Tuesday, 29 September 2026 · recorded 2026-09-29T23:39:40.553Z (01:51:19 long) · transcribed with large-v3-turbo on cuda/float16 · chat events: 152 in window, 0 outside

The whole session as the recording and the Foundry chat log have it: every speaker's track transcribed by machine and merged on the clock, with the table's rolls and chat cards in between. Verbatim and unedited — the stumbles, the cross-talk and the mis-hearings are the real thing.

 a roll  a chat card (an item, a feature, the party stash)  a whisper or a blind roll the players did not see

00:00:00	Gren Greenmantle	the bramble heart uh so read i mean read it what does it say you're still attuned to it oh okay so that's like that's like within combat okay that's like a revival within combat but that and yeah and then oh that's just revivify that's the review okay but this yeah who had so what all right oh so we go on so if you middle click it it sort of stays on there
00:00:00	Jetten Elisedil	It was 10 days.
00:00:04	Morgash the Gravemaker	But I'm talking about mine, the one that I attuned to.
00:00:05	DM	Which one? Morgash does revivify.
00:00:06	Jetten Elisedil	Yeah, I think we should rest here.
00:00:16	Morgash the Gravemaker	You touch a creature that has died within the last minute. That creature revived with one hit point.
00:00:34	DM	So the Thornheart has raised dead. Oh, Invictus took it.
00:00:34	Morgash the Gravemaker	Yeah.
00:00:38	Invictus	Yeah, I have it. That's the one we just got, I think. It says, once between dawns, you can press the shard to the breast of a body dead no more than 10 days. I mean, I can't read what's below that because it takes up too much of the screen.
00:01:02	Gren Greenmantle	i'm trying to find well let's let's do it because i mean we're gonna have to travel back to town is
00:01:04	DM	For inventory, Thorn. I thought you... Yeah. You can hover over it, too. Anyway, go ahead.
00:01:07	Invictus	Here we go. View item. Okay. It says, once between dawns, you can pass the shard to the breast of a body dead no more than 10 days. Green light threads down through it like new roots taking hold and a cast raised dead.

00:01:29	Gren Greenmantle	it okay if we use it on pudgy yeah yeah oh the dragon killed you but through the power of its heart we brought you back to life but i'm unfortunately pine nut and honeysuckle
00:01:32	DM	Yeah, sure. So you want to try that before you go to bed?
00:01:39	DM	Okay. So that would be Invictus that does the raised dead.
00:01:40	Invictus	Come on. I think I'd like to rest here. Wrong way.
00:01:50	DM	You don't have to cast. Yeah, well, you can flip the card if you want. And so, yeah, as you press Thornheart to the chest of Pudgy, his body shakes and quivers and he weakly looks up to you, Invictus, and then he twitches his head over to Gren. He's like, what happened? Oh, my goodness. Oh. Did we kill the dragon? Did we beat him?
00:02:26	Gren Greenmantle	you were unable to save them the dragon's dead i show the corpse of the dragon absolutely i'll give them a few nuts i think so they gave me a bunch of nuts all right so uh what do you guys want to do you want to rest here you want to go into town and rest there okay where was it
00:02:40	DM	At least they did not die in vain. Will you promise to bury them outside, please, Master Gren?
00:02:49	DM	Okay. Well, yum yum. Yum yum. You still have nuts? Okay. Okay.
00:03:21	DM	Okay. Down below, there was sort of like a makeshift camp area. It was probably where that Yast Druid was.
00:03:34	DM	Probably a good place to long rest. Down to the south from the battle room.
00:03:37	Gren Greenmantle	not the other room why is it not letting you move okay oh look at this fur oh the sleeping bag i got
00:03:46	DM	Stop. Stop. Stop. Stop. The room that you fought in. Yeah.
00:03:51	Invictus	Hey, I pulled my sword out for my sheath a little bit. Is it glowing or doing anything?
00:03:56	DM	There you go.
00:04:00	DM	Morgash knows the way. Okay. Okay. All right. Go ahead and do your long rest.
00:04:10	Gren Greenmantle	this i got the first sleeping bag nice i would have thought invictus would have inky black eyes
00:04:16	Jetten Elisedil	I don't sleep anyway, so.
00:04:29		Invictus: Invictus takes a long rest and recovers 3 hit points and 1 hit die.
00:04:30		Jetten Elisedil: Jetten Elisedil takes a long rest and recovers 24 hit points and 6 hit dice.
00:04:31		Gren Greenmantle — Long Rest (8 hours, new day): 1d6 + 1 = 6, 1d6 + 4 = 8
00:04:38		Morgash the Gravemaker: Morgash the Gravemaker takes a long rest and recovers 3 hit dice.

00:04:45	DM	Invictus, Jetton, Gren, everybody long rested. Okay. So, you spend the evening here as you start to gather your things and prepare to head out. What's the thorn? Was that Jetton? Yes. Jetton. Jetton's eyes glaze over and they turn like an inky black. Give me one second and see if I can do this right. There we go. Thank you. Ownership. I hope I do this right.
00:05:10	Jetten Elisedil	Oh, boy.
00:05:29	Gren Greenmantle	what is your what is your what does your sword do does it detect bad guys chetton what happened to
00:05:42	DM	Where's Jetton? Okay.
00:05:46	DM	Did that? Oh. Nope. Sorry.
00:05:56	DM	Okay. Does this work?
00:05:59	Jetten Elisedil	Chet, read this first. I got it.
00:06:16	Invictus	Oh, boy. I don't think so. I think it is bad.
00:06:17	DM	It is, in fact.
00:06:29	Jetten Elisedil	All right, let's see. I thought that Matt was going to put up a photo or an image of me with black eyes.
00:06:32	Gren Greenmantle	your eyes is is this after we've woken up is that what's going on okay invictus how do you feel
00:06:37	DM	Yes. Yes.
00:06:50	DM	No. Do you have it, though? Okay.
00:06:53	Jetten Elisedil	Yeah, I got it.
00:06:55	Invictus	This must be a trick of salooning our saloon.
00:07:02	Invictus	For some reason, I can't stand anymore.
00:07:04	Invictus	I have to say, man, well, listen, listen, oh, look, I have to say that I can see there's some logic here.
00:07:07	Jetten Elisedil	But, Matt, I can't do anything else.
00:07:09	DM	Just, it says to read it. You can't see the thing. Let me try this one.
00:07:12	Jetten Elisedil	No.
00:07:18	Jetten Elisedil	Here we go. Can I read it now?
00:07:20	DM	There you go. Yeah.

00:07:24	Jetten Elisedil	Invictus. Killing my high priest was regrettable, but it is forgivable. My offer still stands. Take the heart shards and midnight to the dreamer's tree. Find the tree's heart knot and plunge the blade into it. Midnight will drain the power from the tree and the shards. The dreamer will be trapped. Each shard can grant you a resurrection, and the heart of the tree will grant you a fifth. Shards will be dead. But midnight will have the ability to give you your five resurrections. You will win. You will get your family back. The town will win. The dreamer's summer will remain in green rest forever. I will win. My will shall be done. Think carefully, Invictus. This is my last offer.
00:08:29	DM	And with that, Jetton, you sort of shake your head and you remember every word that you said. It was almost as if someone else took control of your body.
00:08:44	Jetten Elisedil	Very evil dead.
00:08:45	Jetten Elisedil	I don't know if something came over me.
00:08:51	DM	And midnight stops glowing.
00:08:59	DM	And if you want to reread Shahr's offer, I will share it for everyone.
00:09:18	DM	This one.
00:09:50	DM	That's it. No reaction?
00:09:55	Morgash the Gravemaker	What was that about? What are you talking, Jeton? Did you took something from him? Did he have something? Why you?
00:10:03	Jetten Elisedil	Duskart took control. And I don't remember saying those words. I know I said them, but it wasn't me. I think it's the shard.
00:10:32	DM	Yes. It was pretty obvious when Jetton's carrying the dust cart, which is the one you looted that was corrupted by Shahr. It glowed when he talked.
00:10:38	Jetten Elisedil	Mm-hmm.
00:10:42	Morgash the Gravemaker	Okay.
00:10:47	Gren Greenmantle	about that the fae the fae who possesses the tree is a friend of saloon and a power for good
00:10:55	Invictus	Because on the one hand, I'm concerned that the town will be damaged if we free this dryad. And they're enjoying such a good situation because of her being trapped there. I mean, what's one fae versus an entire town? On the other hand, this sounds like it's going to destroy the pieces and we wouldn't be able to use the hard end. I don't know. I mean, I'm just having a hard time bearing out. I know, but it seems like, it seems strangely logical to me. The word has been whispering to me.
00:11:02	Jetten Elisedil	It sounds like a trap, Invictus. Like a bargain with the devil.
00:11:18	Morgash the Gravemaker	Exactly. And you're getting everything from this.

00:11:24	Morgash the Gravemaker	It seems very obvious that you will think that it's the best thing to do if you are getting everything from this.
00:12:01	Invictus	I just, I'm confused as to what the, just can't seem to, put my, I can't, I can't seem to clearly define what the moral action is here. But I just haven't been feeling myself lately.
00:12:20	Morgash the Gravemaker	You lost your bearings when you killed that guy.
00:12:30	Jetten Elisedil	It's the evil trying to work its way into you. Don't turn to it, Invictus.
00:12:37	Invictus	But is it evil if we, wouldn't it be evil if we destroy this town by unleashing the dryad? I don't know. I don't know. I feel so, I feel less connected to the band. I've been so confused lately.
00:13:01	Invictus	Well, what do you, what, what do you all think is going to happen if we, I mean, what's your expectation if we go back to this town and go to the tree and we don't do, as Shar, Shar asks, what do you expect will happen?
00:13:02	Morgash the Gravemaker	So, Faye offered summer and time. Why is she not granted now?
00:13:40	Invictus	I mean, if we put this heart together, it's going to turn into one artifact. Do we all think that that's true?
00:13:49	Invictus	And then what do we do? I mean, it seems like one way we save the town and we can, and I can resurrect my family. And the other way is we fix the heart. We put all the pieces together, resurrect the dryad. And my guess is the heart stays with them. So either way, when it's all over, we don't have the heart and I don't resurrect my family.
00:13:49	Morgash the Gravemaker	It's what we have seen on the visions, on the dreams. It seems that what's one artifact before, so you don't resurrect your family. You made peace with that. You went through all this to get your vengeance because you made peace with that.
00:14:45	Invictus	Yes. And I still feel like, and I feel like I didn't, yes, I'm starting, starting to see that.
00:14:48	Morgash the Gravemaker	Now you're retracting.
00:14:52	Morgash the Gravemaker	You are going to lose. You lose your vow. And now you're completely lost, my friend.
00:15:11	Invictus	I think what I need to do is, I mean, as hard as this is, at the end of the day, this is still the same sword that I had before, but it just turned black. I remember that one, it's the same sword, perhaps, yes. I mean, so you say, but it's so hard to remember, everything's foggy.
00:15:24	Morgash the Gravemaker	It's not the same sort. Don't lie to yourself. It's not the same sort.

00:15:32	Morgash the Gravemaker	You have been acting weird. You're not yourself anymore. If you want to pray, go to a holy place to pray. Not in this deep shit. We just kill a dragon here.
00:15:53	Invictus	But I think I have to rely on my friends here and say, I can't take her up on that offer. I mean, it just seems like the evil thing to do. Well, at least in your piece, at least in your piece. Well, what do you think, should I just leave my sword here or should I try to, maybe I should pray to Lathander and spend some time in prayer?
00:16:03	Jetten Elisedil	But I think this bodes evil for us. There's some type of evil presence still existing, still watching us. So we should take care.
00:16:19	Jetten Elisedil	That's true.
00:16:20	Jetten Elisedil	Well, then we'd have real trouble.
00:16:38	Invictus	I still have my, okay. I'm not feeling very well, but I think, I think I'm going to, let's go outside and maybe I can find a quiet place to break out myself, my Psalter and try to reorient myself. Let the dead bury there. Yes, I mean, we all know that, but just don't seem, no, go ahead, go ahead.
00:16:43	Morgash the Gravemaker	It's not a holy place.
00:16:44	Morgash the Gravemaker	The thing is that no matter what we do, only people that will get the worst part probably are going to be the people from the town.
00:17:23	Gren Greenmantle	well shar is the deepest of evils i think invictus sorry go on i think we need to keep you away from
00:17:45	Gren Greenmantle	the tree so that you don't slay a goddess or a demi goddess and what would you we don't we don't know we don't know what's going to happen but i suspect that if we free the tree that she won't do evil
00:17:53	Jetten Elisedil	Well, after he avenged the death of your children, First Light turned dark and became a dark sword.
00:17:56	Invictus	I mean, do you think, I'm just looking, I wonder if there's any chance for redemption and wonder if this sword could possibly, maybe I should either leave it here or try to pray and change it back to how it was. I don't know.
00:18:29	Morgash the Gravemaker	Because if you kill the droid, the droid, you will kill the tree, you will end the summer.
00:18:38	Invictus	Is that, is it killing it though, or is it just trapping or they're eternal?
00:18:53	Gren Greenmantle	things and i think that killing the tree is in the interests of evil and invictus you haven't done anything wrong you avenged your wife and daughters you slayed their kidnapper he deserved to die you don't need redemption but if you do this you will need redemption do you remember your wife and
00:19:19	Invictus	I'm just kind of having a hard time remembering. I mean, I feel like everything's foggy around that moment. What do you, what do you all remember about it?

00:19:32	Morgash the Gravemaker	How long have you been?
00:19:33	Morgash the Gravemaker	I'm going to give him my sword.
00:19:46	Invictus	Of course.
00:19:48	Jetten Elisedil	First Light was the name of your sword before it became Midnight.
00:19:52	Invictus	Oh, I don't even remember that.
00:19:58	Gren Greenmantle	children should we take midnight and give it to morgash to make sure that you don't do something
00:19:59	Invictus	Yes, but somehow the pain, I, the pain is very easy to bear. I mean, I, it's getting hazy, but I still remember them, but I, it's like the pain just isn't there. I remember from my, from my job as a scribe. I mean, I think that that's, that's what Shard does for her acolytes. I mean, I'm infected by her in some way. Takes the pain away from you. Makes, makes things easier to bear.
00:20:44	Gren Greenmantle	you will regret do you know of a temple of lithander near here i think you should ask for atonement
00:20:46	Invictus	When you say it used to be different, perhaps, perhaps if I prayed a Lathander, something could, maybe the dark powers could leave the sword. I have a psalter in my inventory. My psalter was a gift from a priest. I haven't really been praying lately. I haven't been, I haven't really felt connected to him for the past few days or so.
00:21:28	Gren Greenmantle	sounds good i help him i help him dig the hole pudgy you must never let anyone know where this is
00:21:31	Invictus	All right, so, not here though. Let's go outside, find some place of good energy. All right, so I go over here to the side.
00:21:44		Invictus: Emanation Aura of Protection — Invictus — 10-foot Emanation allies and neutrals inside: Protected — +2 to saving throws
00:21:54	Invictus	I get down on my knees and I start reciting psalms to Lathander. Holding the sword in the air, begging him, release the power of Shard from me. And asking him what he wants me to do with the sword.
00:22:19	DM	It's still early in the morning. And you see, you see an image of the Dawnfather appear to you in the distance through the fog.
00:22:24	Invictus	Morning, Lord's time. I will, of course, obey the dawn, Lord. Help me, help me dig a hole then. Put the sword in here. The sword in and bury him.
00:22:35	DM	As his vision appears, the fog curls away. And he says, You are not completely lost, my child, but the sword you wield must be left here. Bury it. First light is gone.
00:23:22	DM	Okay. The hole is dug.

00:23:31	DM	Okay. You bury it with your companions and Pudgy watches on curiously as well.
00:23:40	Invictus	Friend, tell Pudgy not to tell anyone about this.
00:23:41	DM	And the sword is buried and is now removed from your inventory.
00:23:49	Invictus	Grin, tell Pudgy not to reveal the secret of the sword's location.
00:23:57	Gren Greenmantle	good that's that's what i was looking for pudgy pudgy over near this tree with the acorns it seems like a place that uh you can say come say hi to the tree and the fairy and let's bury honeysuckle and pine nut right here yeah um how do i send something to it to the party inventory yeah but i want to um
00:24:00	DM	What is? I don't know anything. Yes, sir.
00:24:03	Invictus	Excellent.
00:24:10	DM	Yes, boss.
00:24:18	DM	This works for me. Mind if I just kind of fill up and tell every one of your deeds and maybe I'll come to this town. I know where it is. I'll come say hi to you at some point.
00:24:35	DM	Oh, that's a good idea. I can't believe this is happening. Okay. So you want to bury honeysuckle and pine nut?
00:24:45	Jetten Elisedil	Oh, no, you need a melee weapon.
00:24:46	DM	Okay. You do so.
00:25:01	DM	Oh, you did have two of their corpses in your inventory. I'll get rid of that.
00:25:11	Gren Greenmantle	invictus do you have a a weapon i have a spear i have this yeah and my axe no the lord of the rings he's like you have my sword yeah in my ass
00:25:14	Invictus	I have a bunch of, I have a bunch of javelins.
00:25:22	Invictus	And I also, I think maybe we have some kind of a sword in the inventory. Like a sword.
00:25:35	Morgash the Gravemaker	I don't think that giving him something like that will be the best thing to do. But I think that my sword is the perfect thing to give him.
00:25:37	Jetten Elisedil	Yeah, I can give him my scimitar.
00:25:46	DM	You have an axe?
00:25:46	Invictus	Is a scimitar a sword? Is that considered a sword?
00:25:49	Jetten Elisedil	Mm-hmm. Just click on stash next to the, if you go to inventory, click on stash.
00:25:51	DM	I know. I know. I know. I know.
00:25:53	Invictus	And my, yeah, exactly. Yeah, that was what I was remembering, the necrotic sword. Yeah. I'm not going to do that at this point.
00:25:59	DM	Okay. Yeah, you could just drag the item on to whatever you want to give to Invictus is fine.

00:26:06	Gren Greenmantle	oh there's that staff of withering you should you should use the evil staff of withering it's a it's a super powerful but evil uh there's a necrotic sword in the staff of withering yeah uh yeah i think it's a have a have a clean break from evil i have no all right i put all right
00:26:18		Party Stash: Jetten Elisedil stashed 1 × Scimitar in The Party.
00:26:26	Invictus	All right, I'll take scimitar. Yeah, you're right. I can't.
00:26:44		Party Stash: Gren Greenmantle stashed 1 × Spear in The Party.
00:26:47	Morgash the Gravemaker	If I find a way to do it, yeah, I thought that I could drop it on top of him and give it. So, that's what, nope. Nope.
00:26:50	Gren Greenmantle	you just drag it into the party inventory oh yeah but yeah you should give him maybe give him the mall
00:26:53	DM	Yeah. Yep.
00:26:59	DM	Oh, I don't know if that was... Yeah, yeah, there you go. And then Robert can just grab it from Party Stash. Oh, you gave him the Ember Sword. Hmm.
00:27:01		Party Stash: Morgash the Gravemaker stashed 1 × Ember-Touched Greatsword in The Party.
00:27:10	Gren Greenmantle	is the mall two-handed no better than not having a weapon yeah yeah yeah all right so should we head
00:27:13	DM	Yeah. Unfortunately, everything you have is two-handed. The scimitar... The scimitar in there is one-handed. That's probably the best, Vic.
00:27:14	Jetten Elisedil	Yeah, malls are two-handed.
00:27:24	Morgash the Gravemaker	Oh, it's 200-degree sword? Okay, sorry. Then I will take it back. Oh, and then we could buy a new sword.
00:27:27	DM	Yeah.
00:27:28	Jetten Elisedil	It's a great sword.
00:27:30	DM	Yeah. Whoa. Okay.
00:27:36	Jetten Elisedil	Because you have that shield, right?
00:27:37		Party Stash: Invictus took 1 × Scimitar from The Party.
00:27:39	DM	Yeah.
00:27:41	Invictus	Yeah, I need to use the one. Plus, I have a mastery of swords, too. So that makes sense.
00:27:47		Party Stash: Morgash the Gravemaker took 1 × Ember-Touched Greatsword from The Party.
00:27:50	DM	Okay.
00:27:52	Invictus	Okay, man, we better leave. I can, something, I just feel like I hear that's a buried sword calling to me and screaming. I have to get out of here before I lose my mind.

00:28:03	DM	Okay.
00:28:09	DM	Hmm. Where to go?
00:28:10	Gren Greenmantle	to town i do my standard buffs by the way should we go talk it's not ambrose what's the mayor's name
00:28:17	DM	Yeah, I think I see them there.
00:28:21		Invictus: Emanation Aura of Protection — Invictus — 10-foot Emanation allies and neutrals inside: Protected — +2 to saving throws
00:28:22	DM	Okay. So you make your way to town.
00:28:25	Morgash the Gravemaker	I think that they should have...
00:28:30	DM	It's still in the late morning as you get back to Green Rest. And as soon as you cross the threshold of the town limits, Jetton, again, this time something else is going, your amulet. And your green amulet of dreams. And suddenly, you all feel tired for a brief moment, and you find yourself inside of a dream again.
00:28:48	Invictus	I don't know.
00:28:49	Invictus	Well, I'll see you soon.
00:29:03	DM	You stand on the Bear Hill. The fog is close. The tree is where it stood and the other dreams that you've seen. But you are not alone. The whole town is here with you in their early morning pajamas. There is no mist between you and the townsfolk anymore. You can see them as opposed to last time when they were shrouded in mist. You see Oswin, Selma, Enid the priest, Ambrose the barkeep, Warren the constable, and even little Pip.
00:29:45	DM	And as you look up to the tree, you see the dryad again. And the first time ever in your other dreams, she is looking at you.
00:30:03	Jetten Elisedil	Can we speak to her? Can I speak to her in the dream?
00:30:08	DM	No, this is a montage. I mean, you could try. You've been here before, she says, in the summer, at the fog, at the breaking. You are the ones holding my heart. I want you to know I forgive him. I forgive Corrin. I know he chose to leave me. But he was right. I forgive him. And now, after centuries, I can finally forgive myself for holding on so long for all of it. I'm asking you, begging you, free me. Bring the hearts to my tree. Find the heart nut. Place them in it. One by one. And I will absorb them. On the fourth, I shall be free. Please, help me. I've been trapped for centuries. And she starts to fade away. As she does, she looks at Invictus and sort of smiles a bit. You can speak to her if you want. As she fades.
00:30:11	Jetten Elisedil	I'm with Invictus.
00:31:17	DM	Okay. And the fog rolls in, takes over, everything becomes gray. And you wake up and you're standing again at the outskirts of the town.

00:31:39	Gren Greenmantle	again oswin should we go tell oswin that we have the part of the of the fey and that she asked us to
00:31:40	DM	Oswin?
00:31:49	Gren Greenmantle	free her all right let's go we'll go to the hi pip fireball uh look how in bloom it is
00:31:51	Invictus	My vote is to go straight there and do it. I'm feeling a lot more moral clarity now. I think you need to do this. Free this. Hey, what was I thinking before?
00:32:01	DM	Okay.
00:32:04	DM	Let's see. Five is the town square. You're off to the south. There's really nothing that's in your way. So yes, we can go to the town square.
00:32:48	DM	I'm just putting you on the map.
00:32:59	DM	Cans.
00:33:08	DM	Okay. All right. As you approach the tree, Mayor Oswin Applewhite is in the road. And he's even got young Pip with him. Hello, Gren.
00:33:12		Invictus: Emanation Aura of Protection — Invictus — 10-foot Emanation allies and neutrals inside: Protected — +2 to saving throws
00:33:43	DM	There's like 16 variants of your choices that I have to flip through here.
00:34:05	DM	I thought I broke that.
00:34:09	DM	That's lame.
00:34:16	DM	Oswin stops you and says, look, I know what you're doing. I saw you in the dream. I can only assume you have these pieces of her heart that you have. Look, please don't do this. We'll do anything. You don't have to let her go. She's been here the whole time. What's the difference? Look, we'll do anything. Well, you can have a key to the city. You can live here as long as you want with free meals. Ambrose has already agreed. We chatted with him quick. And he's out of breath. He just ran here. Please, don't do this.
00:34:54	Invictus	But what's troubling you? I mean, what do you, obviously, you know something that you've never told us before. What's troubling you? I mean, Rosalind, you have to consider that Dar wants it to remain as it is.
00:35:02	DM	I mean, look, I'm fond of you all and that's what makes this so hard, but we can't, the town will, the town will never prosper again. The fog, I'm sure, will come back and, and think of all the lives that could be lost here. Please.
00:35:30	Invictus	That's got to mean something.
00:35:34	DM	I know this is a moral quandary. There's nothing I could do to convince you.
00:35:46	DM	Begging you one last time.
00:35:46	Invictus	I mean, we can see the logic in what you're saying, but, I mean, it's just evil to keep her trapped there. You know that.

00:35:59	DM	Pip looks up to him. He says, I think he's right, Mayor. They need to do what they need to do. And Oswin says, Oh, Pip, you're right. Very well. I'll tell the guards to stand down. Do what you need to do. I'll go tell the elders. And he starts to walk away. Pip follows him.
00:36:26	DM	There was a couple guards and they okay.
00:36:31	Morgash the Gravemaker	It would be good if one of them stays.
00:36:48	DM	All right. As you approach and you start to look at the tree, you hear the sounds of an angry mob coming down the street. You have just a couple seconds to figure out what you want to do before I start an initiative.
00:37:00	Invictus	Oh, boy.
00:37:11	Invictus	But the peace is in the tree. Go ahead. But the peace is in it.
00:37:14	DM	Oh, yes, there is. Let me show you what the tree looks like.
00:37:19	Invictus	One at a time, she said. One at a time. Jetton, get over here. Hurry, Jetton. Run over here.
00:37:21	DM	Yeah.
00:37:21	Gren Greenmantle	i like it he needs the he needs the priest yeah come on matt we need a little show in this game
00:37:28	DM	Yeah. And that was actually Enid. She can actually commune with it, but you don't know that.
00:37:37	Jetten Elisedil	She's wearing a lot of clothes for the summertime.
00:37:39	DM	Yes, she is the priest.
00:37:44	DM	Got a lot of clothes for summertime. Well, you know, it was like she's not even really there, so it's all make-believe.
00:37:49	Jetten Elisedil	Yeah, come on. It's AI. Well, I think we should start to put the shards in the tree.
00:37:58	DM	You could see a crowd coming down. What do you do?
00:38:06	Gren Greenmantle	i think yeah i'm gonna take i'm gonna take my shard and put it in um all right
00:38:07	Invictus	I mean, let's put the shards in the tree. It was before the kid here. Let's move as fast as it is. One piece at a time. She said one piece at a time.
00:38:12	DM	Okay. It's pretty obvious. Yes. Where to put the heart? It will take you one turn each concentrating on doing nothing but the activity of putting a heart in the tree. If you're interrupted, you have to start over. There is a rule in D&D. You can do non-lethal combat or you don't have to. If you do non-lethal combat, it can't be executed with spells or ranged weapons. The concept of non-lethal combat is it does the same damage, but from an RP perspective, you hit it with the flat of your sword or you don't hit them as hard with your mace or something like that, just so you know.

00:38:22	Morgash the Gravemaker	I'm going to take...
00:38:42		Morgash — Morgash rolls for Initiative!: $1d20 + 0 = 8$
00:38:44		Invictus — Invictus rolls for Initiative!: $1d20 + 0 = 8$

00:39:09	DM	Okay. And Jetton, you remain in Initiative and you see several angry crowds closing in saying, get them! They can't take our town away! Stop this! And they all carry pitchforks, swords, torches, because angry crowds always do. And some of them have buckets of vegetables.
00:39:15		Jetten — Jetten rolls for Initiative!: $1d20 + 4 + 3 = 14$

00:39:41	DM	Okay.
00:39:50	Jetten Elisedil	Why don't we take turns trying to put the shards in? You put your shard in, we'll cover you. And then we'll just go in, we can go in order. Like, you go first turn, I'll go the second turn, and, you know.
00:39:50	Gren Greenmantle	now's the time to do something yeah that's gonna be at least delay it um actually i'll should i put my shard in first since i'm going for it all right i can also try and incapacitate a lot of them to begin with why don't we do that and then somebody else go first yeah just because i have such a good spell and i haven't used it um i'm gonna cast hypnotic pattern on that nicely nicely clustered group of people um first i'm going to use my sorry this entire time i still haven't gotten my uh
00:39:54	Invictus	Jetton, you head this way, Jetton.
00:39:56	Invictus	Okay, I'm moving over here, and then I'm going to put my piece of the shard in the tree.

00:40:22	Jetten Elisedil	Okay, well, I'll go first if I'm after you then.
00:40:33	DM	Right?
00:40:40	Jetten Elisedil	Matt, can you bring me over to where everyone else is?
00:40:42	Jetten Elisedil	Wow, are there three mobs?
00:40:45	DM	There you go.
00:41:09	Gren Greenmantle	innate sorcery is that it is that the one that yeah right first i'm going to do that and then i'm going to cast hypnotic pattern um and i'll do careful spell i'll get that whole group even though it's not anybody um yeah and then i did oh geez don't select them okay got it okay uh okay consume spell slot

00:43:49	DM	Yeah, 14. So that's an ability check. Oh, no, that's right. It's 13 plus negative one. 12, I'm sure, makes it.
00:44:08	DM	No, you made it. I'm sorry. So you cast a spell and that whole group of mob people are hypnotized for now.
00:44:26	DM	Yes.
00:44:27	Jetten Elisedil	Wow.
00:44:29	DM	There's one up here. There's one here. So the mob is represented by an actor each. So when you attack, you attack the mob. That's sort of like a 5E 2024 thing where they have swarms and mobs. Anything else you want to do? Okay.
00:44:29	Gren Greenmantle	all right okay well somebody okay got it got it okay so i'll uh no i'll end my turn oh no sorry i want to uh uh i want to give some temporary hit points the font of magic no that's not font of magic it's spellfire burst bolster is it bolstering frames give uh oh no i want to give the temporary hit points oh yeah it is automated nice all right and then sorry then i'll end my turn

00:45:39	DM	Okay. You start working on that. That's your action.
00:45:42	Jetten Elisedil	Yep. And then end my turn.

00:45:45	DM	Okay. This crowd is the one that's hypnotized. Each creature in the area sees a pattern charm for the durations. They don't have only ends if they are damaged or if someone wakes them. So they can't do anything. Invictus.
00:46:11	Invictus	That's what I'm going to do.
00:46:12	DM	Jettin's busy doing his.
00:46:14	Invictus	Oh, he can't. I can't do it right now.
00:46:15	Jetten Elisedil	Yeah, we're alternating turns, Invictus. Yeah, because it takes a turn. It takes a turn.
00:46:19	Invictus	Oh, each turn. Only one person each turn. That's another idea. Okay, I have a spell. It's called old person.
00:46:21	DM	Yep.
00:46:45	DM	You could probably use it, but it would only really affect one person in the mob and there's a big number of them. Not an efficient spell. No, we're not going to treat it that way. Grands work because it's an AoE.
00:46:53	Invictus	Oh, it doesn't. The mob isn't treated as if it's on one person. Oh, all right. Very well. Okay. Then what I'm going to do is I'm going to. You got to carry. And I'm going to use booming voice.

00:53:16		Greenrest Mob — Torchbearers — Strength Ability Check: $1d20 + 3 = 5$

00:53:27	DM	Oh.
00:53:30	DM	There you go.
00:53:33	DM	That's okay. Yeah, there's something weird.
00:53:40	DM	This mob can't do anything. Invictus. It doesn't seem like there's going to be any more convincing. You could try. It'll be like DC 25.

And I hold my hands up in the air and I say, I refuse to attack. And I start reciting something for myself or I don't know what else. You want me to do an intimidation check?
00:54:37	DM	Okay.
00:54:51	DM	Okay. You can do your advantage ability check again at DC 25.
00:55:01	DM	It was intimidation. Same as last time. You get advantage because you have thaumaturgy cast.

00:55:30	Jetten Elisedil	Yeah, I guess so.
00:55:33	Invictus	I didn't pass, right? 15.
00:55:37	DM	You passed your hero conspiracy offer. You failed. So yeah, you know, 15 is less than 25. Okay. That's your action. Anything else? I think you got a bonus action. There's something you can do. I don't know.
00:55:54	Invictus	Hold on.
00:56:01	Invictus	I'm not going to do anything. Just one step.

00:58:49	DM	Jetton.
00:59:03	DM	Okay. If you cast fair and fire, you will lose concentration on the entangle. Yes. Yep.
00:59:18	Jetten Elisedil	I can try something similar to what Invictus tried. And that's not a concentration. So I can use Elementalism, right?
00:59:52	DM	I think it's a cantrip or first level or something. Or is that? Yeah. Yeah. Okay. Let's see. Back in air, you cast a breeze strong enough to ripple cloth. Russell leaves and close open doors and shutters. Yeah. So the doors and shutters of the nearby building flap open and some of their ragged clothes are breezed, but they don't really seem very convinced of stopping in their rage.
00:59:56	Jetten Elisedil	Yeah, I think so. It doesn't look like it uses concentration. And I'll beckon, let me see, I'll beckon a small wind that blows and tries to knock something over around this crowd of farmhands and try to startle them. Something like that. Yeah, absolutely.

01:01:28	Jetten Elisedil	Invictus, are you going to finally put your shard in the tree?
01:01:32	Invictus	Is it my turn to do so? I will. You're going to do it this turn, Grant? So I'm going to, and one other idea, I'm going to cast. I'm going to summon a speed.
01:01:37	DM	Okay. Let's look at the casting time. I think it's 10 minutes or something. Summon steed.
01:02:15	DM	Where is that? Where is your, oh, it's just an ability.
01:02:26	DM	You call forth. You always have it. That doesn't have a casting time. That's weird.

01:02:27	Invictus	In the book, it says instantaneous. In the player's guide, it says instantaneous.
01:02:37	DM	All right. So a horse appears next to you.
01:02:41	Invictus	And I'm going to do it as a celestial and it's going to be a big white force, which I get on. And I start, I use it and I get on it and I start kind of turning around and shoving people with the horse, like pushing them off the green over to the east.
01:02:45	DM	Okay. Okay.
01:02:57	DM	Okay. You try and corral them. All right. So summoning is instant. Used an action. Get on the horse. You could probably command it to do something next turn. You just mounted. That took a turn. Or an action, I should say. But yeah, you're mounted and ready to go.
01:03:05	Jetten Elisedil	Fascist Morgash, is it your turn?
01:03:26	Invictus	And I keep using my voice saying, Lathander will protect me. Don't do this, man. You can't hurt me anyway. It's impossible. I have the blessings of Lathander.
01:03:42	Invictus	Lathander is protecting us.

01:16:50	DM	There must have been lag or something. Now it's going all over the place.
01:16:58	DM	Okay.
01:16:58		Gren Greenmantle — Strength Saving Throw: $1d20 - 1 = 8$
01:16:59	Jetten Elisedil	All right. Well, then I'll just move here and end my turn.
01:17:04	DM	Sorry. This one's not going to do anything. Okay, Invictus.
01:17:10		Greenrest Mob — Farmhands — Strength Saving Throw: $1d20 + 3 = 18$
01:17:14	Invictus	Is it in or not?
01:17:20	DM	Yes, the tree absorbs the thorn heart. That's right.
01:17:34	DM	On the fourth heart, the knot opens and the dryad steps out of the trunk, folding the whole heart. She says to you, it's stone. It has been stone in your hands for so long, warm and hard, and now it beats inside of me again.
01:17:55	DM	She closes her hand around her chest. The light goes out of the stone shards. Their edges lose their shape. It grows soft and warm and wet. And by the time she lifts it to her chest, which it did already. It wasn't a jewel at all. Now it's a heart. It's a plain red ordinary meat beating in her hands.
01:18:24	DM	She puts the heart back where the fuck the mob starts screaming and the tree goes finally into full bloom and she just disappears.
01:18:54	DM	All of the mob just sort of looks around and they kind of walk away muttering and dejected and you stand all alone next to a beautiful tree.
01:19:14	DM	You hear a little voice in the distance and it fades away. Thank you. Thank you so much. I can never repay you. And she disappears.
01:19:27	Morgash the Gravemaker	Yes, you can. Wait.
01:19:33	Jetten Elisedil	How about some loot?
01:19:34	Invictus	Yeah, we can think of a few things.
01:19:36	DM	Yeah.
01:19:40	DM	As that ends, where did he go? little Pudgy comes up and he's like, oh, boss, I just got back. What happened?
01:19:55	DM	Oh,
01:19:58	Gren Greenmantle	hearts and she thanked us and moved on but the townspeople are very angry with us no you don't i give him an acorn i don't i want a picture of him on my shoulder eating an acorn either or
01:20:00	DM	you truly are the best.
01:20:06	DM	Okay. Oh, maybe I should go. I don't want to get killed again.

01:20:18	DM	Well, okay, thanks. But actually, I think I'm just going to stay by you. as far as you're concerned, Pudgy is like your little best friend familiar from all times to come. Yeah. Let's see.
01:20:30	Jetten Elisedil	Familiar.
01:20:35	Jetten Elisedil	Who needs a Quasit?
01:20:49	Jetten Elisedil	Who, you or Pudgy?
01:20:53	Gren Greenmantle	or or both let's cut the damn tree down
01:21:00	DM	Okay. So what happens next is you can see the mists of green rust slowly rolling into the town again. you interact with the townsfolk. Most of the commoners just sort of looked at you in a sad and dejected manner. They really don't want to interact with you. When you talk to the elders, they understand what you had to do, but it's not something they can ever forgive. And Oswin just says, please, please just go. And you really don't feel welcome in the town at all. And it's probably best you feel if you leave, maybe head back to wherever you came from.
01:21:49	Morgash the Gravemaker	The thing is that they just... Oh, yeah. Thank you. And that's it.
01:22:01	DM	I know. Well, she was trapped there. She needed to be lying out.
01:22:04	Morgash the Gravemaker	No interaction.
01:22:09	Morgash the Gravemaker	Yeah. Some interaction so that we could bargain for the people of the town or something.
01:22:12	DM	Okay.
01:22:17	Morgash the Gravemaker	Yeah.
01:22:18	Morgash the Gravemaker	Yeah, but at least have an interaction with the people that save her.
01:22:18	Gren Greenmantle	ungrateful wench yay great yeah it was great she's done with you where she we had found a real man
01:22:24	DM	But, yeah, so, Invictus, you actually suddenly come to and you say the word, Thomas. My name is Thomas. and you have memory of your name again. Really, that ends it. I was kind of curious, like, how, what your character would have done afterwards. It's kind of structured where there wasn't an easy win completely, no matter what. So, you did free the dreamer, but she really didn't stick around to give you rewards or treats. And, yeah, over time, you do hear that the town of green rust, leaves fall in the square for the first time in living memory. The children have never seen it. There's a visage of Oswin watching from the steps of his Marist Tower. A few families take the tradeway south for the winter, but there's a little bit of good news at the bedside of a sick child. Enid prays the way she always has. For the first time in green rust history, something answers.

01:22:35	Invictus	I was hoping that was going to happen.
01:22:36	Invictus	I'm going back to the myth.
01:23:39	DM	Shantia seems to have forgiven the town. The harvest will be smaller from now on, but they'll be real, and they'll finally have a healer of their own.
01:23:52	DM	Yeah.
01:23:54	Jetten Elisedil	Matt, that was amazing. I mean, the Dryad should have definitely given us some treasure, though.
01:23:57	DM	Good. Good.
01:24:01	DM	I know, I debated it, and I was like, you know, like, the dryad's probably just going to bolt. She's trapped there forever. And, yeah. Yeah. I'll have to consider that. That's good feedback.
01:24:02	Jetten Elisedil	Yeah, she went back to the astral plane, Morgash. On her red dragon.
01:24:18	Morgash the Gravemaker	We'll have to bargain with her about the people and probably we will have made something. Because she don't need to stay to be sober or at least help the people.
01:24:34	DM	Yeah. Yeah.
01:24:35	Morgash the Gravemaker	At least the town should be saved. We kill everything that was evil. So, I probably try to go back and try to find Lazo and live my life.
01:24:40	DM	Well, there was never really bothering the town, though. Like, they just were living their ignorant lives. But, yeah. I do have a little, if you didn't have anything for your characters, I had something here.
01:24:59	DM	A little, aww.
01:25:13	DM	Yeah. But, Borgash, your gems were a big score. And if you look at your history, that was the one single job that you're away from, and you're able to retire. And you could pretty much go wherever you want. As you leave, Warren did ask you to hold the gate at Hedgewatch in Greenrest. You've held one before, but you could choose to stay there and help the town or not.
01:25:16	Jetten Elisedil	And then I continue my wanderings.
01:25:42	Morgash the Gravemaker	I will stay and help the town. I feel responsible because I thought that we will be able to talk to that.
01:25:44	DM	Oh, okay. Yeah. And over time, you're forgiven. And, um, Oswin always offers you a free breakfast and dinner, and you'll always have a permanent bedroom at the full larder. Jetten. Um, you spend one evening, and the night of your moonstone glows green for the last time. Uh, it's the same glow as the early dreams that was never explained. Um, that night you have a dream of your sister, a real dream sent by the dreamer herself. Um, you get to say goodbye to her instead of her getting her back. Um, and you have a nice interaction with her, I hope. And in the morning, the stone is milky white again. Uh, are you going to be friends with Thomas? So, okay.

01:25:54	Morgash the Gravemaker	All that we did for...
01:26:53	Jetten Elisedil	Of course. I come and go. Just like in real life. Calm, Thomas.
01:26:56	DM	Uh, Thomas Invictus, um, uh, a month later in Daggerford, you go back and you make, you mend your ways with the temple of Lathander. Um, you go and visit the five grays of your family and you read every name on them out loud and then your own because you can say it again. Usually you stay until dark. You grieve properly this time and this time your grief comes to a conclusion. I don't know. What would you do with your life?
01:27:37	Invictus	I suppose I'd probably just become a permanent paladin. Probably. But probably based out of my part.
01:27:43	DM	Okay. Would you stay in Daggerford or would you go adventuring with Jetton? Daggerford? Okay.
01:27:54	Invictus	All right. So I go wandering off a jet and into the wilderness somewhere, at least for a few years.
01:27:57	Jetten Elisedil	That's right. Like, like, like Fafford and the Gray Mouser.
01:28:01	DM	That's right. Slaying evil wherever you find it. Um, and Gran, every squirrel in the woods now knows the name of Gran the mighty who freed the green lady. Word reaches the warren and for the first time since your spell fire surfaced, the elders send for you to come home. You return and there's a large feast. Um, eventually you make your way back to green rests and you plant one of your ever, you plant your ever seed acorn in the square besides the old tree. Foreign tradition says that when you plant it, you find the place that you're meant to stay. You too have the choice to stay with Morgash. Um, okay.
01:28:07	Jetten Elisedil	Yes.
01:28:07	Jetten Elisedil	You can take the Revenge Island on his squirrels.
01:28:48	Gren Greenmantle	well i'm gonna stay in the town encourage the worship of the squirrels and put pudgy as their as their as their as their profit and uh and uh reluctantly uh tolerate morgash i i i i have
01:28:56	Invictus	Very great. Yes. Very good.
01:29:07	DM	Okay. Um, yeah, you spend the years in green rust. That little acorn that you planted starts to grow into a baby little oak that loses its sleeve every autumn. You, Morgash, and Padre are known as the three amigos.
01:29:24	Morgash the Gravemaker	Sorry. I just want to know if he will ever pay me the money that he borrowed from when we started finding hilarious. It was awesome.
01:29:40	Gren Greenmantle	the squirrels pay him in acorns that was awesome uh yeah uh yeah yeah i'm i'm up yeah yeah excellent
01:29:46	DM	So every, yeah, every morning for the next several years, Morgash wakes up next to his bed with acorns on the ground. Half the time you step on them and it hurts your foot.

01:30:02	DM	Okay. That's all I got.
01:30:06	Jetten Elisedil	It was amazing. I was waiting for the Frost Giant to appear. That's on our splash screen.
01:30:16	DM	Oh, haha, that's that's a stock photo actually is that you can't change it. It's funny. I'll have to see if I can mod that out with something campaign relevant there.
01:30:28	Jetten Elisedil	Hey, guys. I was thinking for the next campaign. So, I mean, obviously people can do whatever they want, but we had a pretty good character mix. Like, you know, we didn't have like four wizards, you know. But I'm definitely going to switch and try something else. But, you know, maybe we can talk about what everyone's thinking about doing, you know, in the next weeks or so, you know.
01:30:44		Gren Greenmantle: Hypnotic Pattern Save You create a twisting pattern of colors in a 30-foot Cube within range. The pattern appears for a moment and vanishes. Each creature in the area who can see the pattern must succ ...
01:30:50		Pudgy — Wisdom Saving Throw: $1d20 + 0 + 2 = 7$
01:30:58	Invictus	Yeah.
01:31:04	Jetten Elisedil	And Tuesdays have been pretty great. I mean, I'm flexible, but, you know.
01:31:09	DM	They've, they've worked for me. And like we found that over time someone has something and then, you know, you switch to a Monday or something instead if it works for everyone. So, but I say keep the Tuesday until it, you know, needs a change.
01:31:11		Invictus — Wisdom Saving Throw: $1d20 + 0 + 3 + 1 + 2 = 21$
01:31:24	Morgash the Gravemaker	If we think that Tuesday will be great because that way I don't need to change anything here at home.
01:31:33	DM	Perfect. Yeah. Yeah. It's good for me too because then like Joe always knows don't schedule stuff on Tuesdays.
01:31:42	Jetten Elisedil	Yeah.
01:31:44	Gren Greenmantle	let's do it awesome yeah read a read a guide on how to like read a guide on how to how to make the
01:31:47	Invictus	Has anybody ever put... Well, I certainly like the idea of a mystery and more, you know, more of that kind of stuff, for sure.
01:31:47	Jetten Elisedil	Matt, how long do you need to, how long do you need to go back to the drawing board and cook something up in your lab?

01:31:54	DM	Um, I had a campaign idea that I kind of worked on like for a year and a half. So I have a lot of notes. I think if you're completely indifferent to anything, I might try that one. There's a couple other ones. So this one. Uh, so on the spectrum of, there was three, I was thinking there's like one, which is sort of like your typical flair, uh, you know, kind of like go kill monsters, standard plot. There was another one, which is kind of more of a mystery with thoughts of action and exploration. And then that's what I was thinking of. And then the last one was Planescape, which can get really weird really fast and you have to know a lot of lore. Um, so I kind of ruled that one out. Yeah.
01:32:42	Jetten Elisedil	Oh, wow.
01:32:46	Jetten Elisedil	Landscape.
01:32:54	DM	Okay.
01:32:59	Jetten Elisedil	Like a little gothic?
01:33:02	DM	Uh, no, it's, it's, uh, oh, it's, it's going to be a very magical setting. So, um, I was starting to write a player facing handout. I don't have it now, but we'll go with that and I'll send you something next day or two. But yeah. Let me see if I have something I can paste it in here.
01:33:08	Jetten Elisedil	Mm-hmm.
01:33:24	Invictus	Has anybody ever played a bard before?
01:33:27	DM	Oh, they're so fun. That's one of my favorite classes. Yeah.
01:33:32	Invictus	Yeah.
01:33:33	Jetten Elisedil	Rob, I had a bard when I played. This is, now this is back in the day. First edition. Jack the Bard. It was the greatest character I ever had. But the reason he was the greatest character was we were in a dungeon and there was like a magical bed. And if you lie on the bed, the DM would roll a randomized roll and open up a page in the monster manual. And then kind of like a druid you could shapeshift into whatever monster he rolled.
01:34:11	Jetten Elisedil	And do you know what Jack ended up being able to shapeshift into? Silver dragon. It was crazy. But I didn't really get a lot of barding out of him.
01:34:19	Invictus	Well, I'll read about it in the player's guide because I've never done that before.
01:34:28	Jetten Elisedil	But bard's a great character.
01:34:39	Gren Greenmantle	bard and what the skills are because it's more it's like it's it's complicated i think it's one of the more isn't it matt or no that it has a lot of sort of things that that it can do yeah
01:34:49	DM	What's that?
01:34:55	DM	The Bard? Yeah, they're, they're super versatile. You can, you can, um, yeah.
01:34:55	Jetten Elisedil	Oh, yeah.

01:34:56	Gren Greenmantle	yeah yeah no i i'm i'm always happy to sort of i like having team synergy so i'll probably
01:35:01	Jetten Elisedil	You can play like a rogue. You can play like a magic user.
01:35:05	DM	Yeah. I mean, they're all magic users. They all have the same casting chart as a sorcerer, basically. I mean, the spells are different, but you're a full caster. Um, you get tons of skills. Uh, you're focused on charisma and then your subclass sort of focuses it from there. You can either be a lore bard, which is very like smart and learned or you can be a valor bard. He's like more of like a, like a fighter magic user hybrid. Um, there's some other ones too, like, like dance bard and, you know, music bard and stuff like that.
01:35:49	Invictus	I'm looking at it in the book right now.
01:35:52	DM	Yeah. I mean, let me, I can walk you through. Let me look at the classes here. I'll pull up the player's handbook. Yeah. I mean, I think Anthony and Tom know them all, but I can run them, run my opinions on them. Barbarian. Um, really fun, really powerful. Obviously very melee centric. Uh, you know, if you like playing a fighter melee person, uh, that's brute strength. That's the one. They got rage, which really lets you tank and hit hard. Bard, we just talked about. Clerics are actually quite powerful. Um, they have a lot of interesting domains to pick from. Cleric spell lists, uh, just great all around. Druids, I think everybody knows what a druid is. And this one, they have wild shapes so they can turn into various animals, uh, healing spells as well as damage spells. Fighter, you saw Morgash. A monk, which is probably not really fitting well for the campaign, but I was, oh, actually there's a couple subclasses that would be really interesting, but they're like your hybrid, you know, ninja
01:37:06	DM	fighter, paladin, we know, ranger, we know, rogues are like big on damage and skills, um, and sneaking around. Sorcerer we saw with Gren, um, warlocks are a little bit different because they're short rest centric as opposed to a long rest. Like flavorfully, they're really interesting because you have a patron and you get to pick who that is and then you can have some potential relationship with them.
01:37:37	Jetten Elisedil	I was kind of leaning towards warlock for this one. Unless people feel that's like a weird choice. I've never played a warlock.

01:37:42	DM	Yeah. No, no, not at all. Um, the, the only thing I say to watch out for, and since we have a longer term campaign, not as big of a deal because the days will get stretched out. Like this one, we tended to just do one adventuring day per session. Um, they're more reliant on short rests. So there might be times where most of the other classes will have like only one or two combats. you're going to feel limited because they balance it around the short rest. Uh, so you only have like two or three spells to cast for combat. Whereas like a wizard might have five or six or whatever. Um, they're a lot more flexible. They've got really, really good blasting potential. If you like that, you can go the melee route if you like that. Um, and then wizards are more, they're like sorcerers, but they're more spellbook oriented and, uh, more of like a thinking man's wizard versus sorcerer who's like pure up magic energy. That's kind of like my take on them all.
01:38:27	Jetten Elisedil	Or a hobbit bard.
01:38:52	Invictus	Well, if you're thinking about warlock, I mean, I actually really... When we did that practice run, I really liked my little hobbit guide, the thief. He was cool. But, yeah, I mean, I'm thinking bard or rogue for me.
01:39:11	Jetten Elisedil	That's cool.
01:39:16	DM	Yeah, I think the choice there is do you want to, do you want to be more magically inclined or do you want to be sneak attack inclined? That's probably what helps you make the decision.
01:39:26	Invictus	So you're saying bard is more magical, right? And then this rogue.
01:39:29	DM	Yeah, they have the same caster progression as wizards and sorcerers and clerics. So you'll have the full kit of spells. They have healing spells, they have control spells. Um, I mean, there's, there's, they can pretty much do everything. It's kind of crazy. But rogues are a lot of fun too because it's, if you like rolling dice, there's nothing better than doing your seek attack damage.
01:39:55	Jetten Elisedil	A sneak attack can be pretty good. Yeah. But, yeah, so that's it, guys. But, you know, like Tom, if you want to play a magic user again, I don't have to be a warlock. I could do like barbarian, you know.
01:40:14	Jetten Elisedil	Yeah.
01:40:16	Gren Greenmantle	when you guys figure out what you guys want to do i'll just figure something that i think mesh as well yeah but i've i've played a lot of things so you pick what you want and then then
01:40:19	Jetten Elisedil	Yeah, and I'm flexible. I'm definitely flexible, too. It's just fun. Well, I've never, I've never, ever played a spellcaster. I always play, traditionally, like rogues, fighters. They used to have assassins. I used to like to play assassins. But I've never played like, you know, what they used to call magic users or illusionists or sorcerers. So I thought maybe warlock would be a fun one just to try to do something new. I don't know.

01:40:56		Matt the DM: Echoes of HalruaA D&D 2024 campaign, levels 1 to 10+. Forgotten Realms, 1492 DR. Weekly on Foundry. A hundred years ago, the most magical kingdom in the world saved itself from the end of the world — ...
01:40:56	Gren Greenmantle	yeah i mean the warlock and the wizard are quite a bit different play style wise i mean the wizard has like tons and tons of choices and then it's yeah it seems to be quite sort of focused on you know you cast the same i mean matt you played a warlock i never did but i i think yeah yeah
01:41:03	DM	Yeah.
01:41:05	Jetten Elisedil	Mm-hmm. And warlock's got like a few, like a handful of spells for, for, mm-hmm.
01:41:11	DM	Yeah.
01:41:18	DM	Yeah. I, I, I tried them two times. I, I got frustrated with them. Like when Tom was DMing, I had to quit it because it was just, honestly, there wasn't enough magic. It was limiting because there wasn't enough magic options. Um, but no, but you, I mean, you can be, if you play a hex blade or a packed blade, whatever it's called, then you're more like a Gish. But, um, I mean, you could, I mean, they're powerful. Like you can cast fireballs just like everyone else too. It's just, they're just a little bit different. Um, but the, the complexity of wizard is like off the charts, like sorcerers are a good sort of middle ground. Um, yeah.
01:41:29	Jetten Elisedil	It's limiting.
01:41:33	Jetten Elisedil	Yep. But you're not that strong melee either.
01:41:40	Jetten Elisedil	Mm-hmm.
01:41:51	Jetten Elisedil	Mm-hmm. Yep.
01:42:05	Gren Greenmantle	yeah i like the wizard in the sorcerer because there's i mean you can sort of like page through and be very creative with what you do and i don't think the warlock has that but the warlock does have some have some raw power to it you know so um yeah and yeah read up if you go to i mean if you want to you know take a deep dive you can go to rpg dot
01:42:16	Jetten Elisedil	Interesting.
01:42:22	Jetten Elisedil	Yeah, I'll take a look.
01:42:24	DM	Yeah. Just read up on it.
01:42:31	Gren Greenmantle	and and read up wait way too much yeah yeah in the fat oh in the founder chat i left the is it is it
01:42:34	Jetten Elisedil	Oh, there's a million. Yeah. I mean, you, you know, people, people geek out on this stuff. I mean, you could, yeah. Oh, it's crazy.
01:42:35	DM	Yeah.

01:42:40	DM	Oh my God. Yeah. Like Reddit. Just, just start reading Reddit and you'll never go. You'll never leave. But, um, yeah. Yeah. They get into it. Um, I like to read them because it helps me understand a class, but you got to step away from it. Um, and yeah, now with AI, it's kind of just like, help me optimize this class and it'll do it too, which is nice, which we never had before three years ago.
01:42:46	Jetten Elisedil	Yeah. It's like, oh, damage per roll or damage per round. And, you know, it's like, oh, my God, dude.
01:43:10	Jetten Elisedil	Oh, that's pretty cool. Yeah.
01:43:14	DM	Um, I, I posted the, uh, the mini pitch in the Foundry chat. Oh, Rua is in the Forgotten Realms. You can Google it. It's like, uh, it's, uh, it's, uh, yeah. It used to be a, um, um, a nation ruled by wizards. Paul Rua is a nation ruled by wizards or was, is again, you can go, you can Google everything too.
01:43:29	Jetten Elisedil	Let's see. Echoes of Harua. Oh, cool.
01:43:52	Jetten Elisedil	Rob, don't you have that lore book? For the Forgotten Realms, you can read up on that.
01:43:56	Invictus	Yeah. Man, I've been looking at that a lot with this sharr stuff. Yeah. Yeah, it's a good book.
01:44:05	Jetten Elisedil	I'm glad you like it.
01:44:19	Jetten Elisedil	Oh, I three, I, I, go ahead. I'm sorry, Tom.
01:44:23	Gren Greenmantle	no well it is the lore book written by ed greenwood is that it but is is it is it written like a like a uh like a novel the forgotten realms one i mean can you just read
01:44:28	DM	Yeah. There's a, oh yeah, that's the most recent one.
01:44:28	Invictus	Well, Andrew got me, for my birthday, he got me these cool presents. So one of them is called Forgotten Realms, Heroes of Faerun.
01:44:38	Invictus	And that one is... And then he kind of... No, it's kind of just like a bunch of... It's like a player expansion book.
01:44:38	Jetten Elisedil	No, the, the one by Ed Greenwood, Tom, that's, those are, those are hard to get. They're expensive. Yeah. Like, you, if you can get them, but they're a couple hundred bucks.
01:44:43	DM	They're like second edition or whatever. Yeah.
01:44:49	DM	There's, there's nothing you can't get on Google that, um, you need the book for which one.
01:45:00	Gren Greenmantle	it or is it oh okay the the fairun okay yeah right yeah yeah it's fun matt you we started playing regularly

01:45:01	DM	No, it's yeah. The one that the one that he has is a player expansion. That's got additional classes and spells, Tom, and a little bit of lore. Yeah. The heroes of fair one, which is on D and D beyond too, but the old ones, like in two, they were like encyclopedias.
01:45:19	Invictus	And he got me another one that's a lot... This one is really thick by Michael Whitworth and Kyle Newman, etc. Dungeons & Dragons Lore and Legend, a visual celebration of the 5th edition. Pretty awesome. That one I haven't had a lot of time to flip through. But... Oh, go ahead.
01:45:22	Jetten Elisedil	Yeah, those are so cool.
01:45:37	DM	Oh, wow. Cool. I never heard of that. I've looked it up.
01:45:46	DM	Wait, is that the sorry. I was going to say, is that the art book with the history of D and D?
01:45:53	Jetten Elisedil	Yeah, I think so. The one I really like, guys, is, yeah, if you guys ever read The Monsters Know What They're Doing, that one's really good. Especially for a DM.
01:45:54	Invictus	I think that's it. Yeah. Yeah, thanks so much, guys. I've been wanting to play D&D. I mean, the last time I really played was... I mean, I was probably 10.
01:45:56	DM	Oh yeah. It's got like awesome pictures.
01:46:06	DM	Hmm.
01:46:08	Jetten Elisedil	That, I want to say that came out like four or five years ago. But it's all about, like, kobolds will know, like, what the best tactics for kobolds are. They're not just, you know, they don't just run into your fireballs and stuff like that, right?
01:46:16	DM	Right. Yeah.
01:46:21	DM	Yeah. There's like a, in 5e, they published a, what, when it first came out, it was a really popular adventure. It's, I forgot it was like, but you invade this kobold layer, but they're like super tactically smart and they basically kick your ass. Yeah. What are you thinking of Anthony? No problem.
01:46:34	Jetten Elisedil	Mm-hmm. You buy a bunch of kobolds.
01:46:44	Jetten Elisedil	Well, awesome, guys. Matt, thank you so much.
01:46:58	Jetten Elisedil	What? Really? Wow.
01:46:58	DM	Yeah.
01:46:59	Invictus	There were some guys in my high school that played a lot of AD&D. But, I mean, I played with them a little bit. But I felt like... Until now, I've never really had anybody to play with that knew what they were doing. Like, really, no. So this is great.
01:47:15	DM	Good.
01:47:20	Gren Greenmantle	a long time ago now you were still you still lived in new york

01:47:21	DM	God. Like 20, gotta be 15 years. Yeah. No, we started playing 15 years ago.
01:47:30	Gren Greenmantle	no no it was after that anthony when were you getting your phd wow so like so it's like maybe 10
01:47:32	Jetten Elisedil	Oh, that's so cool. In person.
01:47:33	DM	Yeah. Cause I think I had left. Was I, no, it was 10 years ago.
01:47:43	Morgash the Gravemaker	2014, I started. I started the PhD in 2014. 2014, but I think that we started a little bit before that.
01:47:56	DM	I, I feel like we did cause we played Scarred Realms. No, no, we started with you, you did Phandelver and Etai was like 10 and Ayala was like 6.
01:47:57	Gren Greenmantle	oh right right wow yeah that was so fun right well he's he just turned 23 right wow yeah yeah that was fun that was in person i yeah honestly like yeah it's so much more work though to do it i mean the the virtual tabletop really makes things go a lot smoother and i don't know i don't know how well i would be able to go back to pen and paper and dice i think we all the the automated combat is just so nice and you know each one of these combats would take like four hours
01:48:14	DM	Yeah.
01:48:16	Morgash the Gravemaker	My God.
01:48:21	DM	Yeah. We played in your apartment. I remember.
01:48:26	DM	Yeah. And Tom had like this really big dining table which you could just spread out. It was awesome.
01:48:39	Jetten Elisedil	Yeah.
01:48:39	DM	Yeah.
01:48:45	DM	It would be hard for me. It is. Yeah.
01:48:46	Jetten Elisedil	Yeah. Well, and all the area of effect stuff and all the cover rule. I mean, that stuff's so cumbersome, you know?
01:48:57	DM	Yeah.
01:48:57	Jetten Elisedil	Mm-hmm.
01:49:00	Gren Greenmantle	or five hours yeah yeah yeah it no it's but well like people do it they build a tv and they put a glass thing on top and then they you can move your figures along like the map is i mean the tv's on its side so you so the map is on there and you move along and and then you can use automated combat for those things but there are ways of doing it all right i'm gonna go i'm like really really tired so yeah all right yeah
01:49:02	DM	That's what I really appreciate is you can do like, you can do like several combats in a session whereas you'd have like one.
01:49:04	Jetten Elisedil	Yeah. Yeah, you have, like, one big bash, right?

01:49:13	DM	Yeah. And then you like got that big marker map grid and it's just a big mess everywhere. And yeah.
01:49:29	DM	Yeah. That's the thing.
01:49:48	Jetten Elisedil	Yeah, it's nice to have an early one. Good night, guys.
01:49:48	DM	You too. All right. Yeah. All right. And I'm out next week. I'm in Santa Barbara. I'll be thinking of you.
01:49:52	Gren Greenmantle	oh have fun lovely all right bye hey matt it was 18 years ago 2008 2000 yeah no no sorry eight it was eight not not 18 years eight years ago it was only eight years ago no yeah i i'm checking it now i have i have

01:49:58	DM	All right. Thank you very much. Take care.
01:50:00	Jetten Elisedil	And, Rob, you're the schedule coordinator.
01:50:03	DM	Poor Rob.
01:50:05	Invictus	Well, when is that... So when are we going to do it then? On the 13th? Yeah, that's a good idea. All right. I'll put it down. All right.
01:50:09	DM	I might need another Wii to prep, but we can do something on the 13th and do something easy one shot. Or you could like, you know, we could easily make test characters if you want to just see how they feel or something like that.
01:50:09	Jetten Elisedil	Yeah.
01:50:29	Jetten Elisedil	All right.
01:50:31	DM	See?
01:50:34	DM	Yeah. Eight years ago. It seems like it seems like more because I have the I have my original emails I can find out like when I sent out our lands our lands.
01:50:41	Jetten Elisedil	Only. Eight years ago is, like, yesterday.
01:50:49	Gren Greenmantle	uh oh no okay yeah anyways so yeah all right good night everyone bye

01:50:58	DM	Yeah, I have 20. I have 2018 on mine. Scarred lands is when we played that.
