	DM	It looks like it. It looks like at one point there was a tunnel, but it's collapsed in somehow with a bunch of loose-sitting rock.
01:15:18	DM	Um... The rocks are very heavy, but there is space, but not something you could fit through.
01:15:28	Gren Greenmantle	Hey, Pudgy, can you check out what's beyond these stones over here? If you see anything, come back right away. Well, it seems quite a way. Maybe we should just go through the doors. I don't think we're going to clear out all those...
01:15:40	Invictus	you i can't i can't see anything dark i don't even know where he is uh she's getting now i'll move in

01:15:53	DM	I sure could. Let me just slip in here and let me see what's going on. About 20 minutes pass, and uh... Another 20 minutes pass. You're starting to get impatient, and Pudgy returns. There's a hallway on the other side. You are a mighty grand. How did you know?
01:16:40	Gren Greenmantle	Oh. These doors are locked up here, too? You want to go through the middle room?

02:53:26	DM	I'm sorry. No, you have, you have raw power inside of you. Not raw intellect. Uh, you're able to survive though, against the DC 15 that, um, if you put them together at the source, it might work. That would make sense.
02:53:37		Gren Greenmantle — Intelligence (Arcana) Check: 1d20 - 1 = 16
02:53:41	Gren Greenmantle	got no intellect at all right yeah do we feel we could take a long rest here and then go to the tree or should we go to town take a long rest
02:53:58		Party Stash: DM Assistant added 1 × Staff of Withering to The Party.

02:55:27	DM	Eels.
02:55:31	DM	Wow.
02:55:34	DM	Yeah. On a hit, it deals damage. You can spend a charge, deal an extra 2d 10 necrotic damage to the target and forced to make a con save on fail. It has disadvantage for an hour. Oh, that's kind of nice for, um, uh, more gosh, it does topple too.
02:55:56	DM	Maybe anyways. Yeah, it's not, uh, it's not really a wizard thing. It's just a melee weapon. Hmm.
02:56:00		Gren: Bramblemaw's Hoard Behind the dais, the dragon kept its treasure the way a magpie keeps a nest: sorted where it could see it. Coins lie in drifts under a skin of lake-silt, and the good things have been ...
02:56:04	Gren Greenmantle	yeah it's sort of like a lich weapon how much gold did you get oh oh all right but the uh it didn't add the gold to the party right yeah right i think we should do the three squirrels and
02:56:08	DM	I, the day is the dragon kept his treasure. The way a magpie keeps a nest sorted where it could see it coins lie and drifts under a skin of lake silt. The good things have been set apart on ledges and little keeps on their own arranged by color. It's all yours now.
02:56:31	DM	Uh, it says in the chat. Yeah. Even gave you a little overview of what you alluded.

02:56:47	DM	Oh, you have 10,000 gold pieces worth of gem rich and massively powered with artifacts. Oh, we can add here and you can figure out what you want to do for. The last session, you're going to have to make a choice what you want to do with the heart.
02:57:07	Invictus	I already know the answer, because this sword has been whispering to me.
02:57:15	Gren Greenmantle	one of the victims family members uh we can do it because this is a 10 day one ex you should still get them
02:57:18	DM	I'm very disappointed. You're not going to raise pudgy because he was my little buddy.
02:57:18	Jetten Elisedil	family's been i hope that you used ai to make that portrait because i hope that you didn't actually spend time that's crazy
02:57:27	DM	I mean, look at that. How could you not want that guy at your side at all times?
02:57:31	Gren Greenmantle	if it yeah of course you did yeah i saw i saw that
02:57:38	DM	No, I actually, I, I was talking to Tom and, um, um, Anthony and I trained the AI to like do images like on the fly. Yeah. And it, it, um, is trained on all of your pictures and it could read the session logs and all of that stuff. So like, for example, I made, I made a couple, uh, I just said, pick some cool moments from, pick some cool moments from, uh, the last couple sessions here. I'll show them to you. I have to load it quick. It's copying now.
02:58:37	DM	But one of them was really cool. One of them picked was the moment that Thomas stabs back and like, it starts to blame. And I was amazed, like it even like picked up the signet ring on his finger. Like, yeah, that was a good one.
02:58:57	DM	I'm going to stop recording.
